DEPARTMENT OF HEALTH

Board of Speech-Language Pathology and Audiology

The Board of Speech-Language Pathology and Audiology hereby gives notice of the issuance of an Order Granting Petition, regarding the Petition for Variance and Waiver for Mia Lawson, filed on June 7, 2017. The Notice of Petition for Variance and Waiver was published June 9, 2017 in Volume 43, No. 112 of the Florida Administrative Register. The Board considered the Petition at a duly-noticed public meeting on July 26, 2017. The Petitioner requested the Board’s waiver of Rule 64B20-6.002, F.A.C., with regard to receiving CEU credit for an ASHA-approved course wherein the instructor did not first secure permission to present the course in Florida prior to offering the course.

The Board’s Order, filed on August 16, 2017, granted the Petition on the following grounds: the Petitioner established that the purpose of the speech-language pathology and audiology licensure statute would be met were she to be granted a waiver of Rule 64B20-6.002, F.A.C., and further established that the Board’s application of this Rule to her circumstances would violate principles of fairness and would impose a substantial hardship on her.

A copy of the Order or additional information may be obtained by contacting: Kama Monroe, Executive Director, Board of Speech-Language Pathology and Audiology, 4052 Bald Cypress Way, Bin C06, Tallahassee, Florida 32399-3256, (850)245-4161, kama.monroe@flhealth.gov.

services to become eligible as state match for federal funds.

The Agency is soliciting public input on the proposal to create a DSHP to serve targeted populations that are enrolled in the Substance Abuse and Mental Health Safety Net System administered by the Department of Children and Families in an effort to enhance long-term outcomes by increasing the use of coordinated, community-based services and supports and reducing the use of intensive services. These populations consist of Medicaid eligible individuals that are at high risk for poor health and social outcomes.

LAND AND WATER ADJUDICATORY COMMISSION

Notice of Receipt of Petition

Petition to Merge the Mediterra North Community Development District and the Mediterra South Community Development District

On May 12, 2017, the Florida Land and Water Adjudicatory Commission (“FLWAC” or “Commission”) received a petition to merge the Mediterra North Community Development District (“Mediterra North CDD”) and the Mediterra South Community Development District “Mediterra South CDD”). The Commission will follow the requirements of Chapter 42-1, F.A.C., and Chapter 190, F.S., as amended, in considering the petition.

SUMMARY OF CONTENTS OF PETITION: The petition requests merger of the Mediterra North CDD and the Mediterra South CDD. Mediterra North CDD currently consists of approximately 521 acres of land located entirely within the City of Bonita Springs, Florida. Mediterra South CDD consists of approximately 1,154 acres of land located entirely within Collier County. Mediterra South CDD is generally located on the northern boundary of Collier County contiguous to Mediterra North CDD. After merger, the surviving district will encompass a total of approximately 1,674.87 acres. According to the petition, the merger is in the best interests of each CDD because, among other reasons, the merger would:

- Eliminate redundant overhead costs and other expenses;
- Promote greater efficiency in existing joint projects;
- Reduce residential assessments; and

Better achieve the original public infrastructure delivery and maintenance plan for the two districts.

SUMMARY OF ESTIMATED REGULATORY COSTS: A statement of estimated regulatory costs (SERC) was prepared at the request of the District. The complete text of the SERC is contained as Exhibit 8 to the petition. Generally, the SERC indicates the rule:

Is not expected to have, or at the most, very limited direct or indirect impact on economic growth, private sector job creation or employment, or private sector investment in excess of \$1 million in the aggregate within 5 years after the implementation of the rule;

Is not likely to have, or at the most, a very limited adverse impact on business competitiveness;

Is not likely to increase regulatory costs, and will only result in a one-time increase in transactional costs, in excess of \$1 million in the aggregate within 5 years after implementation of the rule. The entire cost is estimated to be at approximately

\$50,000 and will be borne by landowners within Mediterra North CDD and Mediterra South CDD;

Will involve the State, City of Bonita Springs, Collier County, and the two districts, as well as property owners within the two districts, which at present time may total approximately 3,000;

Will not directly or indirectly result in any additional costs to the agency or any other state and local government entities and will have no anticipated effect on state or local revenues;

Will not directly or indirectly result in increased transactional costs to any individual or entity aside from the one-time petition and rule adoption costs; and,

Will have no adverse impact on small businesses, counties or cities.

A LOCAL HEARING WILL BE HELD AT THE TIME, DATE AND PLACE SHOWN BELOW:

DATE AND TIME: September 5, 2017, 1:00 p.m.

PLACE: The Club at Mediterra
15755 Corso Mediterra Circle
