PURPOSE AND EFFECT: The purpose of the proposed rule is to implement the authority of Florida's Office of Early Learning (OEL) to adopt procedures for implementation of the VPK Specialized Instructional Services (SIS) program.

SUMMARY: The proposed rule establishes the requirements related to the process of determining child eligibility, registering and enrolling students in the VPK SIS program, and making payments to SIS providers for services. Several forms used to process the enrollment of students are adopted by reference. Also, a contract that VPK SIS providers must execute to deliver services in the program and be reimbursed by the early learning coalitions is adopted by reference.

## SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

6M-8.500 VPK Specialized Instructional Services: Child Eligibility and Provider Reimbursement.

(1) General Eligibility. A parent with a four-year-old child who meets the Voluntary Prekindergarten Program eligibility requirements described in Rule 6M-8.200, F.A.C., and has a disability and a current individual educational plan (IEP) developed by the local school board may enroll the child in either a standard (school-year or summer) Voluntary Prekindergarten Education (VPK) Program or in a VPK specialized instructional services program type. Parents may enroll a child in only one program type; a child may not be enrolled in a school-year or summer program type and the VPK specialized instructional services program type at the same time.

(2) Child Eligibility.

(a) In order to register a child for the VPK specialized instructional services (SIS) program type, a parent must do all of the following:

1. Register the child in accordance with the requirements of Rule 6M-8.201, F.A.C.;

2. Submit to the early learning coalition a completed and signed Form OEL-VPK 01S, "Voluntary Prekindergarten Education Program Specialized Instructional Services Supplemental Student Application", dated June 2014, which is hereby incorporated by reference and may be obtained as described in Rule 6M-8.900, F.A.C.; and

3. Submit to the early learning coalition a copy of the child's current IEP developed by the local school board.

(b) Upon receipt of the required registration documentation from a parent registering his or her child for the VPK SIS program type, a coalition shall first determine the child's eligibility for the VPK program under Rule 6M-8.201, F.A.C. A coalition shall then determine the child's eligibility for the SIS program by reviewing the completed and signed Form

OEL-VPK 01S, dated June 2014, and attached copy of the child's current IEP. A child shall be determined eligible for the VPK SIS program type by an early learning coalition if:

1. The Form OEL-VPK 01S is completed with accurate information as certified by the parent;

2. The parent has selected a type or types of SIS in item 6. of Form OEL-VPK 01S which are consistent with the child's IEP; and

3. The IEP submitted by the parent is dated within the last year.

(c) Upon determining that a child is eligible to participate in a VPK SIS program type, the appropriate coalition staff shall complete the "Early Learning Coalition Use Only" section of Form OEL-VPK 01S, as indicated in grey to document the child's eligibility. Additionally, the coalition shall complete sections I. and II. in Part A and items 1. through 8. in Part B of Form OEL-VPK 02S, dated June 2014. Form OEL-VPK 02S, Part A, "Voluntary Prekindergarten Education Program Specialized Instructional Services Certificate of Eligibility" dated June 2014 and Form OEL-VPK 02S, Part B, "Voluntary Prekindergarten Education Program Specialized Instructional Services Schedule of Services" dated June 2014, are both hereby incorporated by reference and may be obtained as described in Rule 6M-8.900, F.A.C. The coalition shall provide a copy of the forms referenced in this paragraph, with the appropriate sections completed, to the child's parent.

(3) Provider Selection.

(a) The parent shall select a SIS provider or providers which offer services consistent with the student's current IEP from providers approved by the DOE under Rule 6A-6.03033, F.A.C., to offer SIS in the coalition service area. Services consistent with the student's current IEP may include, but are not limited to:

1. Applied behavior analysis as defined in Sections 627.6686 and 641.31098, F.S.

2. Speech-language pathology as defined in Section 468.1125, F.S.

3. Occupational therapy as defined in Section 468.203, F.S.

4. Physical therapy as defined in Section 486.021, F.S.

5. Listening and spoken language specialists and an appropriate acoustical environment for a child who is deaf or hard of hearing who has received an implant or assistive hearing device.

(b) If the parent selects multiple providers from more than one coalition service area, the coalitions may enter into an interagency agreement regarding the payment of the providers.

(4) Student Enrollment.

(a) After a parent has chosen a SIS provider, the parent shall work with the selected SIS provider to complete section III. of Form OEL-VPK 02S, Part A. If a parent selects multiple SIS providers, the coalition shall provide the parent an OEL-VPK 02S, Part A form to complete with each selected SIS provider.

