DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION

Division of Hotels and Restaurants

RULE NO.: RULE TITLE:

61C-4.010 Sanitation and Safety Requirements

The Florida Department of Business and Professional Regulation, Division of Hotels and Restaurants hereby gives notice:

On January 5, 2017, the Division of Hotels and Restaurants received a Petition for an Emergency Variance for Subparagraph 3-305.11(A)(2), 2009 FDA Food Code, Section 3-305.14, 2009 FDA Food Code, Section 6-202.15, 2009 FDA Food Code, Section 6-202.16, 2009 FDA Food Code, subsection 61C-4.010(1), Florida Administrative Code, and subsection 61C-4.010(6), Florida Administrative Code, from McClover Catering Inc. located in Pompano Beach. The above referenced F.A.C. addresses the requirement for proper handling and dispensing of food. They are requesting to dispense bulk time/temperature control for safety foods from an open air mobile food dispensing vehicle.

The Petition for this variance was published in Vol. 43, No. 5, F.A.R., on January 9, 2017. The Order for this Petition was signed and approved on January 18, 2017. After a complete review of the variance request, the Division finds that the application of this Rule will create a financial hardship for the food service establishment. Furthermore, the Division finds

that the Petitioner meets the burden of demonstrating that the purpose of the underlying statute has been achieved by the Petitioner ensuring that each pan within the steam table is properly covered with an individual lid; the steam table is enclosed within a cabinet with tight-fitting doors, and is protected by an air curtain installed and operated according to the manufacturer's specifications that protects against flying vermin or other environmental contaminants; all steam table foods must be properly reheated for hot holding at approved commissaries and held hot at the proper minimum temperature per the parameters of the currently adopted FDA Food Code; and steam table food is to be dispensed by the operator with no customer self-service. The Petitioner shall also strictly adhere to the operating procedures and copies of the variance and operating procedures are to be present on the MFDV during all periods of operation.

A copy of the Order or additional information may be obtained by contacting: Daisy.Aleman@myfloridalicense.com, Division of Hotels and Restaurants, 2601 Blair Stone Road, Tallahassee, Florida 32399-1011.

Emergency Action

On January 18, 2017, the State Surgeon General issued an Order of Emergency Suspension Order with regard to the certificate of Epiphany Brooks, C.N.A., Certificate # CNA 257880. This Emergency Suspension Order was predicated upon the State Surgeon General’s findings of an immediate and serious danger to the public health, safety and welfare pursuant to Sections 456.073(8) and 120.60(6) Florida Statutes (2016). The State Surgeon General determined that this summary procedure was fair under the circumstances, in that there was no other method available to adequately protect the public.
