A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: Upon review of the proposed changes to these two rules and the incorporated forms, the State Board of Administration of Florida has determined that neither rule meets the requirements for ratification by the legislature. The changes to these rules do not have an adverse impact on small business and do not directly or indirectly increase regulatory costs in excess of \$200,000 in the aggregate within 1 year of implementation. The changes to these rules also do not directly or indirectly have an adverse impact on economic growth, private sector job creation or employment, or private sector investment, business competitiveness or innovation or increase regulatory costs, including any transactional costs, in excess of \$1 million in the aggregate within 5 years after the implementation of either rule.

Prompt reporting in the format requested will aid the Board in determining whether to seek additional sources of funds to pay for reimbursable losses. The losses reported on the Interim Loss Report are expected to result from a good faith effort, using best business practices for the insurance industry, on the part of the insurer to report as accurately as possible. Preliminary reports will not be binding. ~~Reimbursements by the Fund will be made on the basis of the Proof of Loss Report, adopted in subsection (6) below.~~

"Fully Discharged" means the earlier of the date on which the insurer has paid its policyholders in full or the commutation clause, in Article X of the Reimbursement Contract takes effect. For the quarterly report due on March 31, any insurer whose losses exceed 50% of its FHCF retention for a specific loss occurrence shall submit a Proof of Loss Report for that loss occurrence. For the quarterly report due on June 30, any insurer whose losses exceed 75% of its FHCF retention for a specific loss occurrence shall submit a Proof of Loss Report for that loss occurrence. For the quarterly reports due on September 30 and thereafter, any insurer which anticipates that its losses will exceed its FHCF retention for a specific loss occurrence shall submit quarterly Proof of Loss Reports until all its losses are paid to its policyholders and the insurer has received reimbursement from the Fund. Annually, all Companies shall submit a mandatory year-end Proof of Loss Report for each loss occurrence, using the most current data available. This Proof of Loss Report shall be filed no earlier than December 1 and no later than December 31 of each year and shall continue until the earlier of the expiration of the Commutation Period or until all claims and losses resulting from the loss occurrence are fully discharged including any adjustments to such losses due to salvage or other recoveries.~~

A Detailed Claims Listing is required:~~

~~1. At the same time a Company submits its first Proof of Loss Report for a specific Covered Event that qualifies the Company for reimbursement under that Covered Event;~~

~~2. Annually with the mandatory year end Proof of Loss Report as required in subparagraph (b) above;~~

~~3. Upon notice from the Board of an upcoming loss reimbursement examination (to accompany an updated Proof of Loss Report);~~

~~4. Upon request of the Board in support of any other filed Proof of Loss Report; and~~

~~5. Upon request of the Board in support of an Interim Loss Report.~~

~~(e) As a result of reports submitted on Form FHCF-L1B, reimbursements to insurers shall be adjusted in accordance with Section 215.555(4)(d)1., F.S., which requires the Fund to pay additional amounts to insurers and insurers to return overpayments to the Fund, based on the most recent calculation of losses.~~

(4)(b) and (4)(c), No change.

(5) Exposure Reporting Requirements.

(a) Quota Share Primary Insurance: Citizens and Authorized Insurers may enter into Quota Share Primary Insurance Arrangements with respect to the Coastal Account policies. The statute also provides, in Section 627.351(6)(c)2.f., F.S., that Citizens shall be responsible for the annual reporting of insured values to the FHCF for both Citizens and the Insurer participating with Citizens in the Quota Share Arrangement. Citizens shall report the insured values covered by the Quota Share Primary Insurance Arrangements in the same manner that all other current participants, as described in paragraph (b) below, report their insured values. ~~Please note that both Citizens and the Quota Share Primary Insurer must keep complete and accurate records, including copies of policy declaration pages and~~

~~supporting claims documents, for the purpose of exposure and loss reimbursement examinations by the FHCF.~~

(b) Current Participants: Each Insurer, with Covered Policies as of June 1 of a Contract Year must participate in the FHCF and must complete and submit the Data Call online using *WIRE*, correctly completed, no later than September 1 of the Contract Year.

