WATER MANAGEMENT DISTRICTS

Southwest Florida Water Management District

RULE NOS.:	RULE TITLES:
40D-1.002	Delegation of Authority
40D-1.1021	Emergency Authorizations for Activities Regulated Under Part IV of Chapter 373, F.S.
40D-1.602	Permits Required
40D-1.603	Permit Application Procedures
40D-1.6051	Timeframe for Providing Requested Information for Permit Applications and Denial of Incomplete Applications
40D-1.6105	Limiting Conditions
40D-1.659	Forms and Instructions

PURPOSE AND EFFECT: The purpose and effect of these amendments to the District's procedural rules is to make clear that environmental resource permits (ERPs) and other authorizations issued pursuant to the Statewide Environmental Resource Permit Rules, Chapter 62-330, F.A.C., are processed in accordance with those rules, and that the various provisions of Chapter 40D-1, F.A.C., that address ERPs and related authorizations are applicable only to permits and authorizations issued prior to October 1, 2013, or grandfathered projects.

SUMMARY: The Statewide Environmental Resource Permitting (SWERP) rules required pursuant to Section 373.4131, F.S., have been adopted by the Department of Environmental Protection (DEP) and are implemented by DEP and the state's five water management districts. These rules are set forth in Chapter 62-330, F.A.C., and the related Environmental Resource Permit (ERP) Applicant's Handbook Volumes I and II. The SWERP rules contain specific provisions for the processing of permit applications, requests for determination of qualification for exemption, notices of intent to use a general permit and other related authorizations and regulatory determinations. District Rule Chapter 40D-1, F.A.C., contains the District's procedural rules which include procedures for accepting and reviewing all permit applications, notices and exemption requests and other authorizations and for issuing permits, authorizations and agency determinations concerning all regulatory programs administered by the District. Certain provisions of Chapter 40D-1, F.A.C., relating to ERP actions are now superseded by the administrative and processing provisions set forth in the SWERP rules, except for grandfathered permits and projects as defined in Section 373.4131(4), F.S. Amendments are proposed to make clear that the District's ERP processing provisions set forth in Chapter 40D-1, F.A.C., are reserved for grandfathered ERPs and projects, and do not apply to permit applications and other regulatory authorizations and determinations administered pursuant to the SWERP rules. Some additional correcting amendments are also being proposed at this time.

Specifically, Rule 40D-1.002(1), F.A.C., is amended to clarify that delegation to District staff to act on applications to use state-owned lands is applicable to SWERP and grandfathered ERPs. Rule 40D-1.1021, F.A.C., is entirely superseded by the SWERP rules and is repealed. Rule 40D-1.602(3), F.A.C., is amended to state that a permit issued under Chapter 62-330, F.A.C., or if grandfathered activity, then under 40D-4 or 40D-40, F.A.C., is required prior to undertaking activities regulated under Part IV of Chapter 373, F.S. Rule 40D-1.603, F.A.C., is amended to state that authorizations issued pursuant to Chapter 62-330, F.A.C., will be processed under those rules and to eliminate eminent domain noticing, which is not done by any other water management district. Corrections to the format specified for notices of District receipt of applications are also made. Rule 40D-1.6051, F.A.C., is amended to clarify that the timeframes for processing applications set forth in the rule do not apply to SWERP applications and notices. Rules 40D-1.6105 and 1.659, F.A.C., are amended to specify that District ERP-related forms are only for use with grandfathered projects. SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: There are no costs to the regulated public as a result of the proposed amendments. Therefore, this rulemaking will not result in any adverse economic impacts or regulatory cost increases that require legislative ratification.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

Florida Mobile Home Relocation Corporation

RULE NO.: RULE TITLE:

61M-1.002 Claims Procedures

PURPOSE AND EFFECT: The purpose and effect of the rule amendment to Rule 61M-1.002, F.A.C., (Claims Procedures) is to designate a specific timeframe within which installers and mobile home owners must redeem vouchers received from the Florida Mobile Home Relocation Corporation. Currently, there is no specific timeframe or deadline and, as such, the Florida Mobile Home Relocation Corporation must track and budget for all unredeemed vouchers in perpetuity. The addition of a specific timeframe within which vouchers must be redeemed will allow the Florida Mobile Home Relocation Corporation to better measure its future financial obligations.

The Florida Mobile Home Relocation Corporation is also revising FORMS 1001, 1002, 1003, 1004, 1005, 1006, 1007, 1008, 1009, and 1010. The purpose and effect of the form revisions is as follows: (1) to obtain additional information from applicants; (2) to correct a clerical error on FORM 1001 which conflicts with Rule 61M-1.002 (Claims Procedures) by giving applicants the option of submitting a signed contract with an installer with their application for relocation expenses; (3) to revise FORMS 1003 and 1004 to give additional notice to installers and mobile home owners that vouchers must be redeemed within a specific timeframe; and (4) to make other minor grammatical changes and revisions for clarity.

