Section II
Proposed Rules

LAND AND WATER ADJUDICATORY COMMISSION
The Tampa Palms Open Space and Transportation
Community Development District

RULE NO.: 42J-1.002
RULE TITLE: Boundary
PURPOSE AND EFFECT: On October 28, 2015, the Commission received a petition to amend the boundaries of the District. The District requests the Commission authorize amendment of the District in order to contract the boundary of the District.
SUMMARY: The petition proposes amendment of the District by removing approximately 21.59 acres (contraction parcel) from the District's boundaries. The District currently consists of 3,151.7 acres of land located within the City of Tampa, Florida. The contraction parcel is 21.59 acres in total size located generally in the northern quadrant of the District located in Tampa, Florida. A map detailing the parcel may be accessed by contacting the person noted below. The contraction parcel is not currently subject to any District assessments and the District is not currently providing any facilities or services to the contraction parcel. There will be no changes in the facilities proposed to be provided by the District as a result of the removal of the contraction parcel. The existing boundary description displayed under Rule 42J-1.002, FAC, will be replaced with language that incorporates the petition and amended boundary description by reference as noted below.
SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION: The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of

\$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

However, a SERC was prepared by the Tampa Palms Open Space and Transportation Community Development District as required by subsection 190.005(1)(a)8., F.S. The complete text of the SERC is contained as Exhibit 9 to the petition. Generally, the SERC supports the petition to amend the boundaries of the District. The SERC generally finds:

- The amendment will have no direct or indirect impact on economic growth, private sector job creation or employment, private sector investment, business competitiveness, or regulatory costs;
- The individuals and entities likely to be required to comply with the administrative rule or affected by the proposed action of amending the District are categorized as follows: (a) the State of Florida and its residents, (b) the City of Tampa, (c) property owners within the District, and (d) the property owner(s) within the contraction parcel;
- There are only modest costs expected to be incurred by the State of Florida, the City of Tampa, and the property owners within the District and the contraction parcel;
- The transactional costs associated with the adoption of an administrative rule to amend the District’s boundaries are nominal; and,
- Amendment of the District should not have any negative impact on small businesses.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

RULEMAKING AUTHORITY: 190.005, 190.046(1) FS.
 LAW IMPLEMENTED: 190.004, 190.005, 190.046(1) FS.
 IF REQUESTED WITHIN 21 DAYS OF THE DATE OF THIS NOTICE, A HEARING WILL BE SCHEDULED AND ANNOUNCED IN THE FAR.

THE PERSON TO BE CONTACTED REGARDING THE PROPOSED RULE IS: Barbara Leighty, Office of the Governor, The Capitol, Room 1801, Tallahassee, Florida, (850)717-9513

**LAND AND WATER ADJUDICATORY COMMISSION
 Fiddler’s Creek Community Development District 1**

RULE NO.: 42X-1.002 RULE TITLE: Boundary
 PURPOSE AND EFFECT: On July 13, 2015, the Commission received a petition to correct the legal description of the boundaries of the District. An amended petition dated July 24, 2015, was filed with the Commission on August 13, 2015. The District requests the Commission authorize amendment of existing Rule 42X-1.002, FAC, to correct certain wording in the metes and bounds legal description without changing the boundaries of the District.
 SUMMARY: The petition, as amended, proposes amendment to correct certain wording in the metes and bounds legal description found in Rule 42X-1.002, FAC, without changing the boundaries of the District. The corrections to the boundary legal description are to correct scrivener's errors only. The scrivener's errors consist of the following:
 (1) to correct the total area measurement of Parcel 1 from "1687.5109 acres more or less" to "1550.1359 acres more or less" to reflect the existing acreage; (2) to insert the phrase "of the Northeast ¼" in the appropriate location of the legal description of Parcel 1; (3) to insert the line "along the North line of said Section 23, a distance of 218.01 feet; thence leaving said Section line" in the appropriate location of the legal description of the first "less and except" parcel (which is the parcel containing 12.00 acres); and (4) to replace the word

"West" with "East" in the appropriate location of the legal description of Parcel 7.

