A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: upon review of the proposed rule, the department has determined that the amendments will not exceed any one of the economic analysis criteria in a SERC as set forth in Section 120.541(2)(a), F.S.

The South Florida Water Management District (District) hereby gives notice:

On August 13, 2015, the District's Governing Board issued SFWMD Order No. 2015-061-DAO-ROW to the City of Deerfield Beach (Application No. 15-0226-1). Notice of receipt of the petition requesting the waiver was published in the Florida Administrative Register, Vol. 41, No. 120, on June 22, 2015. No public comment was received. This Order provides a waiver of the District's criteria to allow the construction of six (6) finger piers and 11 boat slips adjacent to the south bank along the existing seawall at the city-owned Sullivan Park located on the south side of the Hillsboro Canal at the Intracoastal Waterway; Section 5, Township 48 South, Range 43 East; Broward County. Specifically, the Order grants a waiver from paragraph 40E-6.221(3)(j), F.A.C., and the Basis of Review for Use or Occupancy of the Works or Lands of the District, incorporated by reference in subsection 40E-6.091(1), F.A.C., which limits the number of boat slips to a maximum of four (4) per 100 feet of frontage along District waterways.
