 Proposed Rules**

DEPARTMENT OF BUSINESS AND PROFESSIONAL REGULATION

Board of Professional Engineers

RULE NO.: RULE TITLE:
 61G15-19.001 Grounds for Disciplinary Proceedings
 PURPOSE AND EFFECT: The Board proposed the rule amendment to update and clarify the rule language regarding grounds for disciplinary proceedings.

SUMMARY: The proposed rule amendment clarifies and updates the rule language regarding grounds for disciplinary proceedings.

SUMMARY OF STATEMENT OF ESTIMATED REGULATORY COSTS AND LEGISLATIVE RATIFICATION:

The Agency has determined that this will not have an adverse impact on small business or likely increase directly or indirectly regulatory costs in excess of \$200,000 in the aggregate within one year after the implementation of the rule. A SERC has not been prepared by the Agency.

The Agency has determined that the proposed rule is not expected to require legislative ratification based on the statement of estimated regulatory costs or if no SERC is required, the information expressly relied upon and described herein: During discussion of the economic impact of this rule at its Board meeting, the Board concluded that this rule change will not have any impact on licensees and their businesses or the businesses that employ them. The rule will not increase any fees, business costs, personnel costs, will not decrease profit opportunities, and will not require any specialized knowledge to comply. This change will not increase any direct or indirect regulatory costs. Hence, the Board determined that a Statement

of Estimated Regulatory Costs (SERC) was not necessary and that the rule will not require ratification by the Legislature. No person or interested party submitted additional information regarding the economic impact at that time.

Any person who wishes to provide information regarding a statement of estimated regulatory costs, or provide a proposal for a lower cost regulatory alternative must do so in writing within 21 days of this notice.

RULEMAKING AUTHORITY: 471.033(2) FS.

Section IV Emergency Rules

DEPARTMENT OF ECONOMIC OPPORTUNITY

Division of Strategic Business Development

RULE NO.: RULE TITLE:

73AER23-1 Local Government Emergency Bridge Loan Program

SPECIFIC REASONS FOR FINDING AN IMMEDIATE DANGER TO THE PUBLIC HEALTH, SAFETY OR WELFARE: The Local Government Emergency Bridge Loan (LGEBL) Program was created to provide financial assistance to local governments impacted by Hurricane Ian or Hurricane Nicole. Absent the LGEBL Program, local governments would have difficulty bridging the gap between the time that the declared disasters occurred and the time that additional funding sources or revenues are secured to provide them with financial assistance. This gap in local government resources presents an immediate danger to the public health, safety, and welfare of those affected local governments by limiting their ability to rapidly respond to the related effects of the declared disasters. Further, this finding is deemed met, as a matter of law, pursuant to Section 2 of Senate Bill 2-B (Session 2023B), which was signed into law by Governor DeSantis on February 15, 2023. Specifically, Section 2 provides, in pertinent part, “The Department of Economic Opportunity may, and all conditions are deemed to be met to, adopt emergency rules pursuant to s. 120.54(4), Florida Statutes, to administer s. 288.066, Florida Statutes, as created by this act.”

REASON FOR CONCLUDING THAT THE PROCEDURE IS FAIR UNDER THE CIRCUMSTANCES: The procedure used in adopting this emergency rule was the most expedient and appropriate means of implementing the Local Government Emergency Bridge Loan Program created by Senate Bill 2-B. Further, this condition is deemed met pursuant to Section 2 of Senate Bill 2-B (Session 2023B), which was signed into law by Governor DeSantis on February 15, 2023, authorizing the Department of Economic Opportunity to create an emergency rule. Specifically, Section 2 provides, in pertinent part, “The Department of Economic Opportunity may, and all conditions are deemed to be met to, adopt emergency rules pursuant to s. 120.54(4), Florida Statutes, to administer s. 288.066, Florida Statutes, as created by this act.”

