Meter Mechanic Registration

Category _____ (Retail, Wholesale and/ or LP Gas)

Limitations: _____

This mechanic has registered with the Department as required by law as a meter mechanic qualified to service meters used in the designated category. This mechanic is not authorized to break the seal on any meter for which the registrant does not use a calibrated test measure of correct capacity. Violations of the provisions of Chapter 525, F.S., may subject this mechanic to penalties and/or revocation or suspension of said registration pursuant to Chapter 525, F.S.
