DEPARTMENT OF AGRICULTURE AND CONSUMER SERVICES

Division of Animal Industry

RULE NO.: 5C-30.003 RULE TITLE: Penalties

PURPOSE AND EFFECT: The Purpose of the rule is to improve the department’s ability to trace cattle and bison in the event of an animal disease emergency. The proposed rule updates the current rule to add additional penalties for violations of the new requirements for tagging, with official individual identification, unidentified non-exempt cattle and bison that are purchased at a livestock market.

SUMMARY: Penalties for violations of the requirements for Official Individual Identification of Non-exempt cattle and bison purchased at livestock markets.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS (SERC) AND LEGISLATIVE RATIFICATION: The Agency has determined that this rule will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the agency. The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or, if no SERC is required, the information expressly relied upon and described

herein: The Department’s economic analysis of the adverse impact or potential regulatory costs of the proposed rule did not exceed any of the criteria established in Section 120.541(2)(a), Florida Statutes. The Department determined that the implementation of this rule, which provides for penalties for non-compliance, does not impose an economic cost to the industry. Additionally, no interested party submitted additional information regarding the economic impact.

Any person who wishes to provide information regarding the statement of estimated regulatory costs or to provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

PURPOSE AND EFFECT: The proposed rule is being developed to improve the state’s ability to trace cattle and bison in the event of an animal disease emergency. This rulemaking revises the current rules to provide additional definitions, reporting procedures, and forms to revise the requirements for tagging, with official individual identification, unidentified non-exempt cattle and bison that are purchased at a livestock market. This rule provides greater flexibility to approved livestock facilities, sellers and purchasers of cattle at these facilities in achieving compliance with official identification requirements.

SUMMARY: By providing additional definitions, reporting procedures, and forms to revise the requirements for tagging, with official individual identification, unidentified non-exempt cattle and bison that are purchased at a livestock market, the proposed amendments to Rule Chapter 5C-31, F.A.C., will allow eligible untagged cattle and bison, moving through an approved livestock market, to be tagged by or on behalf of the purchaser. This will improve the department's ability to trace cattle and bison in the event of an animal disease emergency.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS (SERC) AND LEGISLATIVE RATIFICATION: The Agency has determined that this rule will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the agency. The department developed the proposed rule in response to the Florida Livestock Market Association's request to revise the current rule to require Purchasers of unidentified cattle at livestock markets to be responsible for tagging the cattle due to animal welfare and other concerns. The current rule requires livestock markets acting as tagging sites to submit a form to the department and the proposed rule revises this form to conform with the revised requirements without imposing any additional costs. The department estimates that the proposed rule will not substantially increase costs to the industry because the two new forms required by the proposed rule will be used in limited instances when purchasers of unidentified cattle choose to tag their cattle as opposed to requesting that the livestock market tag the cattle for a fee. One form will be completed by the livestock markets and the other will be completed by the Purchaser of the unidentified cattle. Both forms must be submitted to the department to ensure tractability of the unidentified cattle. The remaining revisions in the proposed rules do not impose any new costs to the industry, but the proposed rule does shift a small economic cost from the seller to the purchaser of unidentified cattle at livestock markets. This cost was considered in the initial rulemaking and was found to be below the economic thresholds. Additionally, no interested party submitted additional information regarding the economic impact.

Any person who wishes to provide information regarding the statement of estimated regulatory costs or to provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

11B-35.0011 Basic Abilities Test Requirements for Applicant Admission into a Law Enforcement and Correctional Basic Recruit Training Program

NOTICE IS HEREBY GIVEN that on June 9, 2014, the Criminal Justice Standards and Training Commission, received a petition for a permanent waiver of paragraph 11B-35.0011(1)(h), F.A.C., from the Florida Department of Corrections (DoC) on behalf of Louis Fabien. The Petitioner wishes to waive that portion of the rule that states a Basic Abilities Test (BAT) score is only good for four years from the date of the test. The Petitioner stated that Fabien passed the BAT 1/20/10 and was hired as a TEA three days prior to the expiry of the BAT score. Fabien started the academy April 21, 2014, nearly four months after the BAT had expired. Fabien took and passed the BAT again on June 2, 2014. Fabien is scheduled to graduate July 8, 2014, and to take the SOCE by late July, however he cannot because he did not have a valid BAT when he commenced the academy.

