RULE NO.:           RULE TITLE:  
64B8-10.003       Costs of Reproducing Medical Records  
                          NOTICE OF CHANGE

Notice is hereby give that the following changes have been made to the proposed rule in accordance with subparagraph 120.54(3)(d)1., F. S., published in Volume 39, No. 95, of the May 15, 2013, issue of the Florida Administrative Register.

The changes are in response to multiple public hearing held on this rule as follows: August 2, 2013; October 3, 2013; December 6, 2013; February 6, 2014; April 3, 2013; June 5, 2014; October 9, 2014; December 4, 2014; and February 6, 2015. At the nine (9) public hearings, the Rules Committee and the Board reviewed many written comments and heard oral testimony from many interested parties.

**SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COST AND LEGISLATIVE RATIFICATION:**

Additionally, at the December 4, 2014 public hearing, the Committee determined that a Statement of Estimated Regulatory Costs (SERC) should be prepared. At the Board’s meeting held on February 6, 2015, the Board voted to approve the SERC and to make additional changes the proposed rule. Prior to filing the Notice of Change, the Board received correspondence from the staff of the Joint Administrative Procedures Committee dated February 17, 2015, with regard to the SERC and inquiring as to whether the rule required legislative ratification. The Board held a telephone conference meeting on March 4, 2015, and based upon the written comments from the Joint Administrative Procedures Committee and discussion of the Board, the Board determined that the rule would indeed, require legislative ratification and that the SERC needed to be revised to state as such. The changes to the proposed rule are as follows:

1. The proposed subsection (3) of the rule shall read: (3) Reasonable costs of reproducing x-rays, and such other special kinds of records shall be the actual costs. The phrase “actual costs” means the cost of the material and supplies used to duplicate the record, as well as the labor costs and overhead costs associated with duplication, plus postage.

2. A new subsection (4) of the rule shall be added to read: (4) Accessing medical records through patient portals does not constitute the reproduction of medical records.

In addition to the changes set forth above, the Board voted to approve the SERC prepared by Board staff. The summary of the SERC is as follows: The rule sets forth a single fee of \$1.00 per page for the reproduction of medical records. According to the SERC, the proposed changes are likely to have an adverse impact in the excess of \$1million in the aggregate within 5 years. There will most likely be an increased costs to doing business in small laws firms that are defined as small businesses. As far as the impact on business competitiveness, the proposed rule may have an impact on the smaller law firms vs. the larger firms because smaller firms have less capital to recoup upfront costs. Individuals affected by the proposed rule are patients that request medical records from a physician’s office, when those records are in excess of 25 pages. The SERC estimates that the Department of Health, when investigating physicians in disciplinary cases will incur increased costs of approximately \$100,000 within 5 years after implementation of the rule. Attorneys in small law firms representing patients in civil suits may incur increased costs but the data is limited and many factors are unknown, making it difficult to estimate these increased costs. The SERC finds that it is likely that the proposed rule will have an adverse

impact on economic growth, private sector job creation or employment, or investment in excess of \$1 million in the aggregate within 5 years. Based upon the information contained in the SERC, the rule will require ratification by the Legislature.

THE PERSON TO BE CONTACTED REGARDING THE PROPOSED RULE IS: André Ourso, J.D., M.P.H., Executive Director, Board of Medicine, 4052 Bald Cypress Way, Bin #C03, Tallahassee, Florida 32399-3253. A copy of the SERC may be obtained by emailing your request to Andre.Ourso@flhealth.gov.

(5) If a young adult is unable to participate full-time in a program or activities listed in Section 39.6251(2)(a)-(d), F.S., due to a physical, intellectual, emotional, or psychiatric condition that limits participation, the young adult's case manager shall:

The transition plan must be completed at least 60 days prior to the young adult's 18<sup>th</sup> birthday, or as soon as possible for any young adult who enters licensed foster care after that date, and no later than the last judicial review hearing during the young adult's minority.