SUMMARY: Senate Bill 2-B (Session 2023B), signed into law by Governor DeSantis on February 15, 2023, created Section 288.066, Florida Statutes, which establishes the Local Government Emergency Bridge Loan (LGEBL) Program within the Department of Economic Opportunity (DEO) to provide financial assistance to local governments impacted by Hurricane Ian or Hurricane Nicole. The purpose of the LGEBL Program is to assist these local governments in maintaining operations by bridging the gap between the time that the declared disaster occurred and the time that additional funding sources or revenues are secured to provide them with financial assistance. Emergency Rule 73AER23-1 establishes LGEBL Program application submission requirements, application review requirements, and Program loan requirements.

THE PERSON TO BE CONTACTED REGARDING THE EMERGENCY RULE IS: Brandon W. White at brandon.white@deo.myflorida.com, 107 E. Madison St., Tallahassee, FL 32399, (850)245-7150.

THE FULL TEXT OF THE EMERGENCY RULE IS:

73AER23-1 Local Government Emergency Bridge Loan Program

(1) Definitions

(a) Act means the bill enacting section 288.066 of the Florida Statutes.

(b) Applicant means a county or municipality located in an area designated in the Federal Emergency Management Agency disaster declarations for Hurricane Ian or Hurricane Nicole. A county may also apply on behalf of a county school district.

(c) Governmental Operations means costs associated with continuing, expanding, or modifying local governmental operations to meet disaster-related needs, and includes costs such as, but not necessarily limited to, staff salaries and payroll. This term does not include capital and equipment costs associated with the construction, repair, or renovation of damaged public facilities or infrastructure.

(d) Maturity means when the principal balance of the loan becomes due.

(2) Applicants must submit the required documentation to the _____ Department at localgovernmentbridge@deo.myflorida.com. The Department will accept applications until the Department reasonably believes it has received enough eligible applications sufficient to award all funds. The Department may re-open the application window if the Department either receives additional funds to make new loans or if the Department did not ultimately receive enough applications sufficient to award all funds. At any time, the Department may request that an Applicant amend or supplement its application with additional documentation or information.

(3) Application Contents

Applicants must submit the following documentation and information to apply for a Local Government Emergency Bridge Loan:

(a) The name of the hurricane(s) that impacted the local government;

(b) The total amount of funding requested for governmental operations;

(c) Its most recently completed operational audit, if any;

(d) Its two most recent years of audited financial statements;

(e) Reductions in tax revenues, both in the form of dollars and a percentage of revenues, since the time the storm made landfall;

(f) Estimates regarding reductions in future tax revenues, both in the form of dollars and a percentage of revenues, over the next 24 months, not to exceed 10 pages;

(g) A certification signed by the mayor, board chair or chief executive officer (e.g., county manager, city manager) of the county or municipality that loan funds will only be used to continue Governmental Operations or to expand or modify such operations to meet disaster-related needs; and

(h) Any additional or supporting documentation the Applicant believes may support funding its application.

(4) Application Review and Scoring

Applications received within the same period of time will be reviewed and scored. Incomplete applications are not received by the department, will be returned promptly to the Applicant, and will not be scored by the department, until the Applicant has transmitted all the documentation and information set forth above. In the event of a tie and if sufficient funding is not available, then the department may select the application that, based on the documentation provided, demonstrates a greater need for funding. Finally, the Department has the discretion to fund applications at a lower amount than requested, based on the documentation provided, and in relation to demonstrated need from other eligible applicants.

(5) Terms and Interest

(a) The term of any loan shall not exceed 18 months. This period includes any extensions that may be provided by the Department pursuant to the Act.

(b) Interest will not accrue during the term of the loan. At maturity, simple interest will accrue on any unpaid principal balance at a rate of 10 percent.

(c) If an Applicant uses loan funds for a purpose other than Governmental Operations, then the maturity of the loan will automatically accelerate and interest will begin to accrue in accordance with paragraph (b), above.

