Variance or Waiver**

DEPARTMENT OF LAW ENFORCEMENT
Criminal Justice Standards and Training Commission
RULE NO.: RULE TITLE:
11B-35.002 Basic Recruit Training Programs for Law Enforcement, Correctional, and Correctional Probation
NOTICE IS HEREBY GIVEN that on April 24, 2017, the Criminal Justice Standards and Training Commission of the

Florida Department of Law Enforcement received a petition for a temporary waiver of paragraph 11B-35.002(2)(a), F.A.C., from Jerry Murphy. Petitioner wishes to permanently waive that portion of the Rule that states: Within 4 years of the beginning date of a Commission-approved Basic Recruit Training Program, an individual shall successfully complete the program, achieve a passing score on the applicable State Officer Certification Examination pursuant to Rule 11B-30.0062, F.A.C., and gain employment and certification as an officer. In justification of his petition for waiver, Petitioner asserts that he began a Corrections Crossover Basic Recruit Training Program in July of 2012, and that during this time, and in the years after, Petitioner was employed as a certified corrections officer. Petitioner further asserts that he applied for law enforcement positions during and after his completion of the Corrections Crossover Program but was not selected for employment until October of 2016, due in part to an eight-month administrative investigation which did not resolve until August of 2016. Petitioner alleges that the Lee County Sheriff's Office is still willing to employ him as a certified law enforcement officer. Petitioner alleges that, should the waiver not be granted, Petitioner will suffer a substantial hardship as he would be unable to serve as a certified law enforcement officer.

A copy of the Petition for Variance or Waiver may be obtained by contacting: Tina Culbertson, Florida Department of Law Enforcement, Criminal Justice Professionalism Division, P.O. Box 1489, Tallahassee, FL 32302 or by telephone at (850)410-8647.

DEPARTMENT OF LAW ENFORCEMENT
Criminal Justice Standards and Training Commission
RULE NO.: RULE TITLE:

11B-27.00225 Controlled Substance Testing Procedures
NOTICE IS HEREBY GIVEN that on April 21, 2017, the Criminal Justice Standards and Training Commission of the Florida Department of Law Enforcement, received a petition for a permanent waiver of Rule 11B-27.00225, F.A.C., from Chief Barry Fox of the St. Augustine Police Department. Petitioner wishes to permanently waive that portion of the Rule that states: (1) The employing agency is required to conduct a background investigation upon each applicant for certification, or employment or appointment, which shall include the analysis of a urine sample furnished by the applicant for the presence of controlled substances or metabolites, which shall be consistent with the procedures for drug testing pursuant to Section 112.0455, F.S. and Rule Chapter 59A-24, F.A.C., which have been adopted by the Agency for Health Care Administration. A new urine sample shall be submitted for analysis following any break-in-service.(2) The employing agency shall verify the following requirements for the collection and analysis of urine samples: (a) The procedures for collection sites and specimen

collection complies with the requirements of Rule 59A-24.005, F.A.C.(b) Each applicant gave written consent prior to giving the sample for collection, analysis for evidence of controlled substances, and disclosure of the analysis results to the employing agency and to the Commission.(c) The procedures for analyzing and reporting the urine sample were consistent with Rule 59A-24.006, F.A.C.(d) The laboratory performing the analysis did analyze the urine sample for the presence of the following seven substances:1. Amphetamines (amphetamine and methamphetamine). 2. Cannabis or Cannabinoids. 3. Cocaine or Cocaine Metabolite. 4. Phencyclidine. 5. Opiates (codeine and morphine). 6. Barbiturates.7. Benzodiazepines. Petitioner alleges that prior to his employment as a law enforcement officer, Petitioner submitted to a pre-employment drug screen; however, the laboratory mistakenly conducted a six-panel drug test instead of the requisite seven-panel drug test. In justification of his petition for waiver, Petitioner asserts that he has been a full-time law enforcement officer since 1993, that he underwent and passed pre-employment background checks, that he has not been disciplined since his employment in 1993, and that he has been subject to random drug screening. Additionally, Petitioner asserts that he passed a seven-panel drug screen on March 17, 2017. Petitioner alleges that, should the waiver not be granted, Petitioner will suffer a substantial hardship as he could lose his certification for not technically completing the pre-certification background check.

A copy of the Petition for Variance or Waiver may be obtained by contacting: Tina Culbertson, Florida Department of Law Enforcement, Criminal Justice Professionalism Division, P.O. Box 1489, Tallahassee, FL 32302 or by telephone at (850)410-8647.

The file has been assigned File No.41-0331225-006-EV. The variance will allow for dredging an approximately 1,150-foot-long navigation channel, approximately 40-foot-wide, to a depth of five (5) feet mean lower low water (-6.56 feet NAVD 1988), and installing 14 navigational aid markers, within Sarasota Bay, a Class II Outstanding Florida Waterbody. The project is located east of Bay Drive South, in Bradenton Beach, Florida, in Section 04, Township 35 South, Range 16 East, in Manatee County, at approximately 27°27'31"N, -82°41'33"W. The variance is being granted because the petitioner has demonstrated that the variance is necessary to relieve or prevent hardship. The Department's file on this matter is available for public inspection during normal business hours, 8:00 a.m. to 5:00 p.m., Monday through Friday, except legal holidays, at the Department of Environmental Protection, 13051 North Telecom Parkway, Suite 101, Temple Terrace, Florida 33637-0926, telephone: (813)470-5700, email: sw_erp@dep.state.fl.us.

