RULE TITLE: Restricted Barber License

PURPOSE AND EFFECT: The purpose of the amendment is  
to adjust the barbering course requirements to reduce the  
number of hours required for a restricted barber's license.

SUMMARY: Update rule text.

**SUMMARY OF STATEMENT OF ESTIMATED  
REGULATORY COSTS AND LEGISLATIVE  
RATIFICATION:**

The Agency has determined that this will not have an adverse

regulatory costs in excess of \$200,000 in the aggregate within  
one year after the implementation of the rule. A SERC has not  
been prepared by the Agency.

The Agency has determined that the proposed rule is not  
expected to require legislative ratification based on the  
statement of estimated regulatory costs or if no SERC is  
required, the information expressly relied upon and described  
herein: During discussion of the economic impact of this rule at  
its Board meeting, the Board, based upon the expertise and  
experience of its members, determined that a Statement of

the rule will not require ratification by the Legislature. No

RULE NO.: RULE TITLE:

61G4-16.005 Duration of Validity

The Construction Industry Licensing Board hereby gives notice: of the issuance of an Order regarding the Petition for Waiver or Variance, filed on March 4, 2019, by John A. Anderson. The Notice of Petition for Waiver or Variance was published in Vol. 45, No. 62, of the March 29, 2019, Florida Administrative Register. Petitioner sought a waiver or variance of Rule 61G4-16.005, F.A.C., entitled "Duration of Validity," that requires for the purpose of certification, a passing grade shall be valid only for a period of four (4) years from the date of the most recently passed portion of the exam.

The Board considered the instant Petition at a duly-noticed public meeting, held May 10, 2019, in Stuart, Florida. The Board's Order, filed on June 12, 2019, denied the petition finding that Petitioner had failed to establish that the purpose of the underlying statute would be met by granting a variance from Rule 61G4-16.005, F.A.C. The Board further found that Petitioner failed to establish that applying the requirements of the aforementioned rule to his circumstances would violate principles of fairness and impose substantial hardship.

A copy of the Order or additional information may be obtained by contacting: Daniel Biggins, Executive Director, Construction Industry Licensing Board, 2601 Blair Stone Road, Tallahassee, Florida 32399-1039 or telephone: (850)487-1395, or by electronic mail to Donald.Shaw@myfloridalicense.com.

On June 20, 2019, the State Surgeon General issued an Order of Emergency Suspension with regard to the certificate of Cheryl A. Cole, C.N.A., Certificate # CNA 234269. This Emergency Suspension Order was predicated upon the State Surgeon General’s findings of an immediate and serious danger to the public health, safety and welfare pursuant to subsections 456.073(8) and 120.60(6) Florida Statutes (2018). The State Surgeon General determined that this summary procedure was fair under the circumstances, in that there was no other method available to adequately protect the public.
