**DEPARTMENT OF HEALTH**

**Board of Acupuncture**

RULE NO.: RULE TITLE:  
64B1-9.001 Disciplinary Guidelines

PURPOSE AND EFFECT: The Board proposes the rule amendment to update the rule text to add Telehealth Registrants to the rule and update the disciplinary guidelines.

SUMMARY: Update the rule text.

**SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:**

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that this rule change will not have any impact on licensees and their businesses or the businesses that employ them. The rule will not increase any fees, business costs, personnel costs, will not decrease profit opportunities, and will not require any specialized knowledge to comply. This change will not increase any direct or indirect regulatory costs. Hence, the Board determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

RULEMAKING AUTHORITY: 456.079(1), 457.104 FS.

A corrective action plan may follow a suspension for a definite term. Nothing in this provision shall be interpreted as restricting the Board’s ability to impose a suspension for a definite term absent, or accompanied by a correction action plan.

### DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION

Board of Accountancy

The Board of Accountancy hereby gives notice: that on June 15, 2020, an Order was filed on the Petition for Variance or Waiver. The Petition was filed by Maritza Salvador-Barreto, on April 14, 2020, seeking a variance or waiver of paragraph 61H1-28.0052(1)(b), F.A.C., regarding the timeframes with respect to the CPA Examination, which requires that candidates must pass all four sections of the CPA Examination within a rolling eighteen-month period, which begins on the NASBA grade release date for the first test section(s) passed. In the event all four test sections of the CPA Examination are not passed within the rolling eighteen-month period, credit for any test section(s) passed outside the eighteen-month period will expire and that test section(s) must be retaken.

The Notice of Petition for Variance or Waiver was published in Vol. 46, No.79, on April 22, 2020, in the Florida Administrative Register. The Board, at its meeting held on May 15, 2020, voted to grant the Petition for Variance or Waiver finding that Petitioner demonstrated a substantial hardship; demonstrated that application of the rule would violate the principles of fairness; and that the purpose of the underlying statute had been met.

A copy of the Order or additional information may be obtained by contacting: Roger Scarborough, Division Director, Board of Accountancy, 240 NW 76th Dr., Suite A, Gainesville, Florida 32607.
