A copy of the Petition for Variance or Waiver may be obtained by contacting: Lois Sorensen, 7601 US Highway 301, Tampa, Florida 33637, (813)985-7481, ext. 2298, water.variances@watermatters.org.

**DEPARTMENT OF BUSINESS AND PROFESSIONAL
REGULATION**

Division of Alcoholic Beverages and Tobacco

The Division of Alcoholic Beverages and Tobacco, Florida, Department of Business and Professional Regulation, State of Florida hereby gives notice: subsection 61A-1.0101(3), F.A.C., Product Display Exceptions.

On May 16, 2013, the Division received a Petition for Rule Waiver request in which the Petitioner, Treasury Wine Estates American Company, requested a temporary Rule Waiver of subsection 61A-1.0101(3), Florida Administrative Code. The Petitioner would like to lend Star Liquor a temporary “dummy” bottle, i.e. a replica of the original, to be displayed in Star Liquor’s until October 1, 2013, or the sale of the real Ampoule. The hand-blown, specially boxed dummy Ampoule was limited to a very small number, causing it to exceed the limit of \$300 for point of sale. The notice of receipt was published on the Florida Administrative Register website on May 29, 2013, Vol. 39, No. 104.

On August 16, 2013, the Department of Business and Professional Regulation, Division of Alcoholic Beverages and Tobacco, filed an Order Granting in part, and denies in part Petitioner’s Petition for Variance for Wavier of subsection

61A-1.0101(3), F.A.C. On the contrary, Petitioner’s replica bottle would neither hold nor display the actual product to be sold, but would in fact replace it as the item of interest. Though the proposed arrangement is indeed unique, the replica bottle simply cannot qualify as a product displace item under subsection 61A-1.0101(1), F.A.C, thereby mooted any discussion of subsection 61A-1.0101(3), F.A.C.

A copy of the Order or additional information may be obtained by contacting Joy.Cottrell@myfloridalicense.com, Department of Business and Professional Regulation, Division of Alcoholic Beverages and Tobacco, 1940 North Monroe Street, Tallahassee, Florida 32399-1020.

The above referenced F.A.C. addresses the requirement that at least one accessible bathroom be provided for use by customers and employees. They are requesting to share the bathrooms located within an adjacent establishment on the same premises but under a different ownership for use by customers and employees.

The Division of Hotels and Restaurants will accept comments concerning the Petition for 5 days from the date of publication of this notice. To be considered, comments must be received on or before 5:00 p.m.

A copy of the Petition for Variance or Waiver may be obtained by contacting Lydia.Gonzalez@myfloridalicense.com, Division of Hotels and Restaurants, 1940 North Monroe Street, Tallahassee, Florida 32399-1011.

DEPARTMENT OF HEALTH

Board of Psychology

The Board of Psychology hereby gives notice of the issuance of an Order regarding the Petition for Variance or Waiver, filed on April 30, 2013, by Chrissyl Shaw. The Notice of Petition for Waiver or Variance was published in Vol. 39, No. 93, of the May 13, 2013, Florida Administrative Register. Petitioner was seeking a variance or waiver of paragraph 64B19-11.001(4)(b), Florida Administrative Code, which states that a passing score on the Florida laws and rules examination shall cease to be valid eighteen (18) months after the Board’s letter to the applicant advising that the applicant has passed the Florida laws and rules examination.

The Board’s Order, filed on July 15, 2013, granted the petition finding that Petitioner has established that the purpose of the underlying statute, Section 490.005, Florida Statutes, would be met were the Petitioner to be granted a variance from the rule. Additionally, the Petitioner does demonstrate how the rule would create a substantial hardship and that it would violate the principles of fairness.

A copy of the Order or additional information may be obtained by contacting: Allen Hall, Executive Director, Department of Health, 4052 Bald Cypress Way Bin #C05, Tallahassee, Florida 32399-0797, (850)245-4373, Allen_Hall@doh.state.fl.us.

The agency issued a declaratory statement stating that applying Commission Order Nos. 18893, PSC-95-0131-FOF-EI, and PSC-11-0194-DS-EI to FPL's set of circumstances, for the limited purpose of FPL developing a predictive tool for the benefit of all customers, it would be consistent with the Orders that 1) the approximately 400 individual customers participating in the Project not be charged by FPL for Project expenses related to inspection, repair, or replacement of their individual meter enclosures; and 2) FPL's inspection, repair, or replacement of the approximately 400 meter enclosures as part of the Project would not result in FPL obtaining any ownership interest in those meter enclosures or an obligation to repair or replace any of those meter enclosures due to wear or obsolescence after the Project has been completed. The Commission stated that this declaratory statement should not be construed as addressing or approving the Project or future use of any predictive tool developed by FPL. The Commission also stated that this declaratory statement applies to the 400 customers participating in the Project and does not address what may be the cause of any meter communication problems that may be identified by FPL or prejudice any cost recovery or cost attribution the utility might seek or propose in relation to the Project's costs.