(b) All young adults with diagnosed disabilities or mental health needs shall be provided with an equal opportunity to participate in transition planning. A young adult with a diagnosed disability or mental health need may need additional support; therefore, the designated staff shall work in consultation with all of the young adult's service providers.

Upon receipt of the completed and signed form, the case manager shall:

1. Provide the young adult a copy of the completed form; and

2. Discuss with the young adult the options for enrollment in Aftercare or Postsecondary Education Services and Support (PESS).

(d) In the event the young adult refuses to participate in transition planning; fails to designate a qualifying activity; fails to live in an approved living arrangement; refuses to sign the transition plan after completion; or opts out of extended foster care, or the case manager determines that the young adult is ineligible due to the young adult's placement as a child other than in licensed foster care, the case manager shall provide a notice, "Notice of Discharge from Extended Foster Care," CF-FSP 5376, May 2014, which is hereby incorporated by reference and available at [www.dcf.state.fl.us/dcf/forms/Search/DCFFormSearch.aspx](http://www.dcf.state.fl.us/dcf/forms/Search/DCFFormSearch.aspx), or any other form that addresses all components of CF-FSP 5376.

(2) Transition and Case Plans. Each young adult in extended foster care must have both a transition plan and a case plan developed by the case manager in consultation with the young adult.

(a) Transition Plan. The provisions of the transition plan form the basis of the young adult's case plan and delineate the young adult's short-term and long-term goals, the young adult's obligations, and the obligations of the foster parent, the case manager, and any other service provider.

1. The transition plan shall be coordinated with the case plan; however, a change in the transition plan does not require an amendment to the case plan or a return to court unless there is a substantial change in circumstances, a change in goal, or the young adult requests a hearing.

2. The transition plan shall include an agreement by the young adult to comply with the provisions to engage in one or more of the qualifying activities required by Section 39.6251(2), F.S., to participate in case management activities and judicial review proceedings as delineated in Rule 65C-41.003, F.A.C., and to remain in the approved living arrangement as detailed in the transition plan. The agreement shall also include a provision that the young adult shall sign necessary releases to enable the case manager to verify participation in the qualifying activities.

3. The transition plan shall address allowance.

a. Whether an allowance will be provided to the young adult and the amount of the allowance shall be discussed in consultation with the young adult and foster parent or designated staff.

b. The foster parent or designated staff shall use a reasonable and prudent parent standard to decide whether an allowance will be provided and the amount.

c. If the young adult is in licensed out-of-home care, the foster parent or caregiver shall make the ultimate decision.

d. If the young adult is in non-licensed care, designated staff shall make the ultimate decision.

e. The decision and rationale shall be supported by documentation in the young adult's case plan and transition plan.

4. If the young adult is a parent, the transition plan shall address the young adult's goals and needs in his or her role as a parent, as well as any referrals to service providers.

5. Amending the Transition Plan. The transition plan may be amended at any time, without court approval, whenever the young adult and the designated staff agree. The plan shall be periodically reviewed and must be updated when necessary prior to each judicial review hearing.

6. Portability. The services provided under this rule are portable across county lines and between lead agencies.

a. The service needs that are identified in the original or updated transition plan shall be provided by the lead agency where the young adult is currently residing but shall be funded by the lead agency that initiated the transition plan.

b. For all young adults in foster care who are on a living arrangement out-of-state or visiting out-of-state, the lead agency with primary case management responsibilities shall provide maintenance payments; case planning, including a written description of all services that will assist the young adult in preparing for the transition from care to independence; as well as regular case reviews that conform with all federal scheduling and content requirements.

(b) Case Plan. The young adult must have a case plan while in extended foster care.

1. The case plan must include:

a. A description of the qualifying activity or activities in which the young adult will engage to maintain eligibility for remaining in extended foster care. If the young adult has chosen an alternate or secondary qualifying activity, it shall be included in the case plan;

b. A description of the programs and services necessary to assist the young adult to successfully participate in the chosen qualifying activities, and a designation of who is responsible for providing these programs and services, and who is responsible for paying the costs of such programs and services;

c. A description of the young adult's long-term goals for living independently and the services to be provided to assist the young adult in meeting those goals; and

d. A designation of the permanency goal of transition from care to independent living.

