(12) Determination of Prizewinners.

(a) There are three (3) games on a ticket. Each game is played independently. Words in one game cannot be used in the other game. Players may win in one or more games.

1. The holder of a ticket whose letters (play symbols) in the "YOUR LETTERS" play area match the letters (play symbols) in the CROSSWORD PUZZLE of GAME 1 to form at least three (3) different complete words shall entitle the claimant to the corresponding prize in the "GAME 1 and GAME 2 PRIZE LEGEND" for the total number of words matched.

2. The holder of a ticket whose letters (play symbols) in the "YOUR LETTERS" play area match the letters (play symbols) in the CROSSWORD PUZZLE of GAME 2 to form at least three (3) different complete words shall entitle the claimant to the corresponding prize in the "GAME 1 and GAME 2 PRIZE LEGEND" for the total number of words matched.

3. The holder of a ticket whose letters (play symbols) in the "YOUR LETTERS" play area match the letters (play symbols) in the CROSSWORD PUZZLE of GAME 3 to form at least three (3) different complete words shall entitle the claimant to the corresponding prize in the "GAME 3 PRIZE LEGEND" for the total number of words matched.

Letters combined to form a "word" must appear in an unbroken horizontal or vertical string of letters in the CROSSWORD PUZZLE that is not interrupted by a blank space and contains every single letter square between two blank spaces or the edge

and a blank space. Every letter in the unbroken string must be revealed in "YOUR LETTERS" and be included to form a "word." The possible complete words are shown in each CROSSWORD PUZZLE. Each possible complete word consists of three or more letters and occupies an entire word space. All of the letters in a possible complete word must be matched in order to complete the word.

(a) A winner of a \$1,000,000 prize may choose one of two payment options for receiving his or her prize. Payment options are "Cash Option" or "Annual Payment." At the time the \$1,000,000 prize is claimed, the terminal will produce a player claim instructions ticket. The winner has sixty (60) days from the date the player claim instructions ticket is produced to file a claim choosing the Cash Option. Once the winner files a claim and exercises the winner's chosen option, the election of that option shall be final. If a winner does not choose the Cash Option within the sixty (60) day timeframe, the Annual Payment option will be applied.

(b) Cash Option prizes will be paid in a single cash payment of \$760,000, less applicable federal withholding taxes.
