RULE NO.: RULE TITLE:

64B8-42.001 Licensure by Endorsement

PURPOSE AND EFFECT: The Board proposes the rule amendment to make consistent with Statutory requirements.

SUMMARY: The change is to make rule consistent with Statutory requirements.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that this rule change will not have any impact on licensees and their businesses or the businesses that employ them. The rule will not increase any fees, business costs, personnel costs, will not decrease profit opportunities, and will not require any specialized knowledge to comply. This change will not increase any direct or indirect regulatory costs. Hence, the Board determined that a Statement of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

RULE NO.: RULE TITLE:

64B18-14.002 Disciplinary Guidelines

NOTICE OF CHANGE

Notice is hereby given that the following changes have been made to the proposed rule in accordance with subparagraph 120.54(3)(d)1., F.S., published in Vol. 47 No. 178, September 14, 2021 issue of the Florida Administrative Register. The changes are based upon written comments received by the staff of the Joint Administrative Procedures Committee. The rule now reads as follows:

64B18-14.002 Disciplinary Guidelines.

The Board sets forth below a range of disciplinary guidelines from which disciplinary penalties will be imposed upon a licensee whom it regulates under chapter 456 and 461, F.S. The purpose of the disciplinary guidelines is to give notice to licensees of the range of penalties which will normally be imposed upon violations of particular provisions of either chapters 456, or 461, F.S., and/or any laws and rules adopted pursuant thereto. The brief description of each violation is provided for quick reference and is not intended to convey all elements of any given statutory provision. The full language of each statutory provision cited must be consulted in order to determine the conduct involved. The disciplinary guidelines are based upon a single count violation of each provision listed. Multiple counts of violations of the same provision of chapters 456, or 461, F.S., and/or the laws and rules adopted pursuant thereto, or other unrelated violations contained in the same administrative complaint will be grounds for enhancement of penalties. All penalties at the upper range of the sanctions set forth in the guidelines, i.e., suspension, revocation, etc., include lesser penalties, i.e., fine, probation or reprimand which may be included in the final penalty.

 RULE TITLE: Disciplinary Guidelines
 NOTICE OF CHANGE

Notice is hereby given that the following changes have been made to the proposed rule in accordance with subparagraph 120.54(3)(d)1., F.S., published in Vol. 47 No. 175, September 9, 2021 issue of the Florida Administrative Register. The Board received written comments from the Joint Administrative Procedures Committee on Rule 64B32-5.001, F.A.C. On October 15, 2021, the Board approved changes to the proposed rule language. The changes are as follows:

Substantial rewording of Rule 64B32-5.001, F.A.C. follows. See Florida Administrative Code for present text. 64B32-5.001 Disciplinary Guidelines.

(1) The Board may impose disciplinary penalties upon a determination that an applicant, licensee, or telehealth provider registered under 456.47(4), F.S.:

(a) Has violated any provision of Chapter 468, Part V, F.S., or any rules promulgated thereunder;

(b) Has violated any provision of Chapter 456, F.S., or any rules promulgated thereunder.

(c) Has committed an act defined as “unprofessional conduct” in this rule chapter.

(2) The range of disciplinary penalties which the Board may impose includes any and all set forth in Section 456.072, F.S., unless the conduct to be disciplined falls within the purview of Section 456.0635, F.S., in which case the Board shall impose the penalty specified in Section 456.0635, F.S.

(3) In determining the appropriate disciplinary action to be imposed in each case, the Board shall take into consideration the following factors:

(a) The danger to the public;

(b) The length of time since the date of the violation;

(c) The number of previous disciplinary cases filed against the applicant or licensee;

(d) The length of time the applicant or licensee has practiced;

(e) The actual damage, physical or otherwise, to the patient;

(f) The deterrent effect of the penalty imposed;

(g) The effect of the penalty upon the applicant’s, licensee’s livelihood;

(i) Pecuniary benefits or self-gain inuring to the applicant, licensee, or registrant;

(j) Vulnerability of the patient due to age or disability.

(4) Violations and Range of Penalties. The mitigating or aggravating circumstances used to justify any deviation from the specified guidelines must be enunciated in the final order. The verbal identification of offenses are descriptive only; the full language of each statutory provision cited must be consulted in order to determine the conduct included. For applicants, any and all offenses listed herein are sufficient for refusal to certify an application for licensure. In addition to the penalty imposed, pursuant to Section

456.072(4), F.S., the Board shall recover the costs of the investigation and prosecution of the case. Additionally, if the Board makes a finding of pecuniary benefit or self-gain related to the violation, then the Board shall require refund of fees billed and collected from the patient or a third party on behalf of the patient.
