DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION

Drugs, Devices and Cosmetics

The Department of Business and Professional Regulation, Division of Drugs, Devices and Cosmetics hereby gives notice:

This is a correction to a notice published February 3, 2015, in Vol. 41, No. 22, F.A.R. The notice was published for Department of Health-Division of Family Health Services instead of Department of Business and Professional Regulation-Division of Drugs, Devices and Cosmetics.

That an order has been issued disposing of the petition for variance and waiver filed by Baptist Hospital, Inc., on October 31, 2014.

The following is a summary of the agency's disposition of the petition:

The petitioner is seeking a variance and waiver from the requirements of Rule 61N-1.023(2), F.A.C.

Granting the petition for variance/waiver would not remove the safety provisions of the Rule and would sufficiently protect the public.

Petitioner's request for a waiver from the limitation in Rule 61N-1.023(2), F.A.C., that prescription drug transfers are limited to those made to a facility under common control licensed with a pharmacy permit that authorizes the acquisition and possession of prescription drugs, is granted. Petitioner may transfer prescription drugs to its wholly-owned Physician Office Locations as described in the Petition.

A copy of the Order or additional information may be obtained by contacting Dinah Green at The Division of Drugs, Devices and Cosmetics, 1940 N. Monroe Street, Suite 26A, Tallahassee, FL 32399-1047, (850)717-1800.

Petitioner sought a waiver of Rule 64B19-11.005, F.A.C., which requires that "all applicants for licensure must complete at least 2,000 hours of post-doctoral experience under a supervisor whose supervision comports with subsection (3) of this rule."

The Board considered the Petition at a duly-noticed public meeting held on July 25, 2014, in Jacksonville, Florida.

The Board's Order, filed August 20, 2014, affirmed the Petition finding that same demonstrates that the purpose of the underlying statute has been or will be achieved and that application of the rule imposes a substantial hardship or violates principles of fairness.

A copy of the Order or additional information may be obtained by contacting: Allen Hall, Executive Director, Board of Psychology, 4052 Bald Cypress Way, Bin #C05, Tallahassee, Florida 32399-3255; (850)245-4373; <http://floridaspsychology.gov>.

**Section VII  
Notice of Petitions and Dispositions  
Regarding Declaratory Statements**

DEPARTMENT OF HEALTH

NOTICE IS HEREBY GIVEN that the Department of Health has received the petition for declaratory statement from John Rutherford, Sheriff of Duval County, Florida. The petition seeks the agency’s opinion as to the applicability of Section 401.465(2)(b), Florida Statutes, as it applies to the petitioner. The petitioner seeks an interpretation of the term “direct supervision” in Section 401.465(2)(b), Florida Statutes, as the term applies to a Public Safety Telecommunicator trainee.

A copy of the Petition for Declaratory Statement may be obtained by contacting: Wendy Parkinson, PST Program Manager, Department of Health, 4052 Bald Cypress Way, Bin # A 27, Tallahassee, Florida 32399, telephone number: (850)245-4517 or email: wendy.parkinson@flhealth.gov.

Board of Physical Therapy Practice

NOTICE IS HEREBY GIVEN that the Board of Physical Therapy Practice has issued an order disposing of the Petition for Declaratory Statement filed by Vivian Ybanez on behalf of I.A.C.E.S. on October 14, 2014. The Notice of Declaratory Statement was published on October 15, 2014, in Vol. 40, No. 201, of the Florida Administrative Register. Petitioner sought the Board’s interpretation of §486.081(1), F.S., and a Declaratory Statement listing all lawfully authorized examining boards based in the European Union; listing all lawfully authorized Physical Therapy examinations offered in the European Union; or identifying the steps I.A.C.E.S. would need to take such that its physical therapists could meet the requirements for licensure in Florida. The Board considered the Petition at a duly-noticed public meeting held on November 7, 2014, in Tampa, Florida.

The Board’s Order, filed December 3, 2014, declined issuance of the requested statement finding that Petitioner is not a “substantially affected person” as that term is used in §120.542, F.S., since neither she nor I.A.C.E.S. is currently licensed or seeking licensure as a physical therapist in Florida. The Board further finds that the Petitioner has failed to allege any facts and circumstances unique to Petitioner's particular circumstances.

A copy of the Order or additional information may be obtained by contacting: Allen Hall, Executive Director, Board of Physical Therapy Practice, 4052 Bald Cypress Way, Bin #C05, Tallahassee, Florida 32399-3255, (850)245-4373, <http://floridasphysicaltherapy.gov>.

