Petitioner asks the Board, "Could there be a specific date for sending a certified letter and it is returned as refused or no success service, can Petitioner release the escrow to the party that is requesting and

making the demand for the escrow?" "Will Petitioner be protected if a buyer of the transaction appears later to claim the escrow money stating that their brokerage of choice never communicated with them or educated them on the process to request a release and demand?" Except for good cause shown, motions for leave to intervene must be filed within 21 days after the publication of this notice.

NOTICE IS HEREBY GIVEN that the Board of Physical Therapy Practice has issued an order disposing of the petition for declaratory statement filed by by Melson Korattiyil, PT, DPT, MPH, on April 04, 2023. The following is a summary of the agency's disposition of the petition:

The Petitioner sought a determination from the Board regarding clarification of the requirements outlined in Section 486.117, F.S. and Rule 64B17-6.008, F.A.C. and specifically clarification of “what defines a patient session and which interpretation of the 25 supervised patient session requirement is correct,” as it pertained to the statute and rule. The Notice of Petition for Declaratory Statement was published in Vol. 49, No. 68, on April 7, 2023, in the Florida Administrative Register. The Board, at its meeting held on May 19, 2023, denied the Petition for Declaratory Statement finding that the Petitioner has failed to demonstrate that they are a substantially affected person. The Petitioner is already certified to perform dry needling in the State of Florida and therefore lacks standing to seek the requested clarification. Further, the Board finds there is no controversy or doubts concerning the applicability of the referenced statutory and rule provision due to the clear and plain meaning of the terms used in each.
