<p>Important Information for Applicants Submitting Fingerprints Where Criminal Record Results Will Become Part of the Statewide Automated Biometric Identification System</p>

This memo includes information concerning the following topics:

- Sharing of Criminal History Record Information with the Division of Licensing
- Retention of Fingerprints
- Privacy Policy
- Right to Challenge an Incorrect Criminal History Record

This notice is to inform you that when you submit a set of fingerprints to the Florida Department of Law Enforcement (FDLE) for the purpose of conducting a search for any Florida and national criminal history records that may pertain to you, the results of that search will be returned to the Florida Department of Agriculture and Consumer Services, Division of Licensing.

By submitting fingerprints, you are authorizing the dissemination of any state and national criminal history record that may pertain to you to the Division of Licensing, from which you are seeking approval to be licensed to work within the private investigation, private security, or recovery industries pursuant to Chapter 493, Florida Statutes. The fingerprints submitted will be retained by FDLE, and the Division of Licensing will be notified if FDLE receives information indicating that you have been arrested in Florida.

Your Social Security Number (SSN) is needed to keep records accurate because other people may have the same name and date of birth. Disclosure of your SSN is imperative for the performance of the Division of Licensing's duties in distinguishing your identity from that of other persons whose identification information may be the same as or similar to yours.

Licensing agencies are allowed to release a copy of the state and national criminal record information to a person who requests a copy of his or her own record if the identification of the record was based on submission of the person's fingerprints. Therefore, if you wish to review your record, you may request that the Division of Licensing provide you with a copy. If, after you have reviewed the criminal history record, you believe it is either incomplete or inaccurate, you may conduct a personal review as provided in s. 943.056, F.S., and Rule 11C8.001, F.A.C. If you believe information received from the FBI is in error, you may contact the FBI at (304) 625-2000. You can receive any national criminal history record that may pertain to you directly from the FBI pursuant to 28 CFR Sections 16.30-16.34. You have the right to obtain a prompt determination as to the validity of your challenge before a final decision is made about your status as licensee.

The processing of your application for licensure may not be finalized until the criminal history background check is completed.

The FBI's Privacy Statement on the reverse side of this document contains additional information.
