Per Chapter 482.091, Florida Statutes, a licensee or certified operator may not assign or use an employee to perform any category of pest control without providing trained supervision unless the employee is trained and qualified in that category of pest control. An employee may not perform, solicit, inspect, or apply pest control without first having been provided at least 5 days (40 hours) of field training in the appropriate category of pest control under the direct supervision, direction, and control of a certified operator. This form must be completed in its entirety to document this initial training. Each trainer shall sign in the box below indicated as "Trainer" for each session for which they have provided training.

Employee Name: _____

Employee Date of Birth: _____ ID Card Number: _____ (If not issued, use JB number)
