RULE NO.: RULE TITLE:

64D-2.005 Blood and Human Tissue Donations

PURPOSE AND EFFECT: The purpose is to streamline the rule, update obsolete language, and incorporate recommendations from the Joint Administrative Procedures Committee.

SUMMARY: This rule describes the testing for infectious diseases that must be performed on donated blood and human tissue prior to transplantation or transfusion and notification procedures for the donor and recipient if the blood or human tissue is found to be HIV-positive.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: The new language added requiring infectious disease testing replaced old language requiring the same. The new language adopts, and does not exceed, federal laws and regulations that are applicable to the regulated subject matter. Therefore, this rulemaking will not have an adverse impact or regulatory costs in excess of \$1 million within five years as established in Section 120.541(2)(a), F.S.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

RULEMAKING AUTHORITY: 381.0041(10) FS.

LAW IMPLEMENTED: 381.0041 FS.

IF REQUESTED WITHIN 21 DAYS OF THE DATE OF THIS NOTICE, A HEARING WILL BE SCHEDULED AND ANNOUNCED IN THE FAR.

THE PERSON TO BE CONTACTED REGARDING THE PROPOSED RULE IS: Marlene LaLota, HIV/AIDS and Hepatitis Section, Florida Department of Health, Bin #A09, 4052 Bald Cypress Way, Tallahassee, FL 32399-1715, telephone number (850)245-4423

 ADDENDUM NUMBER: ONE
 DATE: NOVEMBER 18, 2013

POSTING OF RESPONSE TO QUESTIONS RECEIVED
 FOR THE "NOTICE OF BID/REQUEST FOR PROPOSAL

Q1. With reference to the Campus Master Planning RFP currently out, I have a question about the prime contract. If we were to have more than one firm as prime, will we need to form a JV, or will a less formal agreement suffice? Also, does that entity need to be legally formed at the time of submission, or can we have an agreement that we will form the legal entity if we are awarded the contract?

- A1. One and only one firm may be prime consultant for this submission. Any joint venture must be presented as such at time of submission. Formal and legal agreement between members for such a joint venture shall be in place on or before execution of agreement between owner and prime consultant.
- Q2. If we are to form a joint venture, will the University accept separate insurance certificates from the JV members, or will the JV be required to have its own separate professional liability insurance policy?

- A2. Required insurance coverage must be in place for any prime consultant joint venture on or before execution of agreement between owner and prime consultant.
- Q3. Notice of Bid/Request for Proposal (RFP) Instruction #1: the Instruction #1 indicates the applicant must complete the "Professional Qualifications Supplement" (PQS), dated May 2010. The PQS form available on the Florida Gulf Coast University (FGCU) website is dated 2/25/13. Is the 2/25/13 form the correct PQS Form?
- A3. Yes
- Q4. PQS Form: In the PQS Form dated 2/25/13, on Page 1, under "3 Services to be Provided", may we list by firm name the Consultants for the disciplines listed?
- A4. No, sub consultants shall be listed by the generic discipline only.
- Q5. RFP Selection Criteria: will FGCU provide a copy of the FGCU "grading criteria" for how the points will be awarded for each grading criteria? Will FGCU issue the criteria for how the points will be awarded prior to the due date for the PQS responses?
- A5. Criteria and points are listed in advertisement under "Selection Criteria".
- Q6. PQS Form: Refer to the PQS Form dated 2/25/13, on Page 2, under "4c Fee Per Person". The indication of (5a) and (5b) appears that it should be listed as (4a) and (4b). Is this a typo? Please clarify.
- A6. Yes, you are correct, (5a) and (5b) is a typo it should be (4a) and (4b).
- Q7. PQS Form: In the PQS Form dated 2/25/13, on Page 5, under "#6 Related Experience", the size of our Project Titles will force Page 5 to roll over onto Page 6. Is this allowed?
- A7. Yes
- Q8. PQS Form: In the PQS Form dated 2/25/13, on Page 7, under "#8 References", the size of our Project Titles will force Page 7 to roll over and create a Page 8. Is this allowed?
- A8. Yes