The District currently consists of 1389.77 acres and will continue to consist of 1389.77 acres after correction of the legal description. The District is located in Collier County.

The existing boundary description displayed under 42X-1.002, FAC, will be replaced with language that incorporates the petition, as amended, and corrected boundary description by reference as noted below.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION: The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

However, a SERC was prepared by the Fiddler's Creek Community Development District 1 as required by subsection 190.005(1)(a)8., F.S. The complete text of the SERC is contained as Exhibit "4" to the petition, as amended. Generally, the SERC supports the petition, as amended, to correct the boundaries of the District. The SERC generally finds:

- The corrections will have no direct or indirect impact on economic growth, private sector job creation or employment, or private sector investment in excess of \$1 million in the aggregate within 5 years after the implementation of the rule;
- The corrections will have no adverse impact on business competitiveness;
- The corrections are not likely to increase regulatory costs, including any transactional costs, in excess of \$1 million in the aggregate within 5 years after implementation of the rule;
- The corrections will not directly or indirectly affect any individuals;
- The corrections will not directly or indirectly result in any additional costs to the agency or any other state and local government entities and will have no anticipated effect on state or local revenues;
- The corrections will not directly or indirectly result in increased transactional costs to any individual or entity; and,
- The corrections will have no adverse impact on small businesses, counties or cities.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION: The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at the Commission meeting, the Commission determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. The rule will not have any impact on the licensees and their businesses or the business that employ them. The

rule imposes no additional regulation or costs on licensees. The rule will not increase any fees, business costs, personnel costs, will not decrease the profit opportunities, will not require any specialized knowledge to comply, and will not increase any direct or indirect regulatory costs.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

RULE NO.: RULE TITLE:
64B20-3.001 Collection and Payment of Fees
PURPOSE AND EFFECT: The proposed rule repeal removes language no longer in use.

SUMMARY: The current rule is obsolete and is being repealed.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION: The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that this rule change will not have any impact on licensees and their businesses or the businesses that employ them. The rule will not increase any fees, business costs, personnel costs, will not decrease profit opportunities, and will not require any specialized knowledge to comply. This change will not increase any direct

or indirect regulatory costs. Hence, the Board determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

THE FULL TEXT OF THE PROPOSED RULE IS:

69K-7.0012 Care and Maintenance Trust Fund Withdrawals

(1) Definitions

As used in this rule the following definitions apply:

(a) "Board" refers to the Board of Funeral, Cemetery, and Consumer Services.

(b) "Division" refers to the Division of Funeral, Cemetery, and Consumer Services.

(c) "Care and maintenance trust fund accounting year" refers to the twelve consecutive month period established and used by the Care and Maintenance Trust Fund trustee or servicing agent of the trust fund for trust fund tax and annual reporting purposes.

(d) "Change of distribution method" refers to changing from the net income withdrawal method to the total return withdrawal method, or from the total return withdrawal method to the net income withdrawal method.

(2) Procedure for making withdrawal election.

(a) Regarding the election referenced under section 497.2675(2), F.S., the initial election and each subsequent

change of election shall be made by filing a completed, signed, and dated Form A with the Division at least 60 days prior to the effective date specified in the election.

(b) Upon receipt by the Division of a completed, signed, and dated Form A, the Division shall affix the Division's dated receipt stamp to the Form A and shall within five business days return a copy of the Form A as thus stamped to the contact person shown on the Form A.

(c) The Division shall provide the Board with an informational copy of all election forms filed with the Division.

(3) Calculation of distribution under total return withdrawal method.

(a) The total return withdrawal percentage may be any amount from zero percent up to but not exceeding five percent, as specified on the election filed with the Division.

(b) For purposes of calculating the average fair market value of the trust under subsection 497.2675(2)(b), F.S., the fair market value of the trust shall be determined as of January 1 of each year used in the averaging calculation.

