PURPOSE AND EFFECT: The purpose of the rule amendment is to update the rule, including the incorporated application form.

SUMMARY: To update the rule and the incorporated form.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that this rule change will not have any impact on licensees and their businesses or the businesses that employ them. The rule will not increase any fees, business costs, personnel costs, will not decrease profit opportunities, and will not require any specialized knowledge to comply. RULE NO.: RULE TITLE:
11B-35.0023 Student Transfers within Basic Recruit Training Programs

The Florida Department of Law Enforcement hereby gives notice:

On May 31, 2017, the Criminal Justice Standards and Training Commission (CJSTC) issued a Final Order granting a waiver of Rule 11B-35.0023, F.A.C., to Angelthon Huyke. Rule 11B-35.0023, F.A.C., permits the transfer of courses from one basic recruit training program to another training school for the same training program under specified conditions; the waiver permits Petitioner, who completed high liability courses during a

corrections basic recruit training program and was erroneously permitted to transfer the credits to a law enforcement basic recruit training program, to receive credit for the high liability courses he completed. The Petition was filed on April 19, 2017, and notice of the petition was published on April 26, 2017, in Vol. 43, No. 81, of the Florida Administrative Register. No public comments were received. In rendering its decision, the CJSTC determined that Petitioner would suffer a substantial hardship were the waiver not granted as he would be ineligible to sit for the SOCE until he completes the high liability courses at a law enforcement basic recruit training program. The CJSTC also determined that a waiver in this matter would serve the purpose of the underlying statutes as it would permit Petitioner to take the SOCE and then seek employment as a law enforcement officer, a position for which he was adequately trained.

A copy of the Order or additional information may be obtained by contacting: Dana Kelly, Agency Clerk, by mail at Agency Clerk-Office of the General Counsel, Florida Department of Law Enforcement, P.O. Box 1489, Tallahassee, FL 32302, by email at AgencyClerk@fdle.state.fl.us or by telephone at (850)410-7676.

Criminal Justice Standards and Training Commission

RULE NO.: RULE TITLE:
11B-30.006 State Officer Certification Examination General Eligibility Requirements

The Florida Department of Law Enforcement hereby gives notice:

On May 31, 2017, the Criminal Justice Standards and Training Commission (CJSTC) issued a Final Order denying a waiver of Rule 11B-35.006, F.A.C., to Angelthon Huyke. Rule 11B-35.006, F.A.C., declares that individuals who, within four years of beginning a basic recruit training program, have successfully completed a commission-approved basic recruit training program, are eligible to take the State Officer Certification Examination (“SOCE”); Petitioner desired a waiver to make him eligible to sit for the SOCE despite having not technically completed the Basic Recruit Training Program because he erroneously received credit for courses completed in another training program. The Petition was filed on April 19, 2017, and notice of the petition was published on April 26, 2017, in Vol. 43, No. 81, of the Florida Administrative Register. No public comments were received. In rendering its decision, the CJSTC determined that fairness did not require a waiver of this rule as petitioner was granted a waiver of another rule that achieved Petitioner’s desired outcome.

A copy of the Order or additional information may be obtained by contacting: Dana Kelly, Agency Clerk, by mail at Agency Clerk-Office of the General Counsel, Florida Department of

Law Enforcement, P.O. Box 1489, Tallahassee, FL 32302, by email at AgencyClerk@fdle.state.fl.us or by telephone at (850)410-7676.

On May 31, 2017, the Criminal Justice Standards and Training Commission (CJSTC) issued a Final Order granting a waiver of subsection 11B-27.002(4), F.A.C., to Alexandria Ward. subsection 11B-27.002(4), F.A.C., gives individuals four years from the start of a Basic Recurit Training Program to complete specified training and examination requirements and to become employed and certified; the waiver permits Petitioner, who has completed the training and examination requirements and is employed as a correctional officer, to maintain her employment and become certified. The Petition was filed on April 25, 2017, and notice of the petition was published on April 26, 2017, in Vol. 43, No. 81, of the Florida Administrative Register. No public comments were received. In rendering its decision, the CJSTC determined that Petitioner would suffer a substantial hardship were the waiver not granted as she would be required to leave employment to complete the training, examination, and hiring process again. The CJSTC also determined that a waiver in this matter would serve the purpose of the underlying statutes as it would result in the continued employment of Petitioner as a correctional officer, a position for which she is currently qualified and adequately trained.
