NAME OF PETITIONER: Suwannee County Board of County Commissioners

DATE PETITION WAS FILED: August 25, 2011. It was assigned the number DCA11-WAI-181.

RULE NUMBER AND NATURE OF RULE FROM WHICH VARIANCE OR WAIVER IS SOUGHT: Paragraph 9B-43.0041(1)(c), F.A.C. Requesting a waiver of the \$750,000

cap on CDBG grants which has been removed by statutory amendment. The rule has not been amended to reflect the change.

A REFERENCE TO THE PLACE AND DATE OF PUBLICATION OF THE NOTICE OF THE PETITION: Vol. 37, No. 39 September 30, 2011, issue of the Florida Administrative Weekly.

THE DATE OF THE ORDER DENYING OR APPROVING THE VARIANCE OR WAIVER: November 28, 2011.

DEPARTMENT OF LAW ENFORCEMENT

The Criminal Justice Standards and Training Commission hereby gives notice that on October 14, 2011, the Criminal Justice Standards and Training Commission, received a petition for a permanent waiver of subsection 11B-27.00212(14), F.A.C., from Alachua County Sheriff's Office on behalf of five officers for the 2006-2008 (7/1/06 – 6/30/08) mandatory firearms requalification reporting cycle and one officer for the 2008-2010 (7/1/2008-6/30/10) mandatory firearms requalification reporting cycle. Subsection 11B-27.00212(14), F.A.C., requires officers to requalify with a firearm every two years under the supervision of a CJSTC-certified firearms instructor on a course of fire mandated by Commission rule.

The petition supported the requested waiver for the six officers by stating that the six officers did, in fact, complete the mandatory firearms requalification retraining, however, they were supervised by non-CJSTC-certified firearms instructors. Notice of receipt of the petition was published in the Florida Administrative Weekly, Vol. 37, No. 44, on November 4, 2011.

On December 7, 2011, pursuant to notice, at a special telephonic meeting originating in Tallahassee, Florida, the Commission found that the Petitioner's situation is unique. The Petitioner demonstrated that the strict application of the Commission's rules in this case would violate the principles of fairness. The Petitioner's officers had, in fact, completed the Commission's course of fire and achieved a passing score. The only deficiency in the officers' firearms requalifications was to be supervised by non-CJSTC-certified firearms instructors. The Commission found that the purposes of the underlying statute, to ensure that officers receive adequate and timely retraining, will be met by granting this waiver request. The Commission issued an order granting the Petitioner's waiver.

A copy of the Order or additional information may be obtained by contacting: Grace A. Jaye, Assistant General Counsel, Florida Department of Law Enforcement, P. O. Box 1489, Tallahassee, FL 32302 or by telephoning (850)410-7676.

The Criminal Justice Standards and Training Commission hereby gives notice that on November 4, 2011, the Criminal Justice Standards and Training Commission, received a petition for a permanent waiver of subsection 11B-27.00212(14), F.A.C., from Blountstown Police Department on behalf of James E. Godwin for the 2006-2008 (7/1/2006 – 6/30/2008) reporting period. Subsection 11B-27.00212(14), F.A.C., requires officers to requalify with a firearm every two years on a course of fire mandated by Commission rule and supervised by a CJSTC-certified

firearms instructor. The petition supported the requested waiver by stating that the officer at issue shot the mandated course of fire with passing scores for the 2008 reporting cycle. The firearms instructor who supervised the mandatory firearms retraining documented Godwin's performance on the CJSTC 86A form. The instructor, the agency, and Godwin believed the instructor was a CJSTC-certified firearms instructor at the time. The instructor's firearms instructor certification had lapsed without anyone becoming aware of it. Petitioner further stated that it would violate the principles of fairness to fail to recognize that the officer did successfully complete all of the requirements for the 2008 reporting cycle with the only deficiency being that the instructor who supervised him was inactive at the time of the qualifying shoots.

Notice of receipt of the petition was published in the Florida Administrative Weekly, Vol. 37, No. 46, on November 18, 2011.

Subsection 11B-27.00212(14), F.A.C., requires officers to requalify with a firearm every two years under the supervision of a CJSTC-certified firearms instructor on a course of fire mandated by Commission rule.

The Criminal Justice Standards and Training Commission hereby gives notice that on November 4, 2011, the Criminal Justice Standards and Training Commission, received a petition for a permanent waiver of subsection 11B-27.00212(14), F.A.C., from Green Cove Springs Police Department on behalf of six officers for the 2008 and 2010 reporting period. Subsection 11B-27.00212(14), F.A.C., requires officers to requalify with a firearm every two years on a course of fire mandated by Commission rule and supervised by a CJSTC-certified firearms instructor. The petition supported the requested waiver by stating that the officers at issue did successfully complete the course of fire, however, the instructors supervising the requalifications were not CJSTC-certified firearms instructors. Petitioner stated that the officers will suffer a substantial hardship if their certifications are rendered inactive as a result of this situation. Petitioner further stated that it would violate the principles of fairness to fail to recognize that the six officers did successfully complete the requirement simply because non-CJSTC-certified firearms instructors supervised their 2008 and 2010 mandatory firearms retraining requalifications.

The Criminal Justice Standards and Training Commission hereby gives notice that on November 4, 2011, the Criminal Justice Standards and Training Commission, received a petition for a permanent waiver of subsection 11B-27.00212(14), F.A.C., from Jupiter Inlet Colony Police Department on behalf of 18 officers for the 2006-2008

(7/1/2006 – 6/30/2008) and 2008-2010 (7/1/08 – 6/30/10) reporting cycles. Subsection 11B-27.00212(14), F.A.C., requires officers to requalify with a firearm every two years on a course of fire mandated by Commission rule and supervised by a CJSTC-certified firearms instructor. The petition supported the requested waiver by stating that the officers at issue did successfully complete the course of fire, however, the instructors supervising the requalifications were not CJSTC-certified firearms instructors. Petitioner stated that the officers will suffer a substantial hardship if their certifications are rendered inactive as a result of this situation. Petitioner further stated that it would violate the principles of fairness to fail to recognize that the officers did successfully complete the requirement simply because non-CJSTC-certified firearms instructors supervised their 2006-2008 and 2008-2010 requalifications.

Notice of receipt of the petition was published in the Florida Administrative Weekly, Vol. 37, No. 42, on October 21, 2011.

On December 7, 2011, pursuant to notice, at a special telephonic meeting originating in Tallahassee, Florida, the Commission found that the Petitioner's situation is unique. The Petitioner demonstrated that the strict application of the Commission's rules in this case would violate the principles of fairness.