(c) The fair market value of trust assets shall be determined by the trustee or the servicing agent who is not under common control with the cemetery licensee to whom the trust relates. Neither the trustee nor the servicing agent shall rely on asset valuations provided by or on behalf of the cemetery. Provided, a cemetery that is authorized to act as its' own trustee under section 497.266(2), F.S., may calculate the fair market value of its trust assets and calculate the amount of its total return distribution.

(d) The amount to be distributed under either the net income withdrawal method, or the total return withdrawal method, shall be calculated by the trustee, or the servicing agent who is not under common control with the cemetery licensee, to whom the trust relates. Provided, a cemetery that is authorized to act as its own trustee under section 497.266(2), F.S., may calculate the fair market value of its trust assets and calculate the amount of its total return distribution.

(e) Application of subsection 497.2675(2)(b) 1. and 2., F.S.

1. The phrase "if assets are added" as used in subsection 497.2675(2)(b)1., F.S., refers to deposits to trust of the amounts required to be deposited under section 497.268, F.S., and any extraordinary deposits to trust such as but not limited to deposits to correct deficiencies in prior period deposits.

2. The phrase "if assets are distributed" as used in subsection 497.2675(2)(b)2., F.S., refers to extraordinary distributions from the trust pursuant to written consent of the licensing authority under section 497.266(3), F.S.

3. The application of subsection 497.2675(2)(b) 1. and 2., F.S., are illustrated in the examples below.

Example A

(a) Example A ignores growth or reduction in investment values, and distributions from the trust. Assume the trustee or servicing agent wants to determine the average fair market value of the trust for a 2016 distribution under the total return withdrawal method. This computation will involve averaging the trust fair market value as of January 1, 2014, 2015, and 2016. Assume the fair market value of the trust was \$100 on 1-1-2014. Assume that cemetery sales of interment spaces resulted in deposits to the Care and Maintenance Trust Fund of \$2.00 in 2014 and \$2.20 in 2015. The computation of average fair market value for the 2016 distribution under the total return withdrawal method will be as follows:

Table A 1

	2014	2015	2016
Beginning market value	\$100	\$102.00	\$104.20
Principal addition	2.00 + 2.20	2.20	
FMV for averaging purposes	\$104.20	\$104.20	\$104.20

The average fair market value for the 2016 distribution equals \$104.20.

(b) Because the \$2.00 added in 2014 is not reflected in the 2014 beginning balance, it is added to that balance for purposes of computing average fair market value. Because the \$2.20 in deposits occurred during 2015, it is added to both the 2015 balance and the 2014 balance. The deposits in 2014 and 2015 will necessarily be reflected in the opening fair market value in 2016, so they are not separately added in that year.

(c) Assume that cemetery sales of interment spaces resulted in deposits to the Care and Maintenance Trust Fund of \$2.15 in 2016. The average trust fair market value calculation for a 2017 distribution under the total return withdrawal method will be as follows:

Table A2

	2015	2016	2017
Beginning	\$102.00	\$104.20	\$106.35
Deposits to trust	2.20 + 2.15	2.15	
FMV for averaging	\$106.35	\$106.35	\$106.35

The average fair market value for the 2017 distribution equals \$106.35.

Example B

(a) Same facts as in Example A, except that in 2015 the licensing authority approved an extraordinary distribution from the trust in the amount of \$5.00. The average trust fair market value calculation for a 2016 distribution under the total return withdrawal method will be as follows:

Table B 1

	2014	2015	2016
Beginning	\$100	\$102.00	\$99.20
Deposits to trust	2.00 + 2.20	2.20	
Extraordinary	(5.00)	(5.00)	
FMV for averaging	\$99.20	\$99.20	\$99.20

The average fair market value for the 2016 distribution equals \$99.20.