This action is final and effective on the date filed with the Clerk of the Department unless a petition for an administrative hearing is timely filed under Sections 120.569 and 120.57, F.S., before the deadline for filing a petition. On the filing of a timely and sufficient petition, this action will not be final and effective until further order of the Department.

Because the administrative hearing process is designed to formulate final agency action, the hearing process may result in a modification of the agency action or even denial of the application.

A person whose substantial interests are affected by the Department's action may petition for an administrative proceeding (hearing) under Sections 120.569 and 120.57, F.S. Pursuant to Rule 28-106.201, F.A.C., a petition for an administrative hearing must contain the following information:

(a) The name and address of each agency affected and each agency's file or identification number, if known; (b) The name, address, and telephone number of the petitioner; the name, address, and telephone number of the petitioner's representative, if any, which shall be the address for service purposes during the course of the proceeding; and an explanation of how the petitioner's substantial interests are or will be affected by the agency determination; (c) A statement of when and how the petitioner received notice of the agency decision; (d) A statement of all disputed issues of material fact. If there are none, the petition must so indicate; (e) A concise statement of the ultimate facts alleged, including the specific facts that the petitioner contends warrant reversal or modification of the agency's proposed action; (f) A statement of the specific rules or statutes that the petitioner contends require reversal or modification of the agency's proposed action, including an explanation of how the alleged facts relate to the specific rules or statutes; and (g) A statement of the relief sought by the petitioner, stating precisely the action that the petitioner wishes the agency to take with respect to the agency's proposed action.

The petition must be filed (received by the Clerk) in the Office of General Counsel of the Department at 3900 Commonwealth Boulevard, Mail Station 35, Tallahassee, Florida 32399-3000. Also, a copy of the petition shall be mailed to the applicant at the address indicated above at the time of filing.

Petitions for an administrative hearing must be filed within 14 days of publication of the notice or within 14 days of receipt of the written notice, whichever occurs first.

Under Section 120.60(3), F.S., however, any person who has asked the Department for notice of agency action may file a petition within 14 days of receipt of such notice, regardless of the date of publication. The failure to file a petition within the appropriate time period shall constitute a waiver of that person's right to request an administrative hearing under Sections 120.569 and 120.57, F.S., or to intervene in this proceeding and participate as a party to it. Any subsequent intervention (in a proceeding initiated by another party) will be only at the discretion of the presiding officer upon the filing of a motion in compliance with Rule 28-106.205, F.A.C.

Under Rule 62-110.106(4), F.A.C., a person whose substantial interests are affected by the Department's action may also request an extension of time to file a petition for an administrative hearing. The Department may, for good cause shown, grant the request for an extension of time. Requests for

extension of time must be filed with the Office of General Counsel of the Department at 3900 Commonwealth Boulevard, Mail Station 35, Tallahassee, Florida 32399-3000, before the applicable deadline for filing a petition for an administrative hearing. A timely request for extension of time shall toll the running of the time period for filing a petition until the request is acted upon.

Mediation is not available in this proceeding.

The applicant, or any party within the meaning of Section 373.114(1)(a) or 373.4275, F.S., may also seek appellate review of this order before the Land and Water Adjudicatory Commission under Section 373.114(1) or 373.4275, F.S. Requests for review before the Land and Water Adjudicatory Commission must be filed with the Secretary of the Commission and served on the Department within 20 days from the date when this order is filed with the Clerk of the Department.

Once this decision becomes final, any party to this action has the right to seek judicial review pursuant to Section 120.68, F.S., by filing a Notice of Appeal pursuant to Rules 9.110 and 9.190, Florida Rules of Appellate Procedure, with the Clerk of the Department in the Office of General Counsel, 3900 Commonwealth Boulevard, M.S. 35, Tallahassee, Florida 32399-3000; and by filing a copy of the Notice of Appeal accompanied by the applicable filing fees with the appropriate District Court of Appeal. The Notice of Appeal must be filed within 30 days from the date this action is filed with the Clerk of the Department.

Emergency Action

On April 24, 2017, the State Surgeon General issued an Emergency Suspension Order with regard to the licenses of Grant B. Satterlee, R.Ph., C.Ph., License numbers PS 22529 and PU 3195. This Emergency Suspension Order was predicated upon the State Surgeon General's findings of an immediate and serious danger to the public health, safety and welfare pursuant to Sections 456.073(8) and 120.60(6) Florida Statutes (2016). The State Surgeon General determined that this summary procedure was fair under the circumstances, in that there was no other method available to adequately protect the public.
