RULE NO.: RULE TITLE:

61H1-33.006 Inactive or Delinquent Florida Certified Public Accountants Who Desire to Become Active Licensees

The Board of Accountancy hereby gives notice: of the issuance of an Order regarding the Petition for Waiver or Variance, filed on September 27, 2018, by Earl Lawrence. The Notice of Petition for Waiver or Variance was published in Vol. 44, No. 194, of the October 4, 2018, Florida Administrative Register. Petitioner sought a waiver or variance of paragraph 61H1-33.006(2)(a) Florida Administrative Code, entitled "Inactive or Delinquent Florida Certified Public Accountants Who Desire to Become Active Licensees," which requires that each Florida certified public accountant, who became inactive or delinquent for one reporting period following their most recent current/active license, shall satisfy the requirements of their most recent biennium while active plus 40 additional CPE hours in Accounting/Auditing and Ethics/Behavioral.

The Board considered the instant Petition at a duly-noticed public meeting, held November 9, 2018, in Tampa, Florida. The Board's Order, filed on December 13, 2018, denied the petition finding that Petitioner had failed to establish that the purpose of

the underlying statute would be met by granting a variance from paragraph 61H1-33.006(2)(a), F.A.C. Upon receipt of the filed order, Petitioner timely elected a hearing pursuant to Section 120.57(2), F.S. The hearing for reconsideration was held on February 1, 2019, in Orlando, Florida, at which time Petitioner provided additional documentation. The Board’s Final Order Granting Reconsideration, Vacating Prior Order and Granting Petition vacated the prior order filed on December 13, 2018, and granted the petition for waiver/variance of paragraph 61H1-33.006(2)(a), F.A.C. The final order was filed on March 6, 2019.

DEPARTMENT OF ECONOMIC OPPORTUNITY
 Division of Community Development
 Final Order No. DEO-19-004
 In re: AMENDMENT TO THE CITY OF KEY WEST, FLORIDA,
 LAND DEVELOPMENT REGULATIONS
 ADOPTED BY CITY OF KEY WEST, FLORIDA,
 ORDINANCE NO. 19-01

FINAL ORDER
APPROVING CITY OF KEY WEST ORDINANCE NO. 19-01

The Department of Economic Opportunity (“Department”) hereby issues its Final Order, pursuant to subsection 380.05(6), Florida Statutes, approving the requested changes to land development regulations (“LDRs”) adopted by the City of Key West, Florida (“City”) by Ordinance No. 19-01 (“Ordinance”).

FINDINGS OF FACT

1. The City is designated as an area of critical state concern by Rule 28-36.002, Florida Administrative Code.
2. The Ordinance was adopted by the City on January 2, 2019, and rendered to the Department on February 4, 2019.
3. The Ordinance creates section 110-261 of the City of Key West Code of Ordinances (“Code”) to create a Heritage Tree Program and allow the City of Key West Tree Commission to

review applications to determine if specific identified trees within the City are “heritage” trees. Heritage Trees shall enjoy the same protections as Specially Protected Trees pursuant to section 110-253 of the Code. Designation as a Heritage Tree is an appealable determination as set forth in section 110-337 of the Code.