(b) Because the \$2.00 added in 2014 is not reflected in the 2014 beginning balance, it is added to that balance for purposes of computing average fair market value. Because the \$2.20 in deposits occurred during 2015, it is added to the 2015 balance and the 2014 balance. Because the \$5.00 extraordinary withdrawal occurred during 2015, it is subtracted from the 2015 balance and the 2014 balance. The deposits in 2014 and 2015, and the withdrawal in 2015, will necessarily be reflected in the opening fair market value in 2016, so they are not separately added or deducted for that year.

(c) The average trust fair market value calculation for a 2017 distribution under the total return withdrawal method will be as follows:

Table B2

	2015	2016	2017
Beginning	\$102.00	\$99.20	\$101.35
Deposits to trust	2.20 + 2.15	2.15	
Extraordinary	(5.00)		
FMV for averaging	\$101.35	\$101.35	\$101.35

The average fair market value for the 2017 distribution equals \$101.35.

Example C

(a) Same facts as in Example B, except that we assume that the aggregate net effect of rise and fall of investment values resulted in the following actual beginning fair market values: 2015, \$103.00; 2016, \$110.

Table C 1

	2014	2015	2016	Avg
Beginning	\$100	\$103.00	\$110	
Deposits to trust	2.00 + 2.20	2.20		
ordinary	(5.00)	(5.00)		

FMV	for	\$99.20	\$100.20	\$110.00	\$103.13
averaging				10	

The average fair market value for the 2016 distribution equals \$103.13.

(b) Assume the actual fair market value at the beginning of 2017 is \$115. The average trust fair market value calculation for a 2017 distribution under the total return withdrawal method will be as follows:

Table C2

	201 5	201 6	2017	Avg
Beginning	\$103.00	\$110	\$115	
Deposits to trust	2.20 + 2.15	2.15		
Extraordinary	(5.00)			
FMV for averaging	\$102.35	\$112.15	\$115	\$109.83

The average fair market value for the 2017 distribution equals \$109.83.

(4) For purposes of computing average fair market value of the trust, except for adjustments to comply with section 497.2675(2)(b) 1 and 2, F.S., the fair market value of trust assets as of each January 1 shall not be adjusted to reflect accrued liabilities or accrued but not yet received deposits.

(5) Application of Prudent Investor Rule.

(a) Pursuant to sections 497.266(4), and 497.458(5)(a), F.S., trust assets may be invested as prescribed in section 518.11, F.S., entitled " Investments by Fiduciaries; Prudent Investor Rule". As regards to care and maintenance trusts and preneed trusts under Chapter 497, F.S., investments under section. 518.11, F.S., are subject to the prohibitions set forth in subsection 497.458(1)(h) and (i), and section 497.458(5)(a), F.S.

(b) For purposes of application of section 51 8.11, F.S., the trustee of the Care and Maintenance trust shall consider the primary purpose of the Care and Maintenance Trust Fund to be providing for the future care and maintenance of the cemetery, as defined at section 497.005(10), F.S., after the cemetery ceases to produce any revenue stream from which care and maintenance costs may be paid.

(c) Real Estate. The fair market value of real estate as a trust asset shall be determined by a written appraisal obtained by the trustee, issued by a licensed real estate appraiser, which appraisal was made within twelve months prior to January 1 of the year for which the distribution under the total return withdrawal method is being calculated. For example, if an average trust fair market value is being calculated for a distribution in 2016 under the total return withdrawal method, the appraisal must have been done in the twelve months prior to January 1, 2016. If such appraisal requirement is not

complied with, the real estate shall be assigned zero value as a trust asset in each year included in the average trust fair market value calculations for such distribution.

(6) Monitoring Trust Fair Market Value; action or adverse trends.

