Section II Proposed Rules

DEPARTMENT OF ENVIRONMENTAL PROTECTION

RULE NO.: 62-304.500 RULE TITLE: Ocklawaha Basin TMDLs

PURPOSE AND EFFECT: The purpose of the rule is to adopt a Total Maximum Daily Load (TMDL) and its allocation for nutrients, which has caused impairment in Silver Springs, the Silver Springs Group, and the Upper Silver River within the Ocklawaha River Basin.

SUMMARY: The new TMDL addresses nutrient impairments in the Ocklawaha River Basin. Specifically, the TMDL rule being proposed for adoption is for Silver Springs, the Silver Springs Group and the Upper Silver River. These waterbodies were verified as impaired for nutrients using the methodology established in Chapter 62-303, F.A.C. The proposed nitrate (nitrate+nitrite as N) target of 0.35 mg/L was set to meet the nutrient criterion. This rulemaking has been given OGC Case Number 12-1419.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has been prepared by the agency.

While Section 120.541, F.S., does not necessitate the preparation of a SERC in such instance, the Department has chosen to prepare a SERC for the proposed TMDL to assist in the determination of whether any costs are incurred as a result of the TMDL, and if so, how much.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

Final Order No. DEO-12-141

STATE OF FLORIDA

DEPARTMENT OF ECONOMIC OPPORTUNITY

In re: A LAND DEVELOPMENT REGULATION
ADOPTED BY THE CITY OF KEY WEST,
FLORIDA, ORDINANCE NO. 12-33

FINAL ORDER

The Department of Economic Opportunity (“Department”) hereby issues its Final Order, pursuant to §§ 380.05(6) and (11), Fla. Stat. (2012), approving land development regulations adopted by the City of Key West, Florida, by Ordinance No. 12-33 (the “Ordinance”).

FINDINGS OF FACT

1. The City of Key West is designated pursuant to § 380.05(1), Fla. Stat. (2012), and Chapter 28-36, Florida Administrative Code, as an area of critical state concern. Land development regulations adopted by the City of Key West do not become effective until approved by the Department by final order. §§ 380.05(6) and (11), Fla. Stat. (2012).

2. The Ordinance was adopted by the City of Key West on September 19, 2012, and rendered to the Department on October 28, 2012.

3. The Ordinance was prompted by the transfer of the Peary Court Housing Complex from U.S. Navy ownership to private ownership and the potential for additional military properties to be released from U.S. Navy ownership to private ownership. The Ordinance amends Chapter 122, Article V, Division 6, Sections 122-611 through 122-616, to create a new Historic Special Medium Density Residential (HSMDR) zoning district that allows single family, duplex and multiple family dwellings at a maximum density of 8.6 dwelling units an acre. Enumerated commercial uses are allowed as a conditional use. Transient uses are prohibited. Affordable housing is required at a ratio of 30% of the total number of units existing, redeveloped and/or created on properties in the zoning district, except that for rezoning applications received before September 6, 2012, the ratio of affordable housing is 30% of the units that exist on the site at the time of the rezoning application. The Ordinance further amends Chapter 122, Article V, Division 2, Sections 122-111 through 122-1151, to reflect the new zoning district and establish setbacks and dimensional requirements, including a floor area ratio of 1.0. Finally, the Ordinance revises the official zoning map to zone the Peary Court Housing Complex as Historic Special Medium Density Residential.

CONCLUSIONS OF LAW

4. The Department is required to approve or reject land development regulations that are adopted by any local government in an area of critical state concern. §§ 380.05(6) and (11), Fla. Stat. (2012).

5. “Land development regulations” include local zoning, subdivision, building, and other regulations controlling the development of land. § 380.031(8), Fla. Stat. (2012). The regulations adopted by the Ordinance are land development regulations.

6. All land development regulations enacted, amended, or rescinded within an area of critical state concern must be consistent with the principles for guiding development for that area. §§ 380.05(6) and (11), Fla. Stat. (2012). The Principles for Guiding Development for the City of Key West Area of Critical State Concern are set forth in Rule 28-36.003(1), Florida Administrative Code.

7. The Ordinance is consistent with the Principles for Guiding Development as a whole, and specifically furthers the following Principle:

(a) To strengthen local government capabilities for managing land use and development.

8. The Ordinance is consistent with Policies 1-1.6.4, 3-1.1.2 and 3-1.1.3 of the City of Key West Comprehensive Plan and with the Plan as a whole.

WHEREFORE, IT IS ORDERED that City of Key West Ordinance No. 12-33 is found to be consistent with the Principles for Guiding Development for the City of Key West Area of Critical State Concern and is hereby APPROVED.

This Order becomes effective 21 days after publication in the Florida Administrative Register unless a petition is timely filed as described in the Notice of Administrative Rights below.

DONE AND ORDERED in Tallahassee, Florida.
