Students with Disabilities Emergency	respect for the college, the instructor, the course, your classmates and yourself. Any violation of this trust, including but not limited to cheating, plagiarism, collusion, or using or having any content of an unadministered test, will result in immediate dismissal from the course. Under Florida Statute 633, any student dismissed for academic dishonesty can be refused acceptance for any course administered by FSFC. Any student who has a permanent or temporary disability that may require a reasonable accommodation to participate in the course must present documentation of the disability and requested accommodation no later than the beginning of the course.  Occupants of buildings on the Florida State Fire College campus are
Evacuation Policy	required to evacuate and assemble outside when a fire alarm is activated or an announcement is made. Please be aware of the following policies
	<ul> <li>regarding evacuation.</li> <li>Familiarize yourself with all exit doors of the classroom and the building.</li> <li>Remember that the nearest exit door may not be the one you used when you entered the building.</li> </ul>
	• If you require assistance to evacuate, inform the instructor on the first day of class.
	<ul> <li>In the event of an evacuation, follow the guidance of the instructor.</li> <li>Do not re-enter a building unless you are given instructions by Florida State Fire College personnel to do so.</li> </ul>
Requesting Emergency Care	Any request for emergency care should be initiated by calling "911" from any phone on campus of the Florida State Fire College. Phones are located in each classroom. Additionally, in the event of any emergency, immediately contact an instructor or staff member.
Critical Event Procedures	Severe Weather – there is a lightning detection system on campus which has an audible 15 second blast of an air horn. If you are outside, please follow your instructor or move to the closest permanent building. Once the threat is over, there will be three 5 second blasts of the signal.
	Security – During the daytime, security is handled by full time faculty and staff. There are security guards on duty in the evenings and weekends. Please comply with the requests made of security officers. Failure to do so can result in removal from campus.
	Student Badges – You will be issued a badge to be worn anytime you are on campus.
Enabling Objectives	
Practical	The student shall successfully demonstrate a minimum of % of the
Applications	below JPR's of NFPA
