DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION

Division of Hotels and Restaurants

RULE NO.: RULE TITLE:

61C-1.004 General Sanitation and Safety Requirements

The Florida Department of Business and Professional Regulation, Division of Hotels and Restaurants hereby gives notice:

On April 13, 2016, the Division of Hotels and Restaurants received a Petition for an Emergency Variance for aragraph 61C-1.004(2)(a), Florida Administrative Code, subsection 61C-4.010(7), Florida Administrative Code, subsection 61C-4.010(6), Florida Administrative Code, and Section 6-402.11, 2009 FDA Food Code from Jimmy's Bar B Que located in Miami. The above referenced F.A.C. addresses the requirement that at least one accessible bathroom be provided for use by customers and employees. They are requesting to share the bathrooms located within a nearby establishment under a different ownership for use by customers and employees.

The Petition for this variance was published in Vol. 42/74 on April 15, 2016. The Order for this Petition was signed and approved on April 20, 2016. After a complete review of the variance request, the Division finds that the application of this Rule will create a financial hardship to the food service establishment. Furthermore, the Division finds that the Petitioner meets the burden of demonstrating that the underlying statute has been achieved by the Petitioner ensuring the bathrooms located within Valero Gas Station are maintained in a clean and sanitary manner and are provided with hot and cold running water under pressure, soap, approved hand drying devices, handwash sign and are available during all hours of operation. The Petitioner shall also ensure directional signage is installed within or outside the establishment clearly stating the location of the bathrooms. If the ownership of Jimmy's Bar B Que (Jimmy Moore) or Valero Gas Station (Valero D-M Corp., Awale Dayan) changes, an updated signed agreement for use of the bathroom facilities will be required immediately.

A copy of the Order or additional information may be obtained by contacting: Lydia.Gonzalez@myfloridalicense.com, Division of Hotels and Restaurants, 1940 North Monroe Street, Tallahassee, Florida 32399-1011.

RULE NO.: RULE TITLE:

61C-4.010 Sanitation and Safety Requirements

The Florida Department of Business and Professional Regulation, Division of Hotels and Restaurants hereby gives notice:

On April 14, 2016, the Division of Hotels and Restaurants received a Petition for an Emergency Variance for Subparagraph 3-305.11(A)(2), 2009 FDA Food Code, Section 3-305.14, 2009 FDA Food Code, Section 6-202.15, 2009 FDA Food Code, Section 6-202.16, 2009 FDA Food Code, subsection 61C-4.010(1), Florida Administrative Code and subsection 61C-4.010(6), Florida Administrative Code, from Sergio Home Delivery located in Miami. The above referenced F.A.C. addresses the requirement for proper handling and dispensing of food. They are requesting to dispense bulk time/temperature control for safety foods from an open air mobile food dispensing vehicle.

The Petition for this variance was published in Vol. 42, No. 74, F.A.R., on April 15, 2016. The Order for this Petition was signed and approved on April 20, 2016. After a complete review of the variance request, the Division finds that the application of this Rule will create a financial hardship to the food service establishment. Furthermore, the Division finds that the Petitioner meets the burden of demonstrating that the underlying statute has been achieved by the Petitioner ensuring that each pan within the steam table is properly covered with an individual lid; the steam table is enclosed within a cabinet with tight-fitting doors, and is protected by an air curtain installed and operated according to the manufacturer's specifications that protects against flying vermin or other environmental contaminants; all steam table foods must be properly reheated for hot holding at approved commissaries and held hot at the proper minimum temperature per the parameters of the currently adopted FDA Food Code; and steam table food is to be dispensed by the operator with no customer self-service. The Petitioner shall also strictly adhere to the operating procedures and copies of the variance and operating procedures are to be present on the MFDV during all periods of operation.