2. The young adult's case plan shall be developed as part of the initial transition planning process, and shall include the young adult's long-term goals.

3. The case plan shall be reviewed with the young adult prior to each judicial review hearing, and shall be updated as necessary.

(3) Provision of Services. The community-based care lead agency must ensure that the young adult is provided necessary services. Necessary services include:

(a) Those services, including participation in programs, that are identified in the young adult's case plan.

(b) Supervision of the young adult at a level that is consistent with the young adult's individual educational and health care needs, permanency plan and independent living goals as assessed with input from the young adult.

(c) Life skills instruction, counseling, educational support, employment preparation and placement, and development of support networks that are consistent with the young adult's assessed needs and interests, and with the goals identified by the young adult in the transition plan and case plan.

(d) Regular case management reviews, at least monthly, but more often as necessary and as agreed to by both the case manager and the young adult.

(e) Any additional services that are necessary to assist the young adult in complying with the conditions of extended foster care.

(4) Prior to each judicial review hearing, the designated staff shall assist the young adult in preparing for the hearing by jointly developing the report, which addresses the young adult's progress in meeting the goals in the case plan. The report must include information on the young adult's progress on the case plan and the transition plan, as applicable, and shall propose modifications as necessary to further the young adult's goals.

(5) Procedures for a Young Adult Wishing to Remain in Extended Foster Care until the 22<sup>nd</sup> birthday. A young adult must be actively participating in extended foster care on his or her 21<sup>st</sup> birthday, and have a documented disability, in order to remain in care until his or her 22<sup>nd</sup> birthday.

(a) The case manager for a young adult who has a documented disability shall discuss with the young adult and any designated decision-making authority for the young adult, within 180 days of the young adult's 20<sup>th</sup> birthday, whether the young adult wishes to remain in extended foster care after his or her 21<sup>st</sup> birthday. This discussion shall occur during the transition planning for possible discharge based on reaching the maximum age for participation.

(b) If the young adult who has a documented disability requests discharge from, or otherwise opts out of continuing in extended foster care beyond the 21<sup>st</sup> birthday, the case manager shall provide the form "My Decision to Opt Out of Foster Care," CF-5375, incorporated in paragraph (1)(c) of this rule, or any other form that addresses all components of CF-FSP 5375, and specify that the young adult has requested discharge from the program on the 21<sup>st</sup> birthday.

#### 65C-41.005 Discharge from Program ~~Judicial Interaction~~

(1) A young adult shall be discharged from the extended foster care program when the young adult is no longer eligible to participate in the program.

(a) A young adult shall be discharged from extended foster care when categorical eligibility ends on the earliest of the dates that the young adult:

1. Reaches 21 years of age or, in the case of a young adult with a disability, reaches 22 years of age;

2. Knowingly and voluntarily withdraws his or her consent to participate in extended foster care. Withdrawal of consent to participate in extended foster care shall be verified by the court pursuant to s. 39.701, F.S.;

3. Achieves Permanence. Permanence due to a voluntary return by the young adult to his or her legal parent after the age of 18 disqualifies the young adult from participating in extended foster care during the time the young adult is living with that parent. However, in the event that living arrangement fails, the young adult will no longer be considered to have achieved permanence, and the young adult is again eligible for extended foster care.

(b) Except as provided for in subparagraph (1)(c) of this rule, a young adult shall be discharged from the extended foster care program for failure to participate in one or more qualifying activities set forth in s. 39.6251(2), F.S., unless that failure is based on a documented disability.

(c) A young adult may not be discharged from the extended foster care program for ceasing to participate in one or more qualifying activities set forth in Section 39.6251(2), F.S., if he or she provides within 20 days of ceasing participation:

1. Documentation of efforts to resume a qualifying activity; or

2. Documentation of a condition that limits participation, pursuant to Section 39.6251(2)(e), F.S.

(d) A young adult may be discharged from the extended foster care program for failure to reside in the approved living arrangement. The length of the young adult's absence from the approved living arrangement that supports the determination that the young adult is not residing in the approved living arrangement shall be determined during transition planning and documented in the transition plan.