(c) New Participants: ~~during the period of June 1 through November 30:~~

~~1. For the 2012/2013 Contract Year and earlier Contract Years, those Insurers that first begin writing Covered Policies from June 1 through November 30 of a Contract Year must complete and submit the Data Call, correctly completed, by March 1 of the Contract Year. ~~2. For the 2013/2014 Contract Year and subsequent Contract Years, Insurers that first begin writing Covered Policies from June 1 through November 30 of a Contract Year must correctly complete and submit the Data Call by February 1 of the Contract Year.~~

(d) Resubmissions of Data: ~~With one exception noted below, Any Insurer which submits a Data Call, with incorrect data, incomplete data, or improperly formatted data in the wrong format and is required to resubmit will be given 30 days from the date on the letter from the FHCF notifying the Insurer of the need to resubmit (may be less than 30 days if the Insurer has been notified by the SBA for an examination). An extension of 30 days will may be granted if the Insurer can show that the need for the additional time is due to circumstances beyond the reasonable control of the Insurer. Exception: If the Insurer, at the time it receives notice of the need to resubmit, has already been issued a notice of examinations, the usual 30 day time limitation (measured from the date of the letter giving notice of the need to resubmit) does not apply. In this situation, the time period in which the Insurer must resubmit is measured by counting backwards 30 days from the date that the examinations are scheduled to begin as reflected on the notice of examinations letter. The FHCF needs the information prior to the examinations; thus, no extensions can be granted.~~

(5)(d)1. Through (7)(a), No change.

(7)(b) New Participants during the period of June 1 through November 30: Those Insurers that first begin writing Covered Policies from June 1 through November 30 of a Contract Year must submit a payment of \$1,000 on or before the date indicated on the invoice. additional amount due, if any, will be sent to the Company by the Administrator. Payment, if any amounts are shown as due on the invoice, is due within 30 days from the date on the invoice. In no event will the Premium be less than the \$1,000.

(7)(c) through (8), No change.

(8)(a) Advance Examination Record Requirements: Within 30 days from the date on the letter from the FHCF, Companies are required to provide the FHCF with the records indicated in the applicable Contract Year’s “Exposure Examination Advance Preparation Instructions” or in the applicable Contract Year’s “Loss Reimbursement Examination Advance Preparation Instructions.”. Notice of receipt was published in the Florida Administrative Register on December 31, 2015; Vol. 41/251. The Petitioner requested a permanent variance or waiver from subparagraph 62B-33.024(2)(d)3, F.A.C., which requires that a 30 year erosion projection shall be determined using the pre-project Mean High Water Line (MHWL) instead of the Erosion Control Line (ECL) along the subject shoreline because the ECL was not based on a pre-project survey. ORDINANCE NO. 2015-10

FINAL ORDER  
APPROVING CITY OF MARATHON  
ORDINANCE NO. 2015-10

The Department of Economic Opportunity (“Department”) hereby issues its Final Order, pursuant to sections 380.05(6) and 380.0552(9), Florida Statutes, approving land development regulations adopted by the City of Marathon, Florida, Ordinance No. 2015-10 (the “Ordinance”).

3. The Ordinance amends the City of Marathon Code of Ordinances, Appendix A (Land Development Regulations) Chapter 102, Article 21 (Quasi-Judicial Hearings), Section 102.130, changing the procedure required in the land development regulations to reflect the actual procedures carried out by staff.

CONCLUSIONS OF LAW

6 The Ordinance is consistent with the City of Marathon Comprehensive Plan generally, and specifically Goal 1-1 (Manage Growth) and Policies 9-1.1 (Role of the Local Planning Agency in Plan Evaluation and Updates), and 9-1.3.1 (Review the Impacts of Changing Conditions), as required by section 163.3177(1), Florida Statutes.

7. “Land development regulations” include local zoning, subdivision, building, and other regulations controlling the development of land. § 380.031(8), Fla. Stat. The regulations adopted by the Ordinance are land development regulations.

WHEREFORE, IT IS ORDERED that the Department finds that the City of Marathon Ordinance No. 2015-10 is consistent with the Principles for Guiding Development for the Florida Keys Area of Critical State Concern and is hereby APPROVED.
