The Department of Commerce (“Department”) hereby issues its Final Order, pursuant to Section 380.05(6), Florida Statutes, approving land development regulations adopted by the Islamorada, Village of Islands, Florida (“Village”), by Ordinance No. 19-04 (the “Ordinance”).

FINDINGS OF FACT

1. The Florida Keys Area is designated by Section 380.0552, Florida Statutes, as an area of critical state concern. The Village is a local government within the Florida Keys Area.
2. The Ordinance was adopted by the Village on April 4, 2019.
3. The Ordinance was rendered to the Department on November 7, 2023.
4. The Ordinance amends the Village’s Code to implement the Workforce-Affordable Housing Initiative within the Village by adding provisions to the Village’s Building Permit Allocation System to allow for the allocation and distribution of building permits for up to 300 workforce-affordable housing units.
5. The Ordinance provides the requirement that individuals residing in the units are subject to evacuating prior to the mandatory 24-hour hurricane evacuation timeframe. The affordable housing units are referred to and defined as “Affordable – Early Evacuation Residential Units.”
6. The Ordinance also establishes evaluation and award criteria for the units and specifies that certain first-response and emergency personnel are exempt from the early-evacuation requirement.

11. The Ordinance is consistent with the Principles for Guiding Development for the Village as a whole, and specifically furthers the following Principles:
