RULE NOS.:	RULE TITLES:
42PPP-1.001	Amended District
42PPP-1.002	Boundary of Amended District
42PPP-1.003	Supervisors of the Amended District

PURPOSE AND EFFECT: The Board of Supervisors of the Village Community Development District No. 10 requests that the Commission approve the expansion of the boundary of the District.

SUMMARY: The District's Amended Petition requests the Commission authorize the addition of 99.3 acres of land to the existing boundaries. The lands proposed to be added consist of approximately 9.8 acres within unincorporated Sumter County and approximately 89.5 acres within the City of Wildwood. The preliminary development plan for the 99.3 acres proposed to be included within the District includes 362 residential lots and supporting infrastructure.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the agency.

A SERC, provided by the District, supports the Amended Petition to expand the District. The complete text of the SERC is contained as Exhibit G to the Amended Petition.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: 1) no requirement for a SERC was triggered under Section 120.54(3)(b) and Section 120.54(1), Fla. Stat.; and (2) there are no adverse impacts or regulatory costs of the rule which will exceed any of the criteria established in Section 120.541(2)(a), Fla. Stat.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.