CONCLUSIONS OF LAW

4. Any LDR for the City may be amended by the City, but the amendment becomes effective only upon approval by the Department within 60 days after receipt. § 380.05(6), Fla. Stat.
 5. “Land development regulations” include local zoning, subdivision, building, and other regulations controlling the development of land. § 380.031(8), Fla. Stat. The regulations amended by the Ordinance are land development regulations.
 6. The Ordinance is consistent with the City’s Comprehensive Plan generally, as required by section 163.3177(1), Florida Statutes, and specifically, Policy 1-1.5.1, Reinforce and Enhance the City’s Community Appearance.
 7. LDRs enacted, amended, or rescinded within an area of critical state concern must be consistent and in compliance with the principles for guiding development for that area. See § 380.05(6), Fla. Stat. The Principles for Guiding Development for the City are set forth in Rule 28-36.003, Florida Administrative Code.
 8. The Ordinance is consistent and in compliance with the Principles for Guiding Development for the City as a whole, and specifically furthers the following principles:
 - (1)(d) Protection of scenic resources of the City of Key West and promotion of the management of unique, tropical vegetation;
 - (1)(e) Protection of the historical heritage of Key West and the Key West Historical Preservation District; and
 - (2)(b)2. Limitation of the size and species of trees allowed to be removed in clearing, including reasonable exceptions for structure sites and public safety. The ordinance shall provide protection for native tropical vegetation and tree species characteristic of West Indian tropical hardwood hammocks.
- WHEREFORE, IT IS ORDERED that the Department finds that Ordinance No. 19-01 is consistent and in compliance with the City’s Comprehensive Plan and Principles for Guiding Development for the City and is hereby APPROVED. This Final Order becomes effective 21 days after publication in the Florida Administrative Register unless a petition is timely filed as described in the Notice of Administrative Rights below. In re: AMENDMENT TO THE CITY OF KEY WEST, FLORIDA,

LAND DEVELOPMENT REGULATIONS
ADOPTED BY CITY OF KEY WEST, FLORIDA,
ORDINANCE NO. 19-01

FINAL ORDER

APPROVING CITY OF KEY WEST ORDINANCE NO. 19-01

The Department of Economic Opportunity (“Department”) hereby issues its Final Order, pursuant to sections 380.05(6), Florida Statutes, approving the requested changes to land development regulations (“LDRs”) adopted by the City of Key West, Florida (“City”) by Ordinance No. 19-01 (“Ordinance”).

FINDINGS OF FACT

1. The City is designated as an area of critical state concern by Rule 28-36.002, Florida Administrative Code.
2. The Ordinance was adopted by the City on January 2, 2019, and rendered to the Department on February 4, 2019.
3. The Ordinance creates section 110-261 of the City of Key West Code of Ordinances (“Code”) to create a Heritage Tree Program and allow the City of Key West Tree Commission to review applications to determine if specific identified trees within the City are “heritage” trees. Heritage Trees shall enjoy the same protections as Specially Protected Trees pursuant to section 110-253 of the Code. Designation as a Heritage Tree is an appealable determination as set forth in section 110-337 of the Code.

CONCLUSIONS OF LAW

4. Any LDR for the City may be amended by the City, but the amendment becomes effective only upon approval by the Department within 60 days after receipt. § 380.05(6), Fla. Stat.
5. “Land development regulations” include local zoning, subdivision, building, and other regulations controlling the development of land. § 380.031(8), Fla. Stat. The regulations amended by the Ordinance are land development regulations.
6. The Ordinance is consistent with the City’s Comprehensive Plan generally, as required by section 163.3177(1), Florida Statutes, and specifically, Policy 1-1.5.1, Reinforce and Enhance the City’s Community Appearance.
7. LDRs enacted, amended, or rescinded within an area of critical state concern must be consistent and in compliance with the principles for guiding development for that area. See §

380.05(6), Fla. Stat. The Principles for Guiding Development for the City are set forth in Rule 28-36.003, Florida Administrative Code.

8. The Ordinance is consistent and in compliance with the Principles for Guiding Development for the City as a whole, and specifically furthers the following principles:

(1)(d) Protection of scenic resources of the City of Key West and promotion of the management of unique, tropical vegetation;

(1)(e) Protection of the historical heritage of Key West and the Key West Historical Preservation District; and

(2)(b)2. Limitation of the size and species of trees allowed to be removed in clearing, including reasonable exceptions for structure sites and public safety. The ordinance shall provide protection for native tropical vegetation and tree species characteristic of West Indian tropical hardwood hammocks.

WHEREFORE, IT IS ORDERED that the Department finds that Ordinance No. 19-01 is consistent and in compliance with the City's Comprehensive Plan and Principles for Guiding Development for the City and is hereby APPROVED.

This Final Order becomes effective 21 days after publication in the Florida Administrative Register unless a petition is timely filed as described in the Notice of Administrative Rights below. DONE AND ORDERED in Tallahassee, Florida.