(b) Each SIS provider shall have an authorized representative complete, sign and date the "Voluntary Prekindergarten Education Program Specialized Instructional Services Provider Agreement" (Form OEL-VPK 20S) where indicated and submit the completed form, along with the completed Form OEL-VPK 02S, Part A, to the early learning coalition. Form OEL-VPK 20S, Voluntary Prekindergarten Education Program Specialized Instructional Services Provider Agreement dated June 2014, is hereby incorporated by reference and may be obtained as described in Rule 6M-8.900, F.A.C. A SIS provider must receive a fully executed copy of Form OEL-VPK 20S from the coalition prior to rendering VPK SIS to any student.

(c) SIS providers which do not submit a completed Form OEL-VPK 02S, Part A, for a student and a completed Form OEL-VPK 20S shall not be eligible to receive reimbursement.

(5) Scheduling Services.

(a) The parent of a student shall schedule all SIS using Form OEL-VPK 02S, Part B, dated June 2014. The parent shall work with each selected SIS provider to complete the form, which must include all scheduled services from all selected SIS providers. If additional space is required to list all scheduled services, the parent may attach additional copies of Form OEL-VPK 02S, Part B.

(b) After scheduling all SIS on Form OEL-VPK 02S, Part B, the parent shall submit the completed form to the early learning coalition for review at least 10 business days prior to the first appointment scheduled.

(c) Within 5 business days of receipt, the early learning coalition shall review the Form OEL-VPK 02S, Part B, to determine whether projected reimbursement for the scheduled services exceed the student's available VPK funding, and to return a copy of the form to the parent and each selected SIS provider.

(d) If the scheduled services would exceed the student's available VPK funding, the coalition shall not authorize payment for that service, shall strike through that service on the Form OEL-VPK 02S, Part B, and include a comment on the form that full payment for the service is not authorized. The provider and the parent may still contract for the stricken services, but the coalition will not reimburse the provider in an amount greater than that approved on the Form OEL-VPK 02S, Part B.

(e) If the parent wishes to add appointments to an existing Form OEL-VPK 02S, Part B, which has already been reviewed by the early learning coalition, the parent shall coordinate with the applicable SIS provider to schedule additional services, which shall be added to the existing form. The parent shall resubmit the revised Form OEL-VPK 02S, Part B, to the coalition for review. The resubmittal and review process shall follow the process detailed in paragraphs (5)(b)-(c) above.

(f) Services not identified on the Form OEL-VPK 02S, Part B, as reviewed and authorized by the early learning coalition shall not be reimbursed.

(6) Determining Student’s Available Funding Amount.

(a) New enrollment. The cumulative total of services reimbursed for a child may not exceed the amount of the full-time equivalent (FTE) student established for each county in accordance with Section 1002.71(3), F.S. In the absence of a specific base student allocation for VPK SIS:

1. The VPK school-year FTE allocation shall be used for students whose parents select the school-year option in Item 8 of the completed Form OEL-VPK 02S, Part B. Services received under this allocation must occur between 14 calendar days before Labor Day and June 30th of the year the child is eligible for VPK.

2. The VPK summer FTE allocation shall be used for students whose parents select the summer option in Item 8 of the completed Form OEL-VPK 02S, Part B. Services received under this allocation must occur between May 1 and 15 calendar days before Labor Day of the year the child is eligible for kindergarten.

(b) Reenrollment for good cause. Notwithstanding the funding described in paragraph (a) above, if a student is reenrolled for good cause under Rule 6M-8.210, F.A.C., into the SIS program type from a school-year or summer program type, the funding available to the student shall be equal to the student’s FTE allocation for the program type in which the student was previously enrolled, minus any amount previously paid for such services rendered to the student.

(7) Provider Payment.

(a) To receive reimbursement for services rendered, a SIS provider shall obtain the parent’s initials and date on Form OEL-VPK 02S, Part B, certifying that services were rendered. Within 30 calendar days of providing services, the SIS provider shall submit the Form OEL-VPK 02S, Part B, with the parent’s certification to the coalition as an invoice or as an attachment to an invoice for reimbursement.

(b) A coalition shall reimburse SIS providers for SIS rendered to an eligible student as certified by the parent on the Form OEL-VPK 02S, Part B. The coalition shall not reimburse a SIS provider for costs other than specialized instruction, for example missed appointments, late fees, or interest. However, a SIS provider must provide the parent with its policy for

missed appointments, including late arrivals, in writing and may then follow its normal business practices regarding charges for missed appointments or late arrivals. A coalition shall reimburse the SIS provider in the calendar month following the month in which an invoice for reimbursement is received by the coalition.