SUMMARY: Rule 61M-1.002, F.A.C., addresses the Claims Procedures applicable to the Florida Mobile Home Relocation Corporation. The Florida Mobile Home Relocation Corporation currently issues vouchers to installers and mobile home owners which can be redeemed for payment. As currently written, Rule 61M-1.002, F.A.C., does not expressly contain any deadline for installers and mobile home owners to redeem vouchers for payment. As such, the Florida Mobile Home Relocation Corporation must track and budget for all unredeemed vouchers in perpetuity. The Florida Mobile Home Relocation Corporation proposes to revise Rule 61M-1.002, F.A.C. to establish a deadline for installers and mobile home owners to redeem vouchers so that the Florida Mobile Home Relocation Corporation can better measure its future financial obligations.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION: The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

IF REQUESTED WITHIN 21 DAYS OF THE DATE OF THIS NOTICE, A HEARING WILL BE SCHEDULED AND ANNOUNCED IN THE FAR.

Pursuant to the provisions of the Americans with Disabilities Act, any person requiring special accommodations to participate in this workshop/meeting is asked to advise the agency at least 5 days before the workshop/meeting by contacting: Vicky Krentz, Executive Director at 1(888)862-7010 or vicky@fmhrc.org. The title certificate must bear the Department of Highway Safety and Motor Vehicles designation of "HS" which designates the home as a "mobile home." No other designation on the title will be accepted for processing and approval for relocation expenses. Any application received that does not contain complete information and all of the required documentation shall be returned by the Corporation to the applicant along with a notice of the deficiencies in the application. Only completed applications will receive a date stamp. In the event the applicant resubmits the application with the required documentation, the application will then receive a date stamp assigning its priority.

Applicants for payment under this section shall also submit an Acknowledgement of Non-Participation in Litigation and Acknowledgement of Non-Acceptance of Compensation from Park Owner, FMHRC Form 1008, (Revised March 25, 2008) incorporated herein by reference. (3) The Corporation must approve payment within 45 days after receipt of the completed relocation application, or payment is deemed approved. Once the mobile home has been moved to its new location, the Corporation shall forward to the park owner notice of the approval along with an invoice for payment of \$2,750 for a single-section mobile home or \$3,750 for a multi-section mobile home. If the applicant's application was approved prior to June 26, 2003, the Corporation will invoice the park owner for payment of \$2,000 for a single-section mobile home or \$2,500 for a multi-section mobile home.

The amount of the voucher shall be as approved by the board of the Corporation and as set forth in Section 723.0612(1), F.S. The Corporation will mail the voucher to the applicant via-U.S. mail. The applicant shall have one (1) year from the date of the voucher to redeem it. The applicant may redeem the voucher upon submitting proof of the relocation of the mobile home in the form of a receipt or invoice marked "paid" by the installer. 64B17-3.003 Licensure by Endorsement.

PURPOSE AND EFFECT: To update incorporated application Form DH-MQA 1142 to the August 2014 revision and update the Board's website address.

SUMMARY: Change revision date of Application for Licensure and update the Board's website address.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COST AND LEGISLATIVE RATIFICATION: The agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the agency. The agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of these rules at its Board meeting, the Board considered that the amendments incorporate a revised version of the existing application form. The revisions do not add additional requirements and will have, at most, a small impact on existing requirements and procedures; therefore, the amendments appear to have little or no economic impact. Accordingly, the Board does not believe a SERC is necessary nor will the amendments require legislative ratification. No

person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

PURPOSE AND EFFECT: To update incorporated application Form DH-MQA 1142 to the August 2014 revision and update the Board's website address; additionally for Rule 64B17-4.001, F.A.C., to clarify education requirements.

**Section VII
Notice of Petitions and Dispositions
Regarding Declaratory Statements**

DEPARTMENT OF FINANCIAL SERVICES

Division of State Fire Marshal

NOTICE IS HEREBY GIVEN that the Department of Financial Services has issued an order disposing of the petition for declaratory statement filed by John J. Cunningham, Fire Marshal, Canaveral Fire Rescue on July 3, 2014. The following is a summary of the agency's disposition of the petition:

The Notice of Petition for Declaratory Statement was published July 9, 2014, in Vol. 40, No. 132 of the Florida Administrative Register. Canaveral Fire Rescue sought a determination by the Department as to whether a structure is in compliance with Section 16-2.4.1 and Section 16-2.6.2 of the Life Safety Code®, 1985 Edition – the version of the Life Safety Code in effect at the time the building permit was issued. The Petition was answered in the negative. While the travel distance between the doors of the sleeping area and the corridor door meets the specifications set forth in the Life Safety Code, the intent of the 1985 Life Safety Code, as well as the current edition, is that sleeping areas, if separated from the living areas, have two means of escape.

A copy of the Order Disposing of the Petition for Declaratory Statement may be obtained by contacting: Colleen N. Wertz Rio, Senior Attorney, Department of Financial Services, 200 E.

Gaines Street, Tallahassee, Florida 32399-0333, or by e-mail at colleen.rio@myfloridacfo.com.