(e) A young adult may be discharged from the extended foster care program for failure to actively participate in case management and supervision provided by the case manager.

(2) A young adult may elect voluntary discharge from the extended foster care program. When a young adult indicates to a case manager or designated staff that he or she wishes to leave the program, the case manager or designated staff shall provide the young adult with the form "My Decision to Opt Out of Foster Care" CF-FSP 5375, January 2015, which is incorporated by reference in Rule 65C-41.004, F.A.C., or any other form that addresses all components of CF-FSP 5375, and ask the young adult to complete the form and return it to the case manager. The Final Order was in response to a Petition for an emergency Variance from Residence Inn Daytona Beach Oceanfront, filed March 3, 2015, and advertised on March 5, 2015, in Vol. 41, No. 44, of the Florida Administrative Register. No comments were received in response to the petition. A copy of the Order or additional information may be obtained by contacting: Doug Melvin, Bureau of Elevator Safety, 1940 North Monroe Street, Tallahassee, Florida 32399-1013.

Electrical Contractors' Licensing Board

RULE NO.: RULE TITLE:

61G6-6.017 Duration of Examination Scores

The Electrical Contractors' Licensing Board hereby gives notice of the issuance of an Order regarding the Petition for Waiver or Variance which was filed on December 12, 2014, by Olin Daniel Johnson II. The Notice of Petition for Variance/Waiver was published in Volume 40, No. 248, of the December 24, 2014, Florida Administrative Register. Petitioner sought a waiver or variance from Rule 61G6-6.017, F.A.C., entitled, "Duration of Examination Scores," which requires for the purpose of certification, a passing examination score on any part of the examination shall be valid only for a period of two (2) years from the date of the examination. The Board considered the instant Petition at a duly-noticed public

meeting, held January 15-16, 2015, in Fernandina Beach, Florida. The Board’s Order, filed on January 30, 2015, granted the petition, finding Petitioner had demonstrated that application of the rule to his circumstances would violate the principles of fairness and would impose a substantial hardship on him.

A copy of the Order or additional information may be obtained by contacting: Ruthanne Christie, Executive Director, Electrical Contractors' Licensing Board, 1940 North Monroe Street, Tallahassee, Florida 32399-0750.

Board of Clinical Social Work, Marriage and Family Therapy and Mental Health Counseling

RULE NO.: RULE TITLE:

64B4-31.007 Definition of a “Licensed Mental Health Counselor or the Equivalent, Who Is a Qualified Supervisor.” The Board of Clinical Social Work, Marriage and Family Therapy and Mental Health Counseling hereby gives notice of the issuance of an Order regarding the Petition for Waiver or Variance, which was filed on January 23, 2015, by Jennifer Bilot, Ph.D., LMHC. The Notice of Petition for Waiver or Variance was published in Volume 41, Number 24, of the February 5, 2015, Florida Administrative Register. The Petitioner was seeking a waiver or variance of paragraph 64B4-31.007(2)(b), F.A.C., which requires that qualified supervisors must have earned at least three (3) years of supervision experience post-licensure. The Board considered the instant Petition at a duly-noticed meeting, held January 29, 2015, in Championsgate, Florida.

The Board’s Order, filed on February 24, 2015, denied the petition finding that Petitioner had failed to establish that the purpose of the underlying statute would be met by granting a variance or waiver from paragraph 64B4-31.007(2)(b), F.A.C. The Board further finds that Petitioner failed to establish that applying the requirements of the aforementioned Rule to her circumstances would violate principles of fairness and impose substantial hardship.

A copy of the Order or additional information may be obtained by contacting: Sue Foster, Executive Director, Board of Clinical Social Work, Marriage and Family Therapy and Mental Health Counseling, 4052 Bald Cypress Way, Bin #C08, Tallahassee, Florida 32399-3258.