(a) The Division shall monitor the fair market value of care and maintenance trust funds as reported by trustees in annual trust reports. If the Division shall detect that the ending fair market value of the trust for the most recent calendar year has decreased as compared to the average ending balance of the trust for the over the three most recent calendar years, the Division shall conduct such investigation of the matter as it deems merited and may thereafter set the matter for review and action by the Board at a regularly scheduled meeting of the Board, and shall provide the licensee with 30 days advance notice that the matter will be set before the Board. The Board shall thereupon review the matter and for the protection of the care and maintenance trust fund may order any one or a combination of the following corrective measures as the Board finds appropriate for the protection of the care and maintenance trust fund:

1. A specified reduction in dollars in allowable withdrawals from the trust for a specified period;
2. A reduction in the total return withdrawal percentage for a specified period;
3. A requirement that the licensee switch to and use the net income withdrawal method for a specified period.

(b) Exceptions. The Board may in particular cases temporarily except a licensee that comes before the Board under subparagraph (a) above, from imposition of corrective measures, if the Board finds that the cause of the adverse trend in the fair market value of the trust is due to one or more unusual temporary factors affecting all or a majority of the licensed cemeteries in the state or in a particular area of the state, and that for the protection of such cemeteries from insolvency the exception is necessary and appropriate.

(7) Miscellaneous provisions

(a) All cemetery licensees shall continue to use the net income withdrawal method under section 497.2675, F.S., on and after 7-1-2016, until the effective date of an election filed by the licensee to use the total return withdrawal method, which initial election shall be made by the licensee in accordance with this rule. Each subsequent change of election shall be made by filing a separate additional completed, signed, and dated Form A in accordance with this rule.

(b) The effective date of an initial election and any subsequent change in n election shall coincide with the first day of a care and maintenance trust fund accounting year to which the election relates. All elections shall be prospective only; no retroactive elections shall be allowed.

(c) If a cemetery has more than one Care and Maintenance Trust Fund under s. 497.266, a separate election shall be made and filed for each trust fund.

(d) Form A must be signed by an authorized representative of the licensee.

(e) No Form A shall be filed unless the cemetery licensee has been advised by the Care and Maintenance Trust Fund trustee or servicing agent that the trustee or servicing agent will be able to implement the change of distribution method indicated in the Form A to be filed.

(f) No trustee or servicing agent shall implement a change in distribution method unless the trustee or servicing agent has in its possession a copy of the Form A regarding the change of distribution method, which copy bears the Division's receipt stamp.

(e) A trustee shall not make a distribution under the total return withdrawal method unless the trustee or servicing agent determines it has reliable records establishing all fair market values needed to calculate average fair market value of the trust in prior periods included in the averaging calculation.

(8) Annual Report of Trustee

(a) Any entity which for all or any part of a calendar year served as trustee of a Care and Maintenance Trust Fund under section 497.266, F.S., shall by not later than April 1 of the following year file a report with the Division with respect to the care and maintenance trust fund on Form B for all or that portion of the said calendar year in which it acted as trustee of the trust.

(b) No distribution to a cemetery licensee from the licensee's Care and Maintenance Trust Fund shall be made or allowed in any period during which the Care and Maintenance Trust Fund is delinquent in filing required reports under section 497.269, F.S., and this rule.

PURPOSE AND EFFECT: Among the regulatory provisions amended by HB 613 (Chapter 2016-56, Laws of Florida) was the repeal of statutory provisions supporting the Preferred Worker Program under section 440.49, F.S. The aforementioned revision renders Rule Chapter 69L-11, F.A.C., entitled, "Preferred Worker Program," obsolete; the rule chapter is repealed in its entirety.

