**Section V
Petitions and Dispositions Regarding Rule
Variance or Waiver**

DEPARTMENT OF LAW ENFORCEMENT

NOTICE IS HEREBY GIVEN that on July 26, 2012, the Criminal Justice Standards and Training Commission, received a petition for a permanent waiver of paragraph 11B-27.00213(4)(b), F.A.C., from the Florida Department of Corrections (DOC) on behalf of three former trainees employed on Temporary Employment Authorization (TEA) status pursuant to paragraph 11B-27.00213(4)(b), F.A.C., and Section 943.131, F.S. Paragraph 11B-27.00213(4)(b), F.A.C., requires trainees employed on TEA status who are separated from employment while TEA trainees to wait four years from the date of separation before obtaining another TEA position. The three trainees named in the petition were inadvertently omitted from the list of 190 similarly situated TEA trainees for whom a waiver was obtained by DOC in June of 2011. The waiver requested in this petition is identical to the one

previously granted in June of 2011. DOC requests that the Commission waive the requirement in rule that a TEA trainee wait four years from the separation date from DOC before seeking another TEA employment. The TEAs were terminated as a result of budget cuts and were all in good standing at the time of the termination.

The petition supports the requested waiver by stating that the three trainees affected would suffer a substantial hardship, because they would be unable to seek TEA employment for four years from the date of separation from DOC. The petition further states that denial of the petition would violate principles of fairness because 190 TEA trainees who were terminated at the same time as the three mentioned in this petition were granted a waiver of the rule to seek TEA employment without waiting four years from the date of separation.

A copy of the Petition for Variance or Waiver may be obtained by contacting: Grace A. Jaye, Assistant General Counsel, Florida Department of Law Enforcement, P. O. Box 1489, Tallahassee, FL 32302 or by telephoning (850)410-7676.

NOTICE IS HEREBY GIVEN that on July 31, 2012, the Criminal Justice Standards and Training Commission, received a petition for a permanent waiver of subsection 11B-27.002(4), F.A.C., by Rockledge Police Department on behalf of Nichole Parrish. The rule requires candidates to become employed within four years of beginning a basic recruit training course. The Petitioner wishes to certify Ms. Parrish whose status became inactive during the employment process. The Petitioner states that Ms. Parrish signed a conditional offer of employment for a reserve law enforcement officer position with the agency in November of 2011. Administrative changes forced Ms. Parrish's employment status to languish for many months. In January of 2012, the Petitioner attempted to complete Ms. Parrish's hiring, but could not because her law enforcement certificate was inactive. Petitioner wishes to hire Ms. Parrish and states that it would create a hardship for the agency and for Ms. Parrish if the rule waiver were not granted and Ms. Parrish had to retake basic recruit training. The agency further states that it would violate principles of fairness for Ms. Parrish to be punished for falling victim to circumstances that were beyond her control. The CJSTC entertained a similar request from Pasco County Sheriff's Office on behalf of Brian Call in case number VAR-2007-24. The order granting the waiver in VAR-2007-24 was reported in Florida Administrative Weekly Vol. 33, No. 38, September 21, 2007.

A copy of the Petition for Variance or Waiver may be obtained by contacting: Grace A. Jaye, Assistant General Counsel, Florida Department of Law Enforcement, P.O. Box 1489, Tallahassee, FL 32302 or by telephoning (850)410-7676.

The petition was assigned ERP Number 11-0039, R. Tenaglia District Floodway Project. SRWMD granted the petition because the petitioner has demonstrated that the purpose of the statute underlying the rule will be met and that a substantial hardship would be created if the petitioners were required to comply with this rule.

The above referenced F.A.C. addresses the requirement that each establishment have an approved plumbing system installed to transport potable water and collect wastewater. Furthermore, the Division finds that the Petitioner meets the burden of demonstrating that the underlying statute has been achieved by the Petitioner ensuring the wastewater holding tanks for the handwash and three-compartment sinks are emptied at a frequency as to not create a sanitary nuisance; and potable water provided must come from an approved source and be protected from contamination during handling. The Petitioner shall also ensure that the handwash and three-compartment sinks are provided with hot and cold running water under pressure. The handwash sink must also be equipped with soap, approved hand drying device and a handwashing sign. If the ownership of Celebration Office Condos changes, an updated, signed agreement for access to potable water and the mop sink facility is required immediately.
