Such engagements shall be agreed upon performance attestations to assess the company's overall compliance with rules and the company's internal controls regarding these regulatory requirements.

(2) The initial audit must be completed one year after the Commission issues a standardized audit plan outlining the scope of the engagement and the extent of compliance testing to be performed by third-party auditors and shall be conducted every two years thereafter, unless directed otherwise by the Commission. The following minimum requirements shall apply:

(i) The audit must be conducted by a licensed certified public accounting firm that is independent of the carrier.

(ii) The engagement shall be conducted consistent with government accounting standards (GAGAS).

(3) The certified public accounting firm shall submit to the Commission any rule interpretations necessary to complete the biennial audit, and the Administrator shall notify all firms subject to the biennial audit requirement of such requests. The audit issue will be noted, but not held as a negative finding, in future audit reports for all carriers subject to this requirement unless and until guidance has been provided by the Commission.

(4) Within 60 days after completion of the audit work, but prior to finalization of the report, the third party auditor shall submit a draft of the audit report to the Commission and the Administrator, who shall be deemed authorized users of such reports. Finalized audit reports must be provided to the Commission, the Administrator, and relevant states and Tribal governments within 30 days of the issuance of the final audit report. The reports will not be considered or deemed confidential.

(5) *Delegated authority.* The Wireline Competition Bureau and the Office of Managing Director have delegated authority to perform the functions specified in paragraphs (a)(2) and (a)(3) of this section.

(b) *Audit requirements for new eligible telecommunications carriers.* After a company is designated for the first time in any state or territory, the Administrator will audit that new eligible telecommunications carrier to assess its overall compliance with the rules in this subpart and the company's internal controls regarding these regulatory requirements. This audit should be conducted within the carrier's first twelve months of seeking federal low-income Universal Service Fund support, unless otherwise determined by the Office of Managing Director.

§ 54.423 Budget.

(a) *Amount of the annual budget.* The initial annual budget on federal uni-

versal support for the Lifeline program shall be \$2.25 billion.

(1) *Inflation increase.* In funding year 2016 and subsequent funding years, the \$2.25 billion funding cap on federal universal service support for Lifeline shall be automatically increased annually to take into account increases in the rate of inflation as calculated in paragraph (a)(2) of this section.

(2) *Increase calculation.* To measure increases in the rate of inflation for the purposes of paragraph (a) of this section, the Commission shall use the Consumer Price Index for all items from the Department of Labor, Bureau of Labor Statistics. To compute the annual increase as required by this paragraph (a), the percentage increase in the Consumer Price Index from the previous year will be used. For instance, the annual increase in the Consumer Price Index from 2015 to 2016 would be used for the 2017 funding year. The increase shall be rounded to the nearest 0.1 percent by rounding 0.05 percent and above to the next higher 0.1 percent and otherwise rounding to the next lower 0.1 percent. This percentage increase shall be added to the amount of the annual funding cap from the previous funding year. If the yearly average Consumer Price Index decreases or stays the same, the annual funding cap shall remain the same as the previous year.

(3) The Wireline Competition Bureau shall issue a public notice on or before July 31 containing the results of the calculations described in § 54.403(a)(2) and setting the budget for the upcoming year beginning on January 1.

(b) If spending in the Lifeline program meets or exceeds 90 percent of the Lifeline budget in a calendar year, the Wireline Competition Bureau shall prepare a report evaluating program disbursements and describing the reasons for the program's growth along with any other information relevant to the operation of the Lifeline program. The Bureau shall submit the report to the Commission by July 31st of the following year.