SUMMARY: Statutory revisions to Chapter 440, F.S., repeal the "Preferred Worker Program," rendering Rule Chapter 69L-11, F.A.C., obsolete. The rule chapter is unnecessary and is repealed in its entirety.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION: The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: The provisions authorizing the Preferred Worker Program under section 440.49, F.S., have been statutorily repealed. Rule Chapter 69L-11, F.A.C., which addresses the Preferred Worker Program, has been made obsolete and is repealed. There are no costs associated with the repeal of the rule chapter.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

RULE NO.: RULE TITLE:

61C-1.004 General Sanitation and Safety Requirements

NOTICE IS HEREBY GIVEN that on June 16, 2016, the Florida Department of Business and Professional Regulation, Division of Hotels and Restaurants, received a petition for an Emergency Variance for paragraph 61C-1.004(1)(a), Florida Administrative Code, and Paragraph 5-202.11(A), 2009 FDA Food Code from Nokomo’s Sunset Hut located in Nokomis. The above referenced F.A.C. addresses the requirement that each establishment have an approved plumbing system installed to transport potable water and wastewater. They are requesting to utilize holding tanks to provide potable water and to collect wastewater at the handwash sink.

The Division of Hotels and Restaurants will accept comments concerning the Petition for 5 days from the date of publication of this notice. To be considered, comments must be received before 5:00 p.m.

A copy of the Petition for Variance or Waiver may be obtained _____ by _____ contacting: George.Koehler@myfloridalicense.com, Division of Hotels and Restaurants, 1940 North Monroe Street, Tallahassee, Florida 32399-1011.

DEPARTMENT OF BUSINESS AND PROFESSIONAL
REGULATION

Division of Hotels and Restaurants

RULE NO.: RULE TITLE:

61C-4.010 Sanitation and Safety Requirements

The Florida Department of Business and Professional Regulation, Division of Hotels and Restaurants hereby gives notice:

On May 17, 2016, the Division of Hotels and Restaurants received a Petition for an Emergency Variance for Paragraph 4-301.12(A), 2009 FDA Food Code, subsection 61C-4.010(5), Florida Administrative Code, Subparagraph 3-305.11(A)(2), 2009 FDA Food Code, and subsection 61C-4.010(1), Florida Administrative Code, from Lobby Lounge located in Orlando. The above referenced F.A.C. addresses the requirement that dishwashing facilities for manually washing, rinsing and sanitizing equipment and utensils are provided, and that each establishment have areas for food storage. They are requesting to share dishwashing and food storage areas with another

licensed food service establishment under the same ownership and on the same premises.

The Petition for this variance was published in Vol. 42, No. 102, F.A.R., on May 25, 2016. The Order for this Petition was signed and approved on May 31, 2016. After a complete review of the variance request, the Division finds that the application of this Rule will create a financial hardship to the food service establishment. Furthermore, the Division finds that the Petitioner meets the burden of demonstrating that the underlying statute has been achieved by the Petitioner ensuring that the dishwashing and food storage areas within Citron An American Brasserie (SEA5810996) are maintained in a clean and sanitary manner, all sinks are provided with hot and cold running water under pressure and are available during all hours of operation. The handwash sinks must also be provided with soap, an approved hand drying device and a handwashing sign. If the ownership of Lobby Lounge and/or Citron An American Brasserie (Bre Thunder Grande Lakes Property Owner LLC) changes, a signed agreement between the two establishments for the use of the shared facilities must be provided to the division immediately

A copy of the Order or additional information may be obtained _____ by _____ contacting: George.Koehler@myfloridalicense.com, Division of Hotels and Restaurants, 1940 North Monroe Street, Tallahassee, Florida 32399-1011.

Division of Hotels and Restaurants

RULE NO.: RULE TITLE:

61C-4.010 Sanitation and Safety Requirements

The Florida Department of Business and Professional Regulation, Division of Hotels and Restaurants hereby gives notice:

On May 27, 2016, the Division of Hotels and Restaurants received a Petition for an Emergency Variance for subsection 61C-4.010(7), Florida Administrative Code, and subsection 61C-4.010(6), Florida Administrative Code, from Nathalie Catering located in Miami. The above referenced F.A.C. addresses the requirement that at least one accessible bathroom be provided for use by customers. They are requesting to share the bathrooms located within a nearby establishment under the same ownership for use by customers only.

