All conditions required by Sections 120.536(1) and 120.54(4), F.S., have been deemed met by the statute. SUMMARY: This Rule provides guidance to applicant's by supplying necessary timelines, processes, and application, when applying for state funding under the statute.

THE PERSON TO BE CONTACTED REGARDING THE EMERGENCY RULE IS: Katherine Morrison, Division of Strategic Business Development, Department of Economic Opportunity, 107 East Madison Street, Mail Station 80, Caldwell Building, Tallahassee, Florida 32399-4120, (850)717-8960

(2) Each Application and all supporting documents will be evaluated by DEO to verify that they are complete and determine whether the applicant meets the requirements set forth in Section 288.11625(5)(a), F.S.

(3) Once DEO determines that an Application is complete, it will notify the primary contact listed on the Application, via e-mail, that it has commenced its 60 day review. Section V Petitions and Dispositions Regarding Rule Variance or Waiver

DEPARTMENT OF ENVIRONMENTAL PROTECTION

RULE NO.: RULE TITLE:

62-701.630 Financial Assurance

The Department of Environmental Protection hereby gives notice that it has issued an order on November 10, 2014 granting Orange County Environmental, L.L.C.'s Petition for a Waiver. The Petition was received on October 8, 2014. Notice of receipt of this Petition was published in the Florida Administrative Register on October 10, 2014. The petition requested a waiver from paragraphs 62-701.630(3)(a) and 62-701.630(3)(b), F.A.C., to allow the Petitioner to provide closing cost estimates based on the use of on-site soils rather than the cost of cover soils. No public comment was received. The Order, file number 14-0562, granted the Petition to paragraphs 62-701.630(3)(a) and 62-701.630(3)(b), F.A.C., based on a showing that Petitioner demonstrated that a strict application of the rule would result in substantial hardship to Petitioner or would affect Petitioner differently than other similarly situated applicants and because Petitioner demonstrated that the purpose of the underlying statute will be or has been achieved by other means.

A copy of the Order or additional information may be obtained by contacting Richard Tedder, Department of Environmental Protection, MS 4565, 2600 Blair Stone Road, Tallahassee, Florida 32399, telephone: (850)245-8735, Richard.Tedder@dep.state.fl.us during normal business hours, 8:00 a.m. – 5:00 p.m., Monday through Friday, except legal holidays.

DEPARTMENT OF ENVIRONMENTAL PROTECTION

RULE NO.: RULE TITLE:

62-505.350 Grant Funding

The Dept. of Environmental Protection hereby gives notice that on January 27, 2015, it issued a Final Order to the City of Dunnellon, granting a one-time variance from Rule 32-505.350, F.A.C., thereby allowing the City to be reimbursed for all eligible costs incurred, up to the grant amount, upon receipt of complete disbursement requests including all deliverables. The underlying statute will be achieved because the variance will allow for the timely completion of construction of the wastewater management systems.

A copy of the Order or additional information may be obtained by contacting: Timothy Banks, PE Admin., timothy.banks@dep.state.fl.us or by telephone: (850)245-8360.

DEPARTMENT OF HEALTH

Board of Physical Therapy Practice

RULE NO.: RULE TITLE:

64B17-3.003 Licensure by Endorsement

The Board of Physical Therapy Practice hereby gives notice:

Lekha J. Samuel filed a Petition for Variance or Waiver on July 1, 2014, which was published on July 9, 2014, in Vol. 40, No. 132, of the Florida Administrative Register. Petitioner sought a variance or waiver of Rule 64B17-3.003, F.A.C., which requires that applicants for licensure by endorsement meet certain educational requirements. The Board considered the Petition at a duly-noticed public meeting held on August 8, 2014, in St. Augustine, Florida.