(c) SIS providers shall not invoice coalitions for services which have been paid for by other sources. If an SIS provider retains SIS funds for services paid for by other sources, the provider shall be subject to any available penalty at law, which may include, but is not limited to, referral for fraud investigation.

(d) An early learning coalition’s total payment on behalf of a student enrolled under this rule shall not exceed the student’s FTE established in accordance with Section 1002.71(3), F.S. If the student receives services through multiple SIS providers, the funding shall be distributed to the SIS providers in accordance with the schedule of services established on the Form OEL-VPK 02S, Part B. In accordance with paragraph (5)(d) above, if the cost of services rendered to a student exceeds the amount of funding available through the VPK program, those services shall not be part of the VPK program.

(8) Reenrollment. Being enrolled under this rule constitutes an enrollment for the purposes of Rule 6M-8.201, F.A.C. However, changing SIS providers while enrolled in the specialized instructional services program type does not constitute a reenrollment under Rule 6M-8.210, F.A.C. To re-enroll a student, the parent must comply with the terms of Rule 6M-8.210, F.A.C.

PURPOSE AND EFFECT: Each early learning coalition is statutorily required to adopt an anti-fraud plan. This plan must

be approved by the Office of Early Learning. The Office of Early Learning is statutorily required to establish criteria for the anti-fraud plan. This rule sets forth the criteria for these anti-fraud plans.

SUMMARY: The rule establishes the approval process that an early learning coalition must follow when submitting their anti-fraud plan to the Office of Early Learning, the criteria that the anti-fraud plan will be reviewed by, and a due process requirement for recipients of benefits under the School Readiness or Voluntary Prekindergarten Education program.

**SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:**

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: this rule affects the early learning coalitions that are reimbursed for the services that they provide. 6M-9.400 Early Learning Coalition Anti-Fraud Plans.

(1) Definitions. As used in this rule,

(a) "Recipient" is the parent or legal guardian whose child was determined eligible for School Readiness or Voluntary Prekindergarten Education Program benefits.

(b) "Fraud" is an intentional deception, omission, or misrepresentation made by a person with knowledge that the deception, omission, or misrepresentation may result in unauthorized benefit to that person or another person, or any aiding and abetting of the commission of such an act. The term includes any act that constitutes fraud under applicable federal or state law.

(2) Anti-fraud plan approval. Each early learning coalition (coalition) shall adopt an anti-fraud plan addressing the detection and prevention of overpayments, abuse, and fraud relating to the provision of and payment for School Readiness program and Voluntary Prekindergarten Education Program services and submit the plan to the office for approval. The anti-fraud plan must be approved by the coalition board prior to submission to the Office of Early Learning. The plan must be sent to the Office of Early Learning's Office of Inspector General no later than June 30 of each year. Submission may be electronic or through the mail. The Office of Early Learning will process the plan no later than September 1 of each year and shall notify the coalition in writing of approval or disapproval and the reasons for disapproval. If disapproved, a corrected plan shall be submitted no later than November 1 of each year.

(3) Criteria for approval of anti-fraud plan. Each coalition's anti-fraud plan shall include, at a minimum:

(a) A description or chart outlining the organizational structure of the plan's personnel who are responsible for the investigation and reporting of possible overpayment, abuse, or fraud. This shall include the name and contact information of the primary coalition position responsible for implementing the early learning coalition's anti-fraud activities.

(b) A description of the plan's procedures for detecting and investigating possible acts of fraud, abuse, or overpayment. This shall include, but not be limited to, a review of data quality reports generated from the Office of Early Learning, documented verification of child care referrals from other organizations, a process for monthly reporting to the Office of Early Learning the recipients and providers terminated for fraud, and a description of any fraud hotlines in place and how this information is shared with parents, providers, employees and the public.

(c) A description of the plan's procedures for the mandatory reporting of possible abuse or fraud, including the possible overpayment associated with the abuse or fraud, to the Office of Early Learning's Office of Inspector General. This shall include the name and contact information of the coalition position serving as the coalition administrator for the Office of Early Learning Fraud Referral System.

(d) A description of the plan's program and procedures for education and training personnel on how to detect and prevent fraud, abuse, and overpayment including an annual self-

assessment of the coalition's internal controls, policies and procedures.

(e) A description of the plan's procedures, including the appropriate due process provisions for suspending or terminating from the School Readiness program or the Voluntary Prekindergarten Education Program a recipient who the coalition concludes has committed fraud. Due process provisions must include all elements set forth in subsection (4) below.

