Agency for Persons with Disabilities

RULE NO.: RULE TITLE:
 65G-12.001 Definitions

NOTICE OF CORRECTION

Notice is hereby given that the following correction has been made to the proposed rule in Vol. 46 No. 41, February 28, 2020 issue of the Florida Administrative Register.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has been prepared by the Agency.

The rule does not have an adverse impact on small business and is not likely to increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule because it merely provides definitions for the adoption of a federal standard. The rule does not have an adverse impact on economic growth, private sector job creation or employment, private sector investment, business competitiveness, productivity, or innovation, nor does it increase regulatory costs, including transactional costs.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein:

A SERC Checklist and SERC were prepared by the Agency to determine the need for legislative ratification. Based on this information at the time of the analysis and pursuant to section 120.541, Florida Statutes, the rule will not require legislative ratification because it does not impose regulatory costs.

Any person who wishes to provide information regarding a statement of estimated regulatory costs or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

DEPARTMENT OF CHILDREN AND FAMILIES

Agency for Persons with Disabilities

RULE NO.: RULE TITLE:
 65G-12.002 Electronic Visit Verification
NOTICE OF CORRECTION

Notice is hereby given that the following correction has been made to the proposed rule in Vol. 46 No. 41, February 28, 2020 issue of the Florida Administrative Register.

The Agency has determined that this will **not** have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has been prepared by the Agency.

The Agency has determined that the rule will not directly or indirectly increase regulatory costs because the 21st Century Cures Act ("Cures Act") mandates electronic visit verification for personal care services, home health services, or both rendered to clients requiring an in-home visit furnished under the Medicaid HCBS Waiver. The rule merely reflects the requirements articulated in 42 U.S.C. 1396b(l). The rule does not have an adverse impact on small business and is not likely to increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule because the rule adopts a federal standard. Costs are attributed to the Cures Act, not the rule.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein:

A SERC Checklist and SERC were prepared by the Agency to determine the need for legislative ratification. Based on this information at the time of the analysis and pursuant to section 120.541(4)(a), Florida Statutes, the rule will not require legislative ratification as it adopts a federal standard.

 NOTICE OF CHANGE

Notice is hereby given that the following changes have been made to the proposed rule in accordance with subparagraph 120.54(3)(d)1., F.S., published in Vol. 46 No. 62, March 30, 2020 issue of the Florida Administrative Register. Based on comments by the Joint Administrative Procedures Committee, the Department made changes to the Reporting Instructions Manual, Form DBF-P1-0001. The Department added an effective date of July 2019 on the cover page of the Manual. On page 13 of the Manual, the first sentence in paragraph 1.3.3.3 B. has been changed to read: The Safe-Deposit Box Inventory (DFS-UP-155) form, which is incorporated by reference in Rule 69G-20.035, F.A.C., must be used to inventory the contents of a safe-deposit box.

Division of Alcoholic Beverages and Tobacco

The Department of Business and Professional Regulation, Division of Alcoholic Beverages and Tobacco hereby gives notice: On May 20, 2020, a Final Order on Petition for Waiver of Rule 61A3.054, Florida Administrative Code, filed by Petitioner, Moonshine Suppliers, LLC d/b/a Tailgate Beverages, on January 16, 2020, was issued. Based on the information provided by the Petitioner, the Division concludes that Petitioner's Petition for Waiver failed to demonstrate that Petitioner was entitled to the requested waiver because Petitioner failed to demonstrate that the purpose of the underlying statute will be or has been achieved by other means or that application of the rule creates a substantial hardship or violates the principles of fairness.

The Department of Business and Professional Regulation, Division of Hotels and Restaurants, Bureau of Elevator Safety hereby gives notice: On May 20, 2020, the Department received a request withdrawing the Petition for variance from Centro Asturiano de Tampa, Inc. at 1913 N. Nebraska Ave, Tampa, FL 33602, filed April 1, 2020, and advertised on April 7, 2020, in Vol. 46 No. 68 of the Florida Administrative Register. The Petitioner requested variance of the requirements of an unknown rule of the Florida Building Code, as adopted by 61C-5.001, Florida Administrative Code that requires use of a commercial lift with a 42" door opening. The Department of Business and Professional Regulation, Division of Hotels and Restaurants, Bureau of Elevator Safety is taking no further action on the petition (VW2020-041).

**DEPARTMENT OF BUSINESS AND PROFESSIONAL
 REGULATION**

Division of Hotels and Restaurants

RULE NO.: RULE TITLE:

61C-1.004 General Sanitation and Safety Requirements

The Florida Department of Business and Professional Regulation, Division of Hotels and Restaurants hereby gives notice: On April 29, 2020 the Division of Hotels and Restaurants received a Petition for a Routine Variance for paragraph 61C-1.004(2)(a), Florida Administrative Code, subsection 61C-4.010(7) Florida Administrative Code and subsection 61C-4.010(6), Florida Administrative Code, and Section 6-40.11. 2017 FDA Food Code from HAPPY CORNER CAFE LLC located in Miami. The above referenced F.A.C. addresses the requirement that at least one accessible bathroom be provided for use by customers and employees. They are requesting to utilize bathrooms located on a different level.

