RULE NO.: 73CER25-1 RULE TITLE: Utility Relocation Reimbursement Grant Program

SPECIFIC REASONS FOR FINDING AN IMMEDIATE DANGER TO THE PUBLIC HEALTH, SAFETY OR WELFARE: Section 337.4031(6), Florida Statutes, provides, “The Department of Commerce is authorized to adopt emergency rules pursuant to s. 120.54(4) to administer and enforce the provisions of this section.”

REASON FOR CONCLUDING THAT THE PROCEDURE IS FAIR UNDER THE CIRCUMSTANCES: The procedures are fair in that they provide equal opportunity to providers of communications services which are subject to chapter 202, Florida Statutes, to apply for reimbursement for eligible costs incurred in relocating facilities at the request of a county or municipal authority.

SUMMARY: The rule provides the procedures, administration, and eligibility criteria for the Utility Relocation Reimbursement Grant Program.

THE PERSON TO BE CONTACTED REGARDING THE EMERGENCY RULE IS: Bradley Dillon, Assistant General Counsel, (850)245-7157, Bradley.Dillon@commerce.fl.gov.

THE FULL TEXT OF THE EMERGENCY RULE IS:

73CER25-1 Utility Relocation Reimbursement Grant Program.

(1) For the purpose of administering section 337.4031, F.S., and these rules, the following definitions apply:

(a) “Administrative costs” means expenses related to the general management or overhead of the Provider’s business that are not directly attributable to the physical relocation of the Provider’s facility. Administrative costs include, but are not limited to, salaries, office expenses, accounting, legal services, and indirect costs associated with the Provider’s overall operations rather than the relocation project itself.

(b) “Authority” means a county or municipality having jurisdiction and control of the rights-of-way of any public road.

(c) “Complete Application” means a submitted application that contains all of the information and documentation required by Rule 73CER25-1.

(d) “Department” means the Florida Department of Commerce.

(e) “Directly Attributable” means costs that are a necessary and reasonable consequence of the physical relocation of the Provider’s facility as requested by a county or municipal authority and that would not have been incurred but for the relocation. The term includes only those expenses that are directly and demonstrably caused by the relocation activity and excludes Administrative Costs.

(f) “Eligible Costs” means actual, prudent, reasonable, and documented expenses directly attributable to the physical relocation of facilities required by a county or municipal authority. Eligible Costs do not include Administrative Costs.

(g) “Facility” or “Facilities” means a Provider’s permitted infrastructure within a planned or existing right-of-way of a public road or publicly owned rail corridor in Florida which requires relocation at the request of a county or municipal authority.

(g) “Provider” means a provider of communications services, as defined in section 202.11, F.S., that is subject to Chapter 202, F.S.

(2) To be eligible for reimbursement under section 337.4031, F.S., a Provider must:

(a) Lawfully operate and maintain a facility within the right-of-way of a public road or publicly owned rail corridor at the time relocation is requested by a county or municipal authority.

(b) Provide the written request from the county or municipal authority requiring relocation of the Provider’s facility in connection with a project located in a planned or existing right-of-way of a public road or publicly owned rail corridor.

(c) Submit a complete application and documentation sufficient to establish the Eligible Costs requested by the Provider are eligible.

(d) Request reimbursement for work completed on or after October 1, 2025.