(4) Due process requirements for recipients. The early learning coalition anti-fraud plan shall include, at a minimum, the following elements establishing due process:

(a) A clear policy of the right of the recipient to appeal suspension or termination of benefits based on information that leads the coalition to conclude that School Readiness or Voluntary Prekindergarten Education program benefits have been obtained or used fraudulently.

(b) The coalition shall provide written advance notice of the intended action to suspend or terminate benefits to the recipient to be affected and it must clearly advise of the allegations, the basis of the allegations, the intended action and the date the action is to be imposed. The coalition shall send the written advance notice at least thirty (30) calendar days before the intended action. The written advance notice should be translated into the recipient's native language if the coalition's other communications with the recipient have been translated. The written advance notice shall include following:

1. The procedure for the recipient to follow to attempt to appeal the decision.

2. A statement, in bold print, that the failure to file a timely appeal waives the right to an appeal.

3. Notice of the potential for repayment of improper benefits if the conclusion of fraud is upheld, including any benefits received after the receipt of the written advance notice.

4. The procedure for the recipient to obtain a copy of his or her file.

5. The length of time for which the recipient's benefits are suspended or the date of the termination of benefits. This length of time shall be proportionate to the alleged offense committed, consistent with suspensions or terminations issued to other recipients who allegedly committed comparable offenses, and may also consider prior offenses, as appropriate.

(c) If the recipient believes that the conclusion of fraud was made in error, the recipient should first seek to resolve the matter by contacting the coalition and providing the necessary documentation to resolve the issue. The executive director of the coalition shall not be involved in the pre-appeal resolution of the issue.

(d) If the recipient believes that the issue was not resolved by the coalition, the recipient may file a formal written appeal for review by the executive director of the coalition, using the following procedure:

1. Submit a written appeal to the executive director. The appeal must fully describe the nature of the error the recipient believes has been made and shall contain any documentation which supports the recipient's claim.

2. The appeal shall be postmarked or emailed before the date of the intended action. The recipient who fails to file a timely appeal waives the right of appeal.

3. If the recipient files a timely appeal, he or she will not be suspended or terminated from the program until the written decision of the executive director or the original date of the intended action, whichever is later.

4. The executive director of the coalition must respond to the recipient, in writing, within thirty (30) days of receiving the appeal with a decision as to whether the suspension or termination will be upheld or modified.

5. The recipient who wishes to appeal the decision of the executive director of the coalition may request further review by an appeals committee in accordance with subsection (e) of this rule. The request for further review by an appeals committee must be submitted to the coalition in writing within ten (10) calendar days of the date of the executive director's written response to the recipient's formal written appeal.

(e) The recipient shall be given the opportunity to defend his or her position in an orderly proceeding of the appeals committee. When the meeting of the appeals committee is scheduled, the recipient shall be notified of the date of the appeals committee, informed that it is a public meeting, and informed that any information presented may be used by other state agencies.

1. The appeals committee shall be selected by the Chairman of the Board of the coalition and a chair of the appeals committee shall be named.

2. The appeals committee shall be convened within forty-five (45) calendar days of receipt of the recipient's request for an appeal.

3. The recipient shall be provided up to thirty (30) minutes to present their position and any information they wish the appeals committee to consider.

4. The coalition staff, excluding the executive director, shall be available to provide any information requested by the committee.

5. The appeals committee will consider all statements, review all documents and may request any additional evidence or information from the parties if an appeals committee member

believes it is necessary and relevant to the decision making. The required final determination letter will be tolled for the length of time given to provide the additional information.

5. The appeals committee shall selected or appoint a member of the coalition, excluding the executive director the coalition, to memorialize the events of the appeals committee proceeding and the final determination including the basis for the decision.

6. The appellant shall be notified in writing of the appeals committee's determination within ten (10) days of the date of the meeting.

7. The determination of the appeals committee shall be final.

(5) The due process procedures for providers will be provided for in the contract between the coalition and the provider, pursuant to Rule 6M-4.610, F.A.C.

RULE NO.: 64B8-1.007  
RULE TITLE: List of Approved Forms; Incorporation  
PURPOSE AND EFFECT: The proposed rule amendment is intended to incorporate the streamlined application form into the Board's forms rule.

SUMMARY: The proposed rule amendment incorporates the streamlined application form into the Board's forms rule.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that because the form

in question is being streamlined and requiring the disclosure of less information and requiring less documentation, this rule change will actually lessen any impact on licensees and their businesses or the business that employ them. The streamlining of this rule will not increase any fees, business costs, personnel costs, will not decrease profit opportunities, will not require any specialized knowledge to comply, but will decrease the time and effort to apply for a license pursuant to this rule. This change will also ultimately decrease any direct or indirect regulatory costs. Hence, the Board determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.