The Petition for this variance was published in Vol. 42, No. 106, F.A.R., on June 1, 2016. The Order for this Petition was signed and approved on June 8, 2016. After a complete review of the variance request, the Division finds that the application of this Rule will create a financial hardship for the food service establishment. Furthermore, the Division finds that the

Petitioner meets the burden of demonstrating that the underlying statute has been achieved by the Petitioner ensuring the bathrooms located within Nathalie's Catering (CAT2329083) are maintained in a clean and sanitary manner and are provided with cold running water under pressure, soap, approved hand drying devices, and are available during all hours of operation. The Petitioner shall also ensure directional signage is installed within or outside the establishment clearly stating the location of the bathrooms. If the ownership of Nathalie Catering and/or Nathalie's Catering (Chipis LLC) changes, an updated signed agreement for use of the bathroom facilities will be required immediately.

A copy of the Order or additional information may be obtained by contacting: George Koehler@myfloridalicense.com, Division of Hotels and Restaurants, 1940 North Monroe Street, Tallahassee, Florida 32399-1011.

RULE NO.: RULE TITLE:

61C-1.001 Definitions

The Florida Department of Business and Professional Regulation, Division of Hotels and Restaurants hereby gives notice:

May 25, 2016, the Division of Hotels and Restaurants received a Petition for a Routine Variance for paragraph 61C-1.004(1)(a), Florida Administrative Code, and Section 5-203.13, 2009 FDA Food Code from Mezza Luna located in Neptune Beach. The above referenced F.A.C. addresses the requirement that at least one service sink is provided for the cleaning of mops or similar cleaning tools and the disposal of mop water. They are requesting to share the mop sink located within an adjacent business.

The Petition for this variance was published in Vol. 42/106 on June 1, 2016. The Order for this Petition was signed and approved on June 16, 2016. After a complete review of the variance request, the Division finds that the application of this Rule will create a financial hardship to the food service establishment. Furthermore, the Division finds that the Petitioner meets the burden of demonstrating that the underlying statute has been achieved by the Petitioner ensuring that the mop sink within Flying Iguana (SEA2614964) is maintained in a clean and sanitary manner and is provided with hot and cold running water under pressure. If the ownership of Mezza Luna (Vagabondo, Inc.) and/or Flying Iguana (Al's Pizza Partners Inc.) changes, a signed agreements for use of the mop sink is required immediately.

A copy of the Order or additional information may be obtained by contacting: George.Koehler@myfloridalicense.com, Division of Hotels and Restaurants, 1940 North Monroe Street, Tallahassee, Florida 32399-1011.

Division of Hotels and Restaurants

RULE NO.: RULE TITLE:

61C-1.004 General Sanitation and Safety Requirements

The Florida Department of Business and Professional Regulation, Division of Hotels and Restaurants hereby gives notice:

On June 2, 2016, the Division of Hotels and Restaurants received a Petition for an Emergency Variance for paragraph 61C-1.004(1)(a), Florida Administrative Code, and Paragraph 5-202.11(A), 2009 FDA Food Code from Chocondue located in Doral. The above referenced F.A.C. addresses the requirement that each establishment have an approved plumbing system installed to transport potable water and wastewater. They are requesting to utilize holding tanks to provide potable water and to collect wastewater at the handwash and three-compartment sinks.

The Petition for this variance was published in Vol. 42, No. 102, F.A.R., on May 25, 2016. The Order for this Petition was signed and approved on May 31, 2016. After a complete review of the variance request, the Division finds that the application of this Rule will create a financial hardship for the food service establishment. Furthermore, the Division finds that the Petitioner meets the burden of demonstrating that the underlying statute has been achieved by the Petitioner ensuring the wastewater holding tank for the handwash and three-compartment sinks is emptied at a frequency as to not create a sanitary nuisance; and potable water provided must come from an approved source and be protected from contamination during handling. The Petitioner shall also ensure that the handwash and three-compartment sinks are provided with hot and cold running water under pressure; the handwash sink is provided with soap, an approved hand drying device and a handwashing sign.
