DEPARTMENT OF COMMUNITY AFFAIRS

DEO Final Order No.: DEO-11-0040
DEPARTMENT OF ECONOMIC OPPORTUNITY
In Re: CITY OF KEY COLONY BEACH LAND
DEVELOPMENT REGULATIONS
ADOPTED BY ORDINANCE NO. 424-2011

FINAL ORDER

The Department of Economic Opportunity (the "Department") hereby issues its Final Order, pursuant to Section 380.05(6), Florida Statutes, and Section 380.0552(9), Florida Statutes (2010), approving a land development regulation adopted by a local government within the Florida Keys Area of Critical State Concern as set forth below.

FINDINGS OF FACT

- The Florida Keys Area is a statutorily designated area of critical state concern, and the City of Key Colony Beach ("City") is a local government within the Florida Keys Area.
- On November 28, 2011, the Department received for 2. review City of Key Colony Beach Ordinance No. 424-2011 ("Ord. 424-2011") that was adopted by the City of Key Colony Beach Board of City Commissioners on November 22, 2011. The purpose of Ord. 424-2011 is to repeal existing Land Development Regulations Article VIII, Floodplain Management and establish new Land Development Regulations, Flood Plain Management; including a Habitat Conservation Plan and Endangered Species Assessment to guide future development in coordination with the U.S. Fish and Wildlife Service when development is proposed within habitat identified within Species Focus Area Maps and by real estate property numbers. Once a determination within the Species Focus Area Maps is made, the Floodplain Administrator will apply coordination techniques identified by the U.S. Fish and Wildlife Services.
- 3. Ord. 424-2011 is consistent with the City's 2010 Comprehensive Plan and furthers Objective 1.2 Natural Resources of the Future Land Use Element.

CONCLUSIONS OF LAW

- 4. The Department is required to approve or reject land development regulations that are enacted, amended or rescinded by any local government in the Florida Keys Area of Critical State Concern. Sections 380.05(6) and 380.0552(9), Florida Statutes (2010).
- 5. The City of Key Colony Beach is a local government within the Florida Keys Area of Critical State Concern. Section 380.0552, Florida Statutes (2010) and Rule 31-31.002 (superseding Chapter 27F-8), Florida Administrative Code.
- "Land development regulations" include local zoning, subdivision, building and other regulations controlling the development of land. Section 380.031(8), Florida Statutes (2010). The regulations adopted by Ord. 424-2011 are land development regulations.
- 7. All land development regulations enacted, amended or rescinded within an area of critical state concern must be consistent with the Principles for Guiding Development (the "Principles") as set forth in Section 380.0552(7), Florida Statutes. See Rathkamp v. Department of Community Affairs, 21 F.A.L.R. 1902 (Dec. 4, 1998), aff'd, 740 So. 2d 1209 (Fla. 3d DCA 1999). The Principles are construed as a whole and no specific provision is construed or applied in isolation from the other provisions.
- 8. Ord. 424-2011 is consistent with the following Principles:
- (a) To strengthen local government capabilities for managing land use and development so that local government is able to achieve these objectives without the continuation of the area of critical state concern designation.
- (b) To protect shoreline and marine resources, including mangroves, coral reef formations, sea grass beds, wetlands, fish and wildlife, and their habitat.
- (c) To protect upland resources, tropical biological communities, freshwater wetlands, native tropical vegetation (for example, hardwood hammocks and pinelands), dune ridges and beaches, wildlife, and their habitat.
- (f) To enhance natural scenic resources, promote the aesthetic benefits of the natural environment, and ensure that development is compatible with the unique historic character of the Florida Keys.
- (g) To protect the historical heritage of the Florida Keys.
- 9. Ord. 424-2011 is neutral with respect to the remaining Principles. Ord. 424-2011 is consistent with the Principles for Guiding Development as a whole.

WHEREFORE, IT IS ORDERED that Ord. 424-2011 is found to be consistent with the Principles for Guiding Development of the Florida Keys Area of Critical State Concern, and is hereby APPROVED.