Petitioner states that the application of the rule violates the principles of fairness in Fabien’s situation because the BAT is to show fitness to enter basic, and Fabien has nearly passed basic. Petitioner states that Fabien and Petitioner suffer economic hardship under the rule as it is applied because Fabien will not obtain the status and pay change that goes with passing the SOCE and Petitioner will not gain another fully certified C.O. Petitioner states that the underlying statute has already been fulfilled because Fabien is passing basic recruit training.

A copy of the Petition for Variance or Waiver may be obtained by contacting: Grace A. Jaye, Assistant General Counsel, Florida Department of Law Enforcement, P. O. Box 1489, Tallahassee, FL 32302 or by telephone: (850)410-7676.

11B-35.0011 Basic Abilities Test Requirements for Applicant Admission into a Law Enforcement and Correctional Basic Recruit Training Program

NOTICE IS HEREBY GIVEN that on June 9, 2014, the Criminal Justice Standards and Training Commission received a petition for a permanent waiver of paragraph 11B-35.0011(1)(h), F.A.C., from the Florida Department of Corrections (DoC) on behalf of Brett Goodlett. The Petitioner wishes to waive that portion of the rule that states a Basic Abilities Test (BAT) score is only good for four years from the date of the test. The Petitioner stated that Goodlett passed the BAT before his first hire date of December 3, 2010, but that he was terminated from employment because of budget issues on June 1, 2011. Petitioner states that Goodlett was rehired as a TEA on January 1, 2014, following a successful rule waiver permitting rehire prior to four years. Goodlett was rehired with an expired BAT score. He did not retake the BAT prior to beginning the academy. Goodlett did take and pass the BAT July 2, 2014, after beginning the academy. Goodlett is currently in the academy and scheduled to graduate in early July. He would normally be scheduled to take the State Officer Certification Examination in late July, but he can go no further in the certification process because of the expired original BAT. Petitioner states that the application of the rule violates the principles of fairness in Goodlett’s situation because the BAT is to show fitness to enter basic, and Goodlett has nearly passed basic. Petitioner states that Goodlett and Petitioner suffer economic hardship under the rule as it is applied because Goodlett will not obtain the status and pay change that goes with passing the SOCE and Petitioner will not gain another fully certified C.O. Petitioner states that the underlying statute has already been fulfilled because Goodlett is passing basic recruit training.

DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION
Division of Alcoholic Beverages and Tobacco
The Department of Business and Professional Regulation, Division of Alcoholic Beverages and Tobacco, State of Florida hereby gives notice:

On February, 25, 2014, the Petitioner, Rollo's Liquor's requested a Rule Waiver of Florida Statute 565.04. The Petitioner petitions to sell the following items: mouthwash, aspirin, Bayer, Advil, Tylenol, Aleve, Alka-Seltzer, Goody's, Claritin, Midol, Halls, Playboy, Penthouse, XXX magazines, and any other over the counter items that are permitted to be sold in any gas station. The Petitioner expressed substantial hardship under section 2 of the statute not allowing the continued sale of the above items would "violate principles of fairness" since their area competition is allowed to sell the listed items and more. The department published the notice of receipt of the Petition with Florida Administrative Register on 3/05/2014, Vol. 40, No. 44.

On June 12, 2014, the Division filed an Order denying Petitioner's Petition for Waiver of Rule 61A-3.054, F.A.C. As interpreted by the Division, the Petitioner fails to adequately allege or show how the product proposed to be sold are party-type supplies within the meaning of Section 564.01, F.S. As such, Petitioner fails to show how a variance would allow the underlying purpose of the Section 565.01, F.S., to be served a requirement under Section 120.542(2), F.S., or how such variance supporting the proposed arrangement is subject to Rule 61A-3.054, F.A.C. Furthermore, pursuant to variance requirements set forth by Section 120.542(2), F.S., Petitioner fails to demonstrate how it would incur substantial hardship. Petitioner adequately alleges that it undergoes the hardship normally resulting from owning a business, but fails to allege, demonstrate "substantial hardship" as required by subsection 120.542(2), F.A.C.

A copy of the Order or additional information may be obtained by contacting: Joy.Cottrell@myfloridalicense.com, Department of Business and Professional Regulation, Division of Alcoholic Beverages and Tobacco, 1940 North Monroe Street, Tallahassee, Florida 32399-1020.