(6) The Applicant must enter into an agreement with the Department prior to the receipt of funds. The agreement shall be on terms acceptable to the Department in its sole discretion.

(7) The Department may decline to fund a requested loan if the Department believes in its reasonable discretion that:

(a) The Applicant represents a significant risk of nonpayment, or

(b) The receipt of a loan by the Applicant would affect that Applicant's ability to receive reimbursement under federal programs for disaster-related expenses.

Rulemaking Authority 288.066(7) FS. Law Implemented 288.066 FS. History—New 2-28-23.

THIS RULE TAKES EFFECT UPON BEING FILED WITH THE DEPARTMENT OF STATE UNLESS A LATER TIME AND DATE IS SPECIFIED IN THE RULE.

Section V Petitions and Dispositions Regarding Rule Variance or Waiver

DEPARTMENT OF HEALTH

Board of Optometry

RULE NO.: RULE TITLE:

64B13-5.001 Hours Requirement

The Board of Optometry hereby gives notice: of the issuance of an Order regarding the Petition for Waiver or Variance, which was filed on May 16, 2022, by Scott Weil, O.D. The Notice of Petition for Variance or Waiver was published in Volume 48, No. 97, of the Florida Administrative Register, on May 18, 2022. Although a rule is not specified in the petition, Petitioner appears to be seeking a variance or waiver of subsection 64B13-5.001(2), F.A.C., that states in part, for licensed practitioners who are certified optometrists, at least six (6) of the required thirty (30) hours must be of “transcript quality.” Transcript quality CE must be sponsored by a school or college of optometry or equivalent educational entity as approved by the Board, must be obtained at a live in-person attendance course, and must require a test and passing grade.

The Board considered the instant Petition at a duly-noticed public meeting held July 13, 2022 in Sunny Isles, Florida. The Board’s Order, filed on August 25, 2022, denied the petition finding that Petitioner had failed to establish that the purpose of the underlying statute would be met by granting a variance or waiver from subsection 64B13-5.001(2), F.A.C. The Board further finds that Petitioner failed to establish that applying the requirements of the aforementioned rule to petitioner’s circumstances would violate principles of fairness and impose substantial hardship.

A copy of the Order or additional information may be obtained by contacting: Dayle Mooney, Executive Director, Board of Optometry, 4052 Bald Cypress Way, Bin # C07, Tallahassee, Florida 32399-3257, telephone: (850)488-0595, or by electronic mail: MQA.Optometry@flhealth.gov.

The Notice of Petition for Waiver or Variance was published in Volume 48, Number 161, of the August 18, 2022, Florida Administrative Register. The Petitioner was seeking a waiver of the requirement of Rule 64B16-26.351, Florida Administrative Code, that states pursuant to section 465.014, F.S., in order to be registered as a pharmacy technician in Florida, an applicant must have completed a pharmacy technician training program approved by the Board.

The Board considered the instant Petition at a duly-noticed public meeting held October 20, 2022, in Dania, Florida. The Petitioner requested to withdraw the petition. The Board’s Order of Withdrawal was filed on November 8, 2022.

Board of Nursing

NOTICE IS HEREBY GIVEN that the Board of Nursing has issued an order disposing of the petition for declaratory statement filed by Sergey Smirnov, FNP-BC, on April 13, 2022. The following is a summary of the agency's disposition of the petition: The Notice of Petition for Declaratory Statement was published in Volume 48, No. 119, of the June 20, 2022, Florida Administrative Register. The Petitioner seeks the agency's opinion as to the applicability of Chapter 464, F.S., as it applies to the Petitioner. NOTICE IS HEREBY GIVEN that the Board of Nursing has issued an order disposing of the petition for declaratory statement filed by Stacey Eletu, RN, on December 6, 2022. The following is a summary of the agency's disposition of the petition: The Notice of Petition for Declaratory Statement was published in Volume 49, No. 21, of the February 1, 2023, Florida Administrative Register.
