(4) No conditions or requirements may be included in the SILC's resource plan that may compromise the independence of the SILC.

(5) The SILC is responsible for the proper expenditure of funds and use of resources that it receives under the resource plan.

(6) A description of the SILC's resource plan must be included in the State plan. The plan should include:

(1) Work with Centers for Independent Living to coordinate services with public and private entities to improve services provided to individuals with disabilities;

(2) Conduct resource development activities to support the activities described in the approved SPIL and/or to support the provision of independent living services by Centers for Independent Living; and

(3) Perform such other functions, consistent with the purpose of this part and comparable to other functions described in section 705(c) of the Act, as the Council determines to be appropriate and authorized in the approved SPIL.

§ 1329.17 General requirements for a State plan.

(a) The State may use funds received under Part B to support the Independent Living Services program and to meet its obligations under the Act, including the section 704(e) requirements that apply to the provision of independent living services. The State plan must stipulate that the State will provide IL services, directly and/or through grants and contracts, with Federal, State or other funds, and must describe how and to whom those funds will be disbursed for this purpose.

(b) In order to receive financial assistance under this part, a State shall submit to the Administrator a State plan for independent living.

(1) The State plan must contain, in the form prescribed by the Administrator, the information set forth in section 704 of the Act, including designation of an Agency to serve as the designated State entity, and such other information requested by the Administrator.

(2) The State plan must contain the assurances set forth in section 704(m) of the Act.

(3) The State plan must be signed in accordance with the provisions of this section.

(4) The State plan must be submitted 90 days before the completion date of the proceeding plan, and otherwise in the time frame and manner prescribed by the Administrator.

§ 1329.20

(5) The State plan must be approved by the Administrator.

(c) The State plan must cover a period of not more than three years and must be amended whenever necessary to reflect any material change in State law, organization, policy, or agency operations that affects the administration of the State plan.

(d) The State plan must be jointly—

(1) Developed by the chairperson of the SILC, and the directors of the CILs, after receiving public input from individuals with disabilities and other stakeholders throughout the State; and

(2) Signed by the—

(i) Chairperson of the SILC, acting on behalf of and at the direction of the SILC;

(ii) The director of the DSE, signifying agreement to execute the responsibilities of the DSE identified in section 704(c) of the Act; and

(iii) Not less than 51 percent of the directors of the CILs in the State. For purposes of this provision, if a legal entity that constitutes the “CIL” has multiple Part C grants considered as separate Centers for all other purposes, for SPIL signature purposes, it is only considered as one Center. CILs with service areas in more than one State that meet the other applicable requirements are eligible to participate in SPIL development and sign the SPIL in each of the relevant States.

(e) The State plan must provide for the review and revision of the plan, not less than once every three years, to ensure the existence of appropriate planning, financial support and coordination, and other assistance to meet the requirements of section 704(a) of the Act.

(f) The public, including people with disabilities and other stakeholders throughout the State, must have an opportunity to comment on the State plan prior to its submission to the Administrator and on any revisions to the approved State plan. Meeting this standard for public input from individuals with disabilities requires providing reasonable modifications in policies, practices, or procedures; effective communication and appropriate auxiliary aids and services for individuals with disabilities, which may include the provision of qualified inter-

45 CFR Ch. XIII (10–1–18 Edition)

preters and information in alternate formats, free of charge.

(1) The requirement for public input in this section may be met by holding public meetings before a preliminary draft State plan is prepared and by providing a preliminary draft State plan for comment prior to submission.

(2) To meet the public input standard of this section, a public meeting requires:

(i) Accessible, appropriate and sufficient notice provided at least 30 days prior to the public meeting through various media available to the general public, such as Web sites, newspapers and public service announcements, and through specific contacts with appropriate constituency groups.

(ii) All notices, including notices published on a Web site, and other written materials provided at or prior to public meetings must be available upon request in accessible formats.

(g) The State plan must identify those provisions that are State-imposed requirements. For purposes of this section, a State-imposed requirement includes any State law, regulation, rule, or policy relating to the DSE’s administration or operation of IL programs under Title VII of the Act, including any rule or policy implementing any Federal law, regulation, or guideline that is beyond what would be required to comply with the regulations in this part.

§ 1329.22 Competitive awards to new Centers for Independent Living.

(a) Subject to the availability of funds and in accordance with the order of priorities in section 722(e) of the Act and the State Plan's design for the statewide network of Centers, an eligible agency may receive Part C funding as a new Center for Independent Living in a State, if the eligible agency:

§ 1329.23

The Administrator shall annually conduct reviews of at least 15 percent of the Centers.
