Net bed need projections for adult and children and adolescent psychiatric and adult substance abuse hospital beds have been adjusted according to occupancy rate thresholds as prescribed by the above-mentioned rules. Letters of intent to apply for Certificates of Need pursuant to this notice must be filed with the Certificate of Need Program Office, Building 3, Room 1136 MS #28, 2727 Mahan Drive, Tallahassee, Florida 32308, on or before 5:00 p.m., August 4, 2014.

Any person who identifies an error in the fixed need pool numbers must advise the agency of the error within ten (10) days of publication of the number. If the agency concurs with the error, the fixed need pool number will be adjusted and republished in the first available edition of the Florida Administrative Register. Failure to notify the agency of the error during this ten-day time period will result in no adjustment to the fixed need pool number for this cycle and a waiver of the person's right to raise the error at subsequent proceedings. Any other adjustments will be made in the first cycle subsequent to identification of the error including those errors identified through administrative hearings or final judicial review.

Any person whose substantial interest is affected by this action and who timely advised the agency of any error in the action has a right to request an administrative hearing pursuant to Section 120.57, Florida Statutes.
