DEPARTMENT OF ENVIRONMENTAL PROTECTION

RULE NOS.: RULE TITLES:

62-210.200 Definitions
 62-210.370 Emissions Computation and Reporting
 62-210.900 Forms and Instructions

PURPOSE AND EFFECT: The purpose of the proposed rule amendments (OGC No. 13-1429) is to amend the above listed rules in Chapter 62-210, F.A.C., to make clarifications and technical corrections to recent rule amendments.

SUMMARY: The Department intends to modify the definition of Acid Mist to conform to the purpose of EPA test method 8. In addition, the title of the referenced federal appendix in subsection 62-210.200(1), F.A.C., is to be changed from “Appendix A” to “Appendix A-4”; and the language in paragraph 62-210.370(3)(c), F.A.C., will be revised to make it clear that a Title V source may claim that using the DEP’s electronic annual operating report software is a technical or financial hardship simply by submitting DEP Form No. 62-210.900(5) to the DEP Division of Air Resource Management instead of using the reporting software. This clarification will also be made in the corresponding instructions to DEP Form No. 62-210.900(5) Annual Operating Report for Air Pollutant Emitting Facility [Including Title V Source Emissions Fee Calculation]. Several non-substantive changes will also be made to DEP Form No. 62-210.900(5).

EFFECT ON THOSE OTHER RULES: There will be no effect on other rules.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION: The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: The Department determined that the amendments to these rules are necessary to clarify regulations related to air emission and will not increase regulatory costs for any entity.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

The Florida Department of Business and Professional Regulation, Division of Hotels and Restaurants hereby gives notice:

On April 24, 2014 the Division of Hotels and Restaurants received a Petition for an Emergency Variance for Subparagraph 3-305.11(A)(2), 2009 FDA Food Code, Section 3-305.14, 2009 FDA Food Code, Section 6-202.15, 2009 FDA Food Code, Section 6-202.16, 2009 FDA Food Code, subsection 61C-4.010(1), Florida Administrative Code, and subsection 61C-4.010(6), Florida Administrative Code, from Hernandez Taco Express MFDV located in Hialeah. The Petition for this variance was published in Vol. 40, No. 82 on April 28, 2014. The Order for this Petition was signed and approved on May 7, 2014. After a complete review of the variance request, the Division finds that the application of this Rule will create a financial hardship to the food service establishment. Furthermore, the Division finds that the Petitioner meets the burden of demonstrating that the underlying statute has been achieved by the Petitioner ensuring that each pan within the steam table is properly covered with an individual lid; the steam table is enclosed within a cabinet with tight-fitting doors, and is protected by an air curtain installed and operated according to the manufacturer's specifications that protects against flying vermin or other environmental contaminants; all steam table foods must be properly reheated for hot holding at approved commissaries and held hot at the proper minimum temperature per the parameters of the currently adopted FDA Food Code; and steam table food is to be dispensed by the operator with no customer self-service. The Petitioner shall also strictly adhere to the operating procedures and copies of the variance and operating procedures are to be present on the MFDV during all periods of operation.

A copy of the Order or additional information may be obtained by contacting Lydia.Gonzalez@myfloridalicense.com, Division of Hotels and Restaurants, 1940 North Monroe Street, Tallahassee, Florida 32399-1011.
