DEPARTMENT OF BUSINESS AND PROFESSIONAL
REGULATION

Division of Hotels and Restaurants

RULE NO.: RULE TITLE:

61C-1.004 General Sanitation and Safety Requirements

The Florida Department of Business and Professional Regulation, Division of Hotels and Restaurants hereby gives notice:

On August 21, 2017, the Division of Hotels and Restaurants received a Petition for a Routine Variance for paragraph 61C-1.004(1)(a), Florida Administrative Code and Section 5-203.13, 2009 FDA Food Code, Paragraph 4-301.12(A), 2009 FDA Food Code, subsection 61C-4.10(5), Florida Administrative Code, from Da Kine Poke LLC located in Orlando. The above referenced F.A.C. addresses the requirement that at least one service sink is provided for the cleaning of mops or similar cleaning tools and the disposal of mop water and dishwashing facilities for manually washing, rinsing and sanitizing equipment and utensils are provided. They are requesting to

share the mop sink and warewashing located on the premises of a nearby business under a different ownership.

The Petition for this variance was published in Vol. 43/163 on August 21, 2017. The Order for this Petition was signed and approved on September 7, 2017. After a complete review of the variance request, the Division finds that the application of this Rule will create a financial hardship to the food service establishment. Furthermore, the Division finds that the Petitioner meets the burden of demonstrating that the underlying statute has been achieved by the Petitioner ensuring the mop sink and warewashing facilities located on the premises of Franks and Steins LLC, 150 S Magnolia Ave., Suite 101E, Orlando, FL 32801 is maintained in a clean and sanitary manner and is provided with hot and cold running water under pressure. If the ownership of Da Kine Poke (Da Kine Polk LLC) and/or Franks and Steins (Franks and Steins LLC) changes, a signed agreement for use of the mop sink and warewashing is required immediately.

A copy of the Order or additional information may be obtained by contacting: Daisy.Aleman@myfloridalicense.com, Division of Hotels and Restaurants, 2601 Blair Stone Road, Tallahassee, Florida 32399-1011.

DEPARTMENT OF BUSINESS AND PROFESSIONAL
REGULATION

Division of Hotels and Restaurants

RULE NO.: RULE TITLE:

61C-1.004 General Sanitation and Safety Requirements

The Florida Department of Business and Professional Regulation, Division of Hotels and Restaurants hereby gives notice:

On August 29, 2017, the Division of Hotels and Restaurants received a Petition for an Emergency Variance for paragraph 61C-1.004(1)(a), Florida Administrative Code, Paragraph 5-202.11(A), 2009 FDA Food Code, Paragraph 4-301.12(A), 2009 FDA Food Code, subsection 61C-4.010(5), Florida Administrative Code, paragraph 61C-1.004(1)(a), Florida Administrative Code Section 5-203.13, 2009 FDA Food Code from Triangle Bar 1 located in Jacksonville. The above referenced F.A.C. addresses the requirement that each establishment have an approved plumbing system installed to transport potable water and wastewater; that dishwashing facilities for manually washing, rinsing and sanitizing equipment and utensils are provided, and that each establishment has at least one service sink provided for the cleaning of mops or similar cleaning tools and the disposal of mop water. They are requesting to utilize holding tanks to provide potable water and to collect wastewater at the handwash sink and to share the dishwashing and mop sink facilities with another food service establishment under the same ownership and on the same premise.

The Petition for this variance was published in Vol. 43/169 on August 30, 2017. The Order for this Petition was signed and approved on September 07, 2017. After a complete review of the variance request, the Division finds that the application of this Rule will create a financial hardship to the food service establishment. Furthermore, the Division finds that the Petitioner meets the burden of demonstrating that the underlying statute has been achieved by the Petitioner ensuring the wastewater holding tank for the handwash sink is emptied at a frequency as to not create a sanitary nuisance; and potable water provided must come from an approved source and be protected from contamination during handling. The Petitioner shall also ensure that all the handwash sinks are provided with hot and cold running water under pressure, soap, an approved hand drying device and a handwashing sign. The dishwashing, food preparation and mop sink facility within The Training Table (SEA2613332) must be maintained in a clean and sanitary manner. These areas must also be available to Triangle Bar 1 during all hours of operation. If the ownership of The Training Table (Jacksonville Sportservice Inc.) and/or Triangle Bar 1 (Jacksonville Sportservice Inc.) changes, a signed agreement between the two establishments for the use of the shared facilities must be provided to the division immediately. A copy of the Order or additional information may be obtained by contacting: Daisy.Aleman@myfloridalicense.com, Division of Hotels and Restaurants, 2601 Blair Stone Road, Tallahassee, Florida 32399-1011.

EXECUTIVE OFFICE OF THE GOVERNOR
 Division of Emergency Management
 The Division of Emergency Management
 STATE OF FLORIDA
 DIVISION OF EMERGENCY MANAGEMENT

In re:

SUSPENSION OF STATUTES, RULES DEM
 NO. 17- 0002
 AND ORDERS, MADE NECESSARY
 BY HURRICANE IRMA

 EMERGENCY ORDER

Pursuant to the authority granted by Executive Order No. 17-235, I find that timely execution of the mitigation, response, and recovery aspects of the State’s emergency management plan, as it relates to the Hurricane Irma, is negatively impacted by the application of certain regulatory statutes. Therefore, I promulgate the following:

The provision of health care services and treatment in Florida by any person who holds a valid and unrestricted and unencumbered license in another state, territory, and/or district who accompanies and cares for a patient temporarily residing in the state of Florida during a period not to exceed thirty days (unless extended) is permitted, if such health care practitioner does not represent or hold themselves out as a health care practitioner licensed to practice in Florida. The permitted provision of health care services and treatment by such persons is limited to those licensees as defined in section 456.001(4), part III of chapter 401 and part IV of chapter 468, Florida Statutes. Any statute and/or rule to the contrary is hereby suspended for a period of thirty days unless extended.

The provisions of chapters 499 and 465, Florida Statutes, and rules promulgated thereunder, that if applied, would operate to limit distribution, dispensing or administration of otherwise legitimate prescription drugs in a manner that could hinder, prevent or delay mitigation of any health-related condition are suspended for a period of thirty days, unless extended. This paragraph does not affect any law governing any controlled substance as that term is defined in chapter 893, Florida Statutes.

Because section 252.36(5)(a), Florida Statutes, allows the Governor to suspend the provisions of “any regulatory statute prescribing the procedures for [the] conduct of state business”, and because Executive Order No. 17-235 designates the Director of the Division of Emergency Management as the State Coordinating Officer for this emergency, the requirements of sections 252.46 and 120.54(4), Florida Statutes, do not apply to this Order.

The effective dates of this Order shall correspond with the effective dates of Executive Order No. 17-235.

Executed this 7th day of September, 2017, in Tallahassee, Leon County, Florida.
