Note: A ✓ means 100% of the benefit is paid. +Only applicants first eligible for Medicare before January 1, 2020 may purchase Plans C, F, and high deductible F. This chart shows the benefits included in each of the standard Medicare supplement plans. Some plans may not be available. Every company must make Plan A available.

1 - Plans F and G also have a high deductible option which require first paying a plan deductible of [\$2240] before the plan begins to pay. Once the plan deductible is met, the plan pays 100% of covered services for the rest of the calendar year. High deductible Plans F and G do not cover the separate Foreign travel emergency deductible. High deductible Plan G does not cover the Medicare Part B deductible. However, high deductible Plans F and G count your payment of the Medicare Part B deductible toward meeting the plan deductible.

2 - Plans K and L pay 100% of covered services for the rest of the calendar year once you meet the out-of-pocket yearly limit.

3 - Plan N pays 100% of the Part B coinsurance, except for a co-payment of up to \$20 for some office visits and up to a \$50 co-payment for emergency room visits that do not result in an inpatient admission.

BASIC BENEFITS

Hospitalization –Part A coinsurance plus coverage for 365 additional days after Medicare benefits end.

Medical Expenses –Part B coinsurance (generally 20% of Medicare-approved expenses) or copayments for hospital outpatient services. Plans K, L and N require insureds to pay a portion of Part B coinsurance or co-payments.

Blood –First three pints of blood each year.

Hospice— Part A coinsurance.
