the Florida Department of Revenue on behalf of the State of Florida, in the sum of \$	State of	County of	Bond Number	
for the payment of which we bind ourselves, our successors, assigns, heirs, and personal representatives, jointly and severally. Principal acknowledges that it has chosen to make payments in lieu of contributions according to section 443.1315, Florida Statutes (F.S.) and will timely pay all bills within 30 days of the mailing date of each bill according to s. 443.1315, F.S. THE CONDITION OF THIS BOND is that the principal faithfully and timely complies with the payment provisions contained in s. 443.1315, F.S. regarding such reemployment tax debts of the Indian tribe or tribal unit then this bond is void; otherwise it remains in force. The surety agrees that if the surety chooses to cancel this bond, notification must be submitted in writing to the Department. The bond will be cancelled 90 days after the Department receives notification. The surety is liable for acts committed by the principal and covered by the terms of the bond until it is cancelled. The Department shall calculate the amount of the bond by determining the average amount of benefits charged to the principal per quarter during the previous calendar year and multiplying that average by two. If there is insufficient employment history to determine the average, the amount of the bond shall be the number of the principal's employees multiplied by thirty percent and that figure shall then be multiplied by \$3,000 to arrive at the bond amount. The Department may review the bond annually to determine if there is a need to adjust the face amount. If the Department determines that the bond amount needs to be increased it shall advise the Indian tribe or tribal unit which shall have 90 days from the date of notification to increase the amount of the bond.	We,, (Name of Principal)	as Principal, and	as Surety, are bound to (Name of Surety)