The Board's Order, filed September 2, 2014, denied the petition finding that Petitioner has not presented evidence satisfactory to the Board that she meets Florida's minimum educational qualifications required for licensure as a physical therapist in the United States – specifically, Petitioner lacks significant pre-professional and professional education; further, Petitioner failed to demonstrate how she has or will achieve the purpose of the underlying statute by other means, and how application of the rule at issue would violate principles of fairness or constitute a substantial hardship on Petitioner.

A copy of the Order or additional information may be obtained by contacting: Allen Hall, Executive Director, Board of Physical Therapy Practice, 4052 Bald Cypress Way, Bin #C05, Tallahassee, Florida 32399-3255, (850)245-4373, <http://floridasphysicaltherapy.gov>.

DEPARTMENT OF HEALTH

Board of Physical Therapy Practice

RULE NOS.: RULE TITLES:

64B17-3.001 Licensure as a PT by Endorsement

64B17-3.003 Licensure by Endorsement

The Board of Physical Therapy Practice hereby gives notice:

Lekha J. Samuel, PT, DPT, filed a Petition for Variance or Waiver on October 6, 2014, which was published on November 26, 2014, in Vol. 40, No. 230, of the Florida Administrative Register. Petitioner sought a variance or waiver of Rule 64B17-3.003, F.A.C., which requires that applicants for licensure by endorsement meet the educational requirements of Rule 64B17-3.001, F.A.C., specifically, that Petitioner has received a determination that her educational credentials are deemed equivalent to those of a U.S.-educated physical therapist. The Board considered the Petition at a duly-noticed public meeting held on November 7, 2014, in Tampa, Florida.

The Board's Order, filed December 12, 2014, approved the petition finding that Petitioner is an applicant for licensure by endorsement and is therefore governed by Rule 64B17-3.003, F.A.C., and she has demonstrated: a) she meets the purpose of the underlying statute by other means; b) a substantial hardship; c) application of the rule at issue would violate principles of fairness.

A copy of the Order or additional information may be obtained by contacting: Allen Hall, Executive Director, Board of Physical Therapy Practice, 4052 Bald Cypress Way, Bin #C05, Tallahassee, Florida 32399-3255, (850)245-4373, <http://floridasphysicaltherapy.gov>.

This rule prescribes a procedure for conducting routine efficacy testing. The Petitioner requests a variance from these rules to allow the Petitioner to validate the efficacy annually as the temperature is monitored during each stage of each cycle. Comments on this petition should be filed with Jaime Briggs, Agency Clerk, Department of Health, Office of General Counsel, 4052 Bald Cypress Way, BIN A02, Tallahassee, Florida 32399-1703, within 14 days of publication of this notice.

A copy of the Petition for Variance or Waiver may be obtained by contacting: Gina Vallone-Hood, Bureau of Environmental Health, 4052 Bald Cypress Way, BIN A08, Tallahassee, Florida 32399-1710 or by calling (850)245-4273.

DEPARTMENT OF HEALTH

Division of Family Health Services

The Department of Business and Professional Regulation, Division of Drugs, Devices and Cosmetics hereby gives notice that an order has been issued disposing of the petition for variance and waiver filed by Baptist Hospital, Inc., on October 31, 2014.

The following is a summary of the agency’s disposition of the petition:

The petitioner is seeking a variance and waiver from the requirements of subsection 61N-1.023(2), F.A.C.

Granting the petition for variance/waiver would not remove the safety provisions of the Rule and would sufficiently protect the public.

Petitioner’s request for a waiver from the limitation in subsection 61N-1.023(2), F.A.C., that prescription drug transfers are limited to those made to a facility under common control licensed with a pharmacy permit that authorizes the acquisition and possession of prescription drugs, is granted. Petitioner may transfer prescription drugs to its wholly-owned Physician Office Locations as described in the Petition.

A copy of the Order or additional information may be obtained by contacting: Dinah Green at The Division of Drugs, Devices and Cosmetics, 1940 N. Monroe Street, Suite 26A, Tallahassee, FL 32399-1047, (850)717-1800.