The Petition for this variance was published in Vol. 46/86 on May 1, 2020. The Order for this Petition was signed and approved on May 18, 2020 After a complete review of the variance request, the Division finds that the application of this

Rule will create a financial hardship to the food service establishment. Furthermore, the Division finds that the Petitioner meets the burden of demonstrating that the underlying statute has been achieved by the Petitioner ensuring the public bathrooms located on the second floor are maintained in a clean and sanitary manner and are provided with hot and cold running water under pressure, soap, approved hand drying devices, handwash sign and are available during all hours of operation. The Petitioner shall also ensure that directional signage is installed in the main restaurant area clearly stating the location of the bathrooms.

A copy of the Order or additional information may be obtained by contacting: Kasimira.Kelly@myfloridalicense.com, Division of Hotels and Restaurants, 2601 Blair Stone Road, Tallahassee, Florida 32399-1011.

The A-2 Reservoir is designed to increase storage and treatment capacity to accommodate additional flows south to the Central Everglades, which includes Water Conservation Area 3 and Everglades National Park. The additional storage capacity will increase flows to the Central Everglades while also reducing harmful discharges from Lake Okeechobee to the Caloosahatchee River and St. Lucie estuaries. The South Florida Water Management District developed a Post-Authorization Change Report Feasibility Study and Integrated Environmental Impact Statement to evaluate the CEPP A-2 Reservoir project features. The tentatively selected plan indicated that flows increased to the Central Everglades by approximately 370,000 acre-feet on an annual average. These additional flows will benefit habitats for several key indicator species of fish and wildlife in the Central Everglades, including Everglades National Park.

WATER MANAGEMENT DISTRICTS

Southwest Florida Water Management District

RULE NOS.:RULE TITLES:

40D-9.111 Access to and Closures of District Lands

40D-9.191 Plant or Animal Removal, Destruction, or Harassment

NOTICE IS HEREBY GIVEN that Southwest Florida Water Management District has issued an order disposing of the petition for declaratory statement filed by Shannon R. Turbeville (Petitioner) on December 30, 2019. The following is a summary of the agency's disposition of the petition: The Petitioner waived the 90-day deadline provided for in subsection 120.565(3), Fla. Stat. and authorized a 90-day extension that the District could consider additional information. The Southwest Florida Water Management District issued Final Order No. 20-021 (Final Order Denying Petition for Declaratory Statement) on May 19, 2020, at the Governing Board meeting held at the District's headquarters in Brooksville, Florida. The Petition failed to meet the statutory and rule requirements of Section 120.565, Fla. Stat., and Chapter 28-105, Florida Administrative Code, for a Petition seeking a declaratory statement. Specifically, the Petition was denied for the following reasons: I. The Petitioner lacked standing to obtain a declaratory statement because the harm alleged in the Petition did not constitute an injury in fact of sufficient immediacy to establish the Petitioner as a substantially affected person. II. subsection 120.565(1), Fla. Stat., provides that any substantially affected person may seek a declaratory statement regarding an agency's opinion as to the applicability of a statutory provision. The Petition relied on non-existent boating restrictions, outside of the District's jurisdiction and authority, to establish a nexus between the District's land management abilities and Petitioner's hypothetical injuries. The Petitioner's alleged injuries do not exist, nor do they fall within the zone of interest of the applicable statutory provision of which a declaratory statement was sought. (TS2019048).

A copy of the Order Disposing of the Petition for Declaratory Statement may be obtained by contacting: James B. Fussell, Jr., 7601 U.S. Highway 301 North, Tampa, FL 33637-6759, 1(813)985-7481 x. 4665, Jamie.Fussell@swfwmd.state.fl.us.

Finance

NOTICE IS HEREBY GIVEN that the Florida Office of Financial Regulation has received the petition for declaratory statement from Loyalttek, SA. The petition seeks the agency's opinion as to the applicability of Chapter 560, Florida Statutes, as it applies to the petitioner.

On 5/20/2020, the Florida Office of Financial Regulation (Consumer Finance) received a Petition for Declaratory Statement from Loyalttek, SA. The petition seeks a declaratory statement from the Office whether its proposed business model (to act as "program manager" within the state of Florida with respect to various card programs) falls under the Florida Money Transmitter Statute, Chapter 560, Florida Statutes.

A copy of the Petition for Declaratory Statement may be obtained by contacting: Agency Clerk, Office of Financial Regulation, P.O. Box 8050, Tallahassee, Florida 32314-8050, (850)410-9889, Agency.Clerk@flofr.com.
