RULE NO.: RULE TITLE:

6M-4.210 Maintaining Eligibility for Financial Assistance; Breaks in Employment

The Office of Early Learning hereby gives notice:

On June 27, 2013 the Office of Early Learning issued a Final Order granting the Early Learning Coalition of Pinellas

County a temporary variance from Rule 6M-4.210, Florida Administrative Code. The petition for temporary variance was received by the Office of Early Learning on January 22, 2013. Notice of receipt was published in the Florida Administrative Register, Volume 39, Number 26 on February 7, 2013. No public comment was received. The Order grants variance from paragraph 6M-4.210(1), F.A.C., which provides requirements for maintaining school readiness eligibility and allows an individual to be unemployed for a maximum 30 days before losing eligibility to receive services. The Office determined that the variance will prevent the revocation of eligibility which would adversely impact the ability of unemployed parents and guardians to continue searching for employment. Further a break in eligibility also disrupts a child's learning potential and results in diminished effectiveness of school readiness services. If the variance is not granted the coalition it would create a substantial hardship to both the coalition and the individuals served by the coalition.

RULE NO.: RULE TITLE:

6M-4.100 Definitions

The Office of Early Learning hereby gives notice:

On June 27, 2013 the Office of Early Learning issued a Final Order granting the Redlands Christian Migrant Association (RCMA) a temporary variance from Rule 6M-4.100, Florida Administrative Code. The petition for temporary variance was received by the Office of Early Learning on January 15, 2013. Notice of receipt was published in the Florida Administrative Register, Volume 39, Number 26 on February 7, 2013. No public comment was received. The Order grants variance from paragraph 6M-4.100(22), F.A.C., which provides the definition of "working family" in the context of determining the eligibility to receive services for the state's school readiness program. The Office determined that the variance will allow working families to remain eligible for school readiness services if after receiving services their eligible work activities are reduced from 20 hours per week minimum to a 15 hour per week minimum. If the variance is not granted to RCMA, it would create a substantial hardship to both RCMA and the individuals served.

DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION

Division of Hotels and Restaurants

RULE NO.: RULE TITLE:

61C-4.010 Sanitation and Safety Requirements

The Florida Department of Business and Professional Regulation, Division of Hotels and Restaurants hereby gives notice:

On June 13, 2013 the Division of Hotels and Restaurants received a Petition for an Emergency Variance for subsection 61C-4.010(7) Florida Administrative Code and subsection 61C-4.010(6), Florida Administrative Code from Rainbow Sno-Cones located in Orlando. The above referenced F.A.C. addresses the requirement that at least one accessible bathroom be provided for use by customers. They are requesting to share the bathrooms located within an adjacent establishment on the same premises but under a different ownership for use by customers only.

The Petition for this variance was published in Vol. 39/120 on June 20, 2013. The Order for this Petition was signed and approved on June 26, 2013. After a complete review of the variance request, the Division finds that the application of this Rule will create a financial hardship to the food service establishment. Furthermore, the Division finds that the Petitioner meets the burden of demonstrating that the underlying statute has been achieved by the Petitioner ensuring the bathrooms located within Ice Cream Treats & Eats Rainbow Sno-Cones & Ice Cream Treats (SEA5812998) are maintained in a clean and sanitary manner and are provided with cold running water under pressure, soap, approved hand drying devices, and are available during all hours of operation. The Petitioner shall also ensure directional signage is installed within or outside the establishment clearly stating the location of the bathrooms. If the ownership of Rainbow Sno-Cones & Ice Cream Treats changes (Rainbow Sno-Cones & Ice Cream Treats LLC), an updated, signed agreement for use of the bathroom facilities is required immediately.

ADOPTED BY MONROE COUNTY, FLORIDA,
ORDINANCE NO. 022-2013

FINAL ORDER
APPROVING MONROE COUNTY
ORDINANCE NO. 022-2013

The Department of Economic Opportunity ("Department") hereby issues its Final Order, pursuant to §§ 380.05(6) and 380.0552(9), Fla. Stat. (2012), approving land

development regulations adopted by Monroe County, Florida, Ordinance No. 022-2013 (the "Ordinance").

FINDINGS OF FACT

1. The Florida Keys Area is designated by § 380.0552, Fla. Stat., as an area of critical state concern. Monroe County is a local government within the Florida Keys Area.

2. The Ordinance was adopted by Monroe County on May 15, 2013, and rendered to the Department on June 4, 2013.

3. The Ordinance amends the Monroe County Code to create two new commercial land use districts, the Commercial 1 district (C1) and the Commercial 2 district (C2), to implement a recent comprehensive plan amendment establishing a Commercial (COMM) future land use category. The Ordinance establishes the purposes of the new commercial districts, the allowed uses, land use intensities, and district open space.

CONCLUSIONS OF LAW

4. The Department is required to approve or reject land development regulations that are adopted by any local government in an area of critical state concern. §§ 380.05(6) and (11) and § 380.0552(9), Fla. Stat.

5. "Land development regulations" include local zoning, subdivision, building, and other regulations controlling the development of land. § 380.031(8), Fla. Stat. The regulations adopted by the Ordinance are land development regulations.

6. All land development regulations enacted, amended, or rescinded within an area of critical state concern must be consistent with the principles for guiding development for that area. §§ 380.05(6) and 380.0552(9), Fla. Stat. The Principles for Guiding Development for the Florida Keys Area of Critical State Concern are set forth in § 380.0552(7), Fla. Stat.

7. The Ordinance is consistent with the Principles for Guiding Development as a whole, and specifically furthers the following Principle in § 380.0552(7), Fla. Stat.:

(a) Strengthening local government capabilities for managing land use and development so that local government is able to achieve these objectives without the continuation of the area of critical state concern designation.

(d) Ensuring the maximum well-being of the Florida Keys and its citizens through sound economic development.

8. The Ordinance is consistent with the Monroe County Comprehensive Plan, in particular Future Land Use Element Objective 101.3, Policy 101.3.5, and Objective 101.4.

WHEREFORE, IT IS ORDERED that Monroe County Ordinance No. 022-2013 is found to be consistent with the Principles for Guiding Development of the Florida Keys Area of Critical State Concern and is hereby APPROVED.