Notice of Petitions and Dispositions Regarding Declaratory Statements

DEPARTMENT OF AGRICULTURE AND CONSUMER SERVICES

Division of Licensing

Notice is hereby given that on June 11, 2014, the Division of Licensing received a petition for declaratory statement from JTDA Group, Inc., and Eduardo Wolmers. The petition seeks a declaration regarding subsections 493.6101(22), 493.6120(1), and paragraph 493.6118(1)(n), Florida Statutes.

The Petitioner seeks to enter into a contract for recovery services with several third party repossession management firms that are not licensed in the State of Florida, and wants to know whether subsections 493.6101(22), 493.6120(1), and paragraph 493.6118(1)(n), Florida Statutes, or other provision within Chapter 493, prohibit engaging in the contract.

Per Rule 28-105.0027, Florida Administrative Code, except for good cause shown, petitions to intervene must be filed within 21 days of publication of this notice.

A copy of the Petition may be obtained by contacting Whitney Shiver, Government Analyst I, Post Office Box 5647, Tallahassee, Florida 32314 or by e-mail: Whitney.Shiver@FreshFromFlorida.com or by telephone: (850)245-5459.

DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION

Division of Alcoholic Beverages and Tobacco

NOTICE IS HEREBY GIVEN that Division of Alcoholic Beverages and Tobacco, Department of Business and

Professional Regulation, State of Florida, has declined to rule on the petition for declaratory statement filed by Petitioner, Jeffrey M. Borysiewicz DS 2014-004 on January 17, 2014. The following is a summary of the agency's declination of the petition:

The Petitioner, Jeffrey Borysiewicz seeks the agency opinion as to the applicability of Florida Statutes Sections 561.22, 561.42, and 565.03 to Petitioner's particular set of circumstances. The Petitioner is a minority owned business entity structured as either a limited liability corporation (LLC) or another corporate form that has ownership interests divided among different investors ("Corporate Entity"). Corporate Entity is planning on owning and operating a Craft Distillery in the State of Florida. Corporate Entity is substantially affected by Florida Statutes Sections 561.22 and 561.45, as to whether Petitioner's position at Corona Cigars prevents Petitioner from maintaining an ownership interest in Corporate Entity. The department published the notice of receipt of the Petition with Florida Administrative Register on 1/28/2014, Vol. 40, No. 18. On June 12, 2014, the Division filed an Order declining to answer Petitioner's Petition based upon the facts described in the Petition and the particular factual assertions described therein. Petitioner, Jeffrey Borysiewicz proposed business operations would be directly engaged in the sale of alcoholic beverage in the State of Florida while also maintaining an ownership interest in an alcohol beverage manufacturing business. These proposed business operations would violate Sections 561.42 and 561.22, Florida Statutes, because they would require the Petitioner to hold a direct financial interest on both an alcoholic beverage vending license and an alcoholic beverage manufacturing license, conduct while the aforementioned statute expressly prohibit.

A copy of the Order Declining of the Petition for Declaratory Statement may be obtained by contacting: Joy.Cottrell@myfloridalicense.com, Department of Business and Professional Regulation, Division of Alcoholic Beverages and Tobacco, 1940 North Monroe Street, Tallahassee, Florida 32399-1020.

116. on December 11, 2013. The following is a summary of the agency’s disposition of the petition:

The Petitioner, Michael Yourison, Buonafide Foods LLC, is seeking the Division’s interpretation in regards to requirements for designated principal office location and record storage for wine importing and distribution business pursuant of Florida Statute 561.41. The Petitioner expresses substantial hardships as to whether or not the license facility meets the requirements for Florida Statute 561.41. The department published the notice of receipt of the Petition with Florida Administrative Register on 2/28/2014, Vol. 40, No. 41. On June 12, 2014, the Division filed an Order hereby denying Petitioner’s Petition based upon the facts described in the Petition and the particular factual assertions described therein. All of the facts presented in the Petition were duly considered and form the basis for this Order. Petitioner, Michael Yourison, Buonafide Foods LLC, is currently operating under the proposed specifications. A Declaratory Statement is not the appropriate means to determine the lawfulness of Petitioner’s current business operation. Accordingly, this conclusion has no application in the event that the factual circumstances and/or relationships among the entities described herein are incorrect or change.

A copy of the Order Disposing of the Petition for Declaratory Statement may be obtained by contacting: Joy.Cottrell@myfloridalicense.com, Department of Business and Professional Regulation, Division of Alcoholic Beverages and Tobacco, 1940 North Monroe Street, Tallahassee, Florida 32399-1020.
