RULE NO.: RULE TITLE:

61G20-1.001 Florida Building Code Adopted

by HB 535 and SB 1602 into the Florida Building Code.

SUMMARY: R. 61G20-1.001, F.A.C., is the rule in which the
Florida Building Code is adopted by reference. The passage of
HB 535 and SB 1602 require that changes be made to the

59G-8.600 ~~Good Cause for Disenrollment from Managed Care Plans.~~

(1) Purpose. A Florida Medicaid recipient (herein referred to as an enrollee) who is required to enroll in the Statewide Medicaid Managed Care (SMMC) Managed Medical Assistance (MMA) or Long-term Care (LTC) program, may request to change managed care plans at any time. Requests must be submitted via telephone to the Agency for Health Care Administration (AHCA) or its enrollment broker. Enrollees required to enroll in SMMC programs should not interpret this rule as an exemption from participation in Florida Medicaid's SMMC program. This rule applies to the process and reasons that SMMC managed care plan enrollees may change plans.

(2) Requests for disenrollment must be completed in accordance with section 409.969(2)(a) and (b), Florida Statutes (F.S.) and Title 42, Code of Federal Regulations (CFR), section 438.56.

(3) Not-for-Cause Reasons. The following reasons, as confirmed by AHCA, constitute not-for-cause reasons for disenrollment from a managed care plan:

(a) The enrollee is excluded from enrollment in a managed care plan in accordance with sections 409.965, 409.972, and 409.979, F.S.

(b) The state has imposed intermediate sanctions upon the managed care plan, as specified in 42 CFR 438.702(a)(3).

(c) The enrollee missed open enrollment due to a temporary loss of Florida Medicaid eligibility.

(d) The enrollee is newly enrolled in a managed care plan and is in the first 120 days of enrollment.

(e) The enrollee meets the eligibility requirements for a specialty plan and requests enrollment.

(f) The enrollee is in his or her annual open enrollment period.

(4) Good Cause Reasons.

(a) The following reasons, as confirmed by AHCA, constitute good cause for disenrollment from a managed care plan:

1. The enrollee does not live in a region where the managed care plan is authorized to provide services, as indicated in the managed care plan's contract with AHCA.

2. The enrollee received services within the past six months preceding a disenrollment request, from a service provider that is not in the managed care plan's network, but is in the network of another managed care plan.

3. The managed care plan does not cover the service the enrollee seeks because of moral or religious objections.

4. The enrollee received a notice from his or her managed care plan of a reduction in benefits following an amendment to the managed care plan's SMMC contract.

5. The enrollee experienced service access impairments due to service availability exceeding the timely access standards in the managed care plan's SMMC contract.

6. Except as specified in this rule, other reasons per 42 CFR 438.56(d)(2) and section 409.969(2), F.S.

(b) The following reasons, as confirmed by AHCA, constitute good cause for disenrollment from a managed care plan. The enrollee must first seek resolution through the managed care plan's grievance process:

1. The enrollee is prevented from participating in the development of his or her treatment plan or plan of care.

2. The enrollee needs related services to be performed concurrently, but not all related services are available within the managed care plan's network, and the enrollee's primary care provider (PCP) has determined that receiving the services separately would subject the enrollee to unnecessary risk.

3. Poor quality of care.

4. Lack of access to services covered under the managed care plan's contract with AHCA, including lack of access to medically-necessary specialty services.

5. The managed care plan changes the enrollee's PCP three or more times to a new PCP at a different service location.

6. There is a lack of access to health plan providers experienced in dealing with the enrollee's health care needs.

7. The enrollee experienced an unreasonable denial of service, or the enrollee's service was not provided with reasonable promptness as set forth in Title 42, United States Code, subsection 1396a(a)(8).

8. The enrollee experienced a change in their residential or institutional provider because the long-term care managed care plan changed the status of the enrollee's provider from an in-network to an out-of-network provider.

(5) The Agency for Health Care Administration, or its designee, will make final determinations about granting disenrollment requests and will send written correspondence to the enrollee of any disenrollment decision. Enrollees dissatisfied with the determination may request a Florida Medicaid fair hearing, pursuant to 42 CFR Part 431, Subpart E.

NOTICE OF GRANT APPLICATION SUBMISSION

PERIOD FOR THE FLORIDA RECREATION

DEVELOPMENT ASSISTANCE PROGRAM FOR

PROJECTS THAT PROVIDE RECREATIONAL

OPPORTUNITIES FOR INDIVIDUALS WITH UNIQUE

ABILITIES

The Department of Environmental Protection (Department) will accept Fiscal Year 2016-17 grant applications, in accordance with Rule Chapter 62D-5.053-62D-5.059, Florida Administrative Code (F.A.C.), from local governmental entities requesting funding awards to acquire or develop land for public outdoor recreation purposes from the Florida Recreation Development Assistance Program (FRDAP) established pursuant to Section 375.075, Florida Statutes (F.S.), “exclusively for projects that provide recreational enhancement and opportunities for individuals with unique abilities.” Pursuant to Section 375.075(4)(a), F.S., the Florida Legislature awarded \$3 million in FRDAP funding effective July 1, 2016, for unique ability projects.

UNIQUE ABILITIES PROJECT REQUIREMENTS

Eligible projects submitted for funding in Fiscal Year 2016-17 must “provide recreational enhancement and opportunities for individuals with unique abilities” which means “those projects that incorporate adaptations or modifications to the design and development of recreational resources or equipment to meet the needs of all potential participants including those with

physical or developmental disabilities,” Section 375.075(4) of the Florida Statutes.

All applications received for Fiscal Year 2016-17 funding, must demonstrate projects that enhance recreational opportunities for individuals with unique abilities or will be deemed ineligible.

Pursuant to Section 375.075(4)(b), F.S., “the selection criteria used by the department for grant applications submitted pursuant to this subsection shall prioritize projects that allocate the greatest share of state funds to provide recreational enhancements and opportunities for individuals with unique abilities.” Project costs that will be the basis for this legislatively mandated prioritization must be for adaptations or modifications to the development of a "primary facility" as defined in Rule 62D-5.054, F.A.C., incorporating unique abilities. Because projects are prioritized based on amount of funding as outlined above, any proposed modification to the Physical Characteristics after the application has been submitted must be approved by the Department for funding eligibility.

The application must provide specific, detailed documentation on how the Project Site will fulfill this legislative directive in the Physical Characteristics of the Project section of the application.

APPLICATION SUBMISSION PERIOD: July 27 – August 17, 2016. Completed applications must be postmarked on or before August 17, 2016. Incomplete applications will not be accepted.

ELIGIBLE APPLICANTS: All local governmental entities with the legal responsibility for the provision of outdoor recreational sites and facilities for the use and benefit of the public may submit FRDAP applications during the application submission period. MAXIMUM GRANT REQUEST: The maximum project grant for each project application that provides recreational enhancements and opportunities for individuals with unique abilities may not exceed \$500,000 in state funds.

APPLICATION INFORMATION: FRDAP application packets may be obtained from the Department of Environmental Protection, Office of Operations, Land and Recreation Grants Section, Mail Station 585, 3900 Commonwealth Boulevard, Tallahassee, Florida 32399-3000, (850)245-2501, Tamika.Bass@dep.state.fl.us, Angie.Bright@dep.state.fl.us or at http://dep.state.fl.us/lands/Land_and_Recreation/Land_Recreation.htm.