### DEPARTMENT OF ENVIRONMENTAL PROTECTION

#### Notice of Intent to Grant Variance

The Department of Environmental Protection gives notice of its intent to grant a variance under Section 403.201, F.S., from the provisions of Section 403.717(3)(c), F.S., to the New River Solid Waste Association. The file has been assigned File No.13-1278. The variance will allow the New River Regional Landfill to dispose of whole waste tires as part of a research study on a technique to reuse whole waste tires at the landfill. The variance is being granted because the petitioner has demonstrated the variance is necessary to relieve or prevent hardship. The Department's file on this matter is available for public inspection during normal business hours, 8:00 a.m. to 5:00 p.m., Monday through Friday, except legal holidays, at the Department of Environmental Protection, Permitting and Compliance Assistance, 2600 Blair Stone Road, Tallahassee, FL 32399, telephone: (850)245-8785, email: Chad.Fetrow@dep.state.fl.us.

This action is final and effective on the date filed with the Clerk of the Department unless a petition for an administrative hearing is timely filed under Sections 120.569 and 120.57, F.S., before the deadline for filing a petition. On the filing of a timely and sufficient petition, this action will not be final and effective until further order of the Department. Because the administrative hearing process is designed to formulate final agency action, the hearing process may result in a modification of the agency action or even denial of the application.

A person whose substantial interests are affected by the Department's action may petition for an administrative proceeding (hearing) under Sections 120.569 and 120.57, F.S. Pursuant to Rule 28-106.201, F.A.C., a petition for an administrative hearing must contain the following information: (a) The name and address of each agency affected and each agency's file or identification number, if known; (b) The name, address, and telephone number of the petitioner; the name, address, and telephone number of the petitioner's representative, if any, which shall be the address for service purposes during the course of the proceeding; and an explanation of how the petitioner's substantial interests are or will be affected by the agency determination; (c) A statement of when and how the petitioner received notice of the agency decision; (d) A statement of all disputed issues of material fact. If there are none, the petition must so indicate; (e) A concise statement of the ultimate facts alleged, including the specific facts that the petitioner contends warrant reversal or modification of the agency's proposed action; (f) A statement of the specific rules or statutes that the petitioner contends require reversal or modification of the agency's proposed action, including an explanation of how the alleged facts relate to the specific rules or statutes; and (g) A statement

of the relief sought by the petitioner, stating precisely the action that the petitioner wishes the agency to take with respect to the agency’s proposed action.

The petition must be filed (received by the Clerk) in the Office of General Counsel of the Department at 3900 Commonwealth Boulevard, MS 35, Tallahassee, Florida 32399-3000. Also, a copy of the petition shall be mailed to the applicant at the address indicated above at the time of filing.

Petitions for an administrative hearing must be filed within 14 days of publication of the notice or within 14 days of receipt of the written notice, whichever occurs first. Under Section 120.60(3), F.S., however, any person who has asked the Department for notice of agency action may file a petition within 14 days of receipt of such notice, regardless of the date of publication. The failure to file a petition within the appropriate time period shall constitute a waiver of that person's right to request an administrative hearing under Sections 120.569 and 120.57, F.S., or to intervene in this proceeding and participate as a party to it. Any subsequent intervention (in a proceeding initiated by another party) will be only at the discretion of the presiding officer upon the filing of a motion in compliance with Rule 28-106.205, F.A.C.

Under subsection 62-110.106(4), F.A.C., a person whose substantial interests are affected by the Department’s action may also request an extension of time to file a petition for an administrative hearing. The Department may, for good cause shown, grant the request for an extension of time. Requests for extension of time must be filed with the Office of General Counsel of the Department at 3900 Commonwealth Boulevard, MS 35, Tallahassee, Florida 32399-3000, before the applicable deadline for filing a petition for an administrative hearing. A timely request for extension of time

shall toll the running of the time period for filing a petition until the request is acted upon.

Mediation is not available in this proceeding.

Once this decision becomes final, any party to this action has the right to seek judicial review pursuant to Section 120.68, F.S., by filing a Notice of Appeal pursuant to Rules 9.110 and 9.190, Florida Rules of Appellate Procedure, with the Clerk of the Department in the Office of General Counsel, 3900 Commonwealth Boulevard, MS 35, Tallahassee, Florida 32399-3000; and by filing a copy of the Notice of Appeal accompanied by the applicable filing fees with the appropriate District Court of Appeal. The Notice of Appeal must be filed within 30 days from the date this action is filed with the Clerk of the Department.
