# Due Dates, Electronic Filing and Payment, and Other Filing Information

**Due Dates:** Returns and payments are due on the 1st and late after the 20th day of the month following each reporting period. If the 20th falls on a Saturday, Sunday, or a state or federal holiday, your return must be received electronically, postmarked, or hand delivered on the first business day following the 20th. **You must file a return for each reporting period, even if no solid waste taxes, fees, or surcharges are due.**

**Electronic Filing and Payment:** You can file and pay solid waste taxes, fees, and surcharges by using the Department's website or you may purchase software from a software vendor. If you would like to voluntarily file and pay solid waste taxes, fees, and surcharges electronically, you may do so. Solid waste taxpayers who paid **\$20,000 or more** in solid waste taxes, fees, and surcharges during the most recent state fiscal year (July through June) **are required** to file and pay solid waste taxes, fees, and surcharges electronically during the next calendar year (January through December).

**Enroll to file and pay electronically:** Visit the Department's website at: [floridarevenue.com](http://floridarevenue.com). After you complete your electronic enrollment, additional instructions on electronic filing will be mailed to you.

**Due Dates for Initiating Electronic Payments:** To avoid penalty and interest, you must **initiate your electronic payment and receive a confirmation number no later than 5:00 p.m., ET, on the business day prior to the 20th.** Keep the confirmation number in your records. For a list of deadlines for initiating electronic payments on time, visit: [floridarevenue.com/forms](http://floridarevenue.com/forms), select the e-Services section, and then select the current year *Florida eServices Calendar of Electronic Payment Deadlines* (Form DR-659).

**No Tax Due?** **You must file a tax return for each reporting period, even if no solid waste tax, fees, or surcharges are due.** If no taxes, fees, or surcharges are due, enter "0" on Line 10, "Amount due with return."

**Due Date Reminders:** If you file your paper returns monthly or quarterly, you can sign up to receive an email every reporting period, reminding you of the due date. Visit: [floridarevenue.com/dor/subscribe](http://floridarevenue.com/dor/subscribe). Electronic filers will receive due date reminders without using the subscription service.

**Amended replacement returns:** If you discover that your original return was incorrect, you must complete an amended return and submit it electronically or by mail. Your amended return will replace any return you previously filed for the same reporting period. It is important that you complete the amended return as it should have been originally filed rather than entering only additional or corrected information.

The quickest way to file an amended return is online. Visit the Department's website at: [floridarevenue.com](http://floridarevenue.com) to submit your amended return electronically and pay any additional tax due or report an overpayment.

If you choose to file an amended return by mail, you will need a blank return from the Department. To download a blank return, visit: [floridarevenue.com/forms](http://floridarevenue.com/forms), select the Solid Waste and Surcharge section, and select the return that you need. **Write your certificate number, reporting period, business name, and address on the return.**

- Write "Amended replacement" on the return you use. (see example below)
- Enter the correct information on Lines 1-10.

The image shows a form titled "Solid Waste and Surcharge Return" with the form number "DR-155W". It has fields for "Certificate Number" and "Reporting Period". A large "T" is drawn over the top right section, and the words "Amended replacement" are written in bold across the top. Below this, there is a table with 10 rows and 10 columns for numerical entry. The rows are labeled: 5. Total tax, fees, and surcharge due (from Line 5 on reverse side); 6. Less credits; 7. Net amount due; 8. Plus penalty; 9. Plus interest; 10. Amount due with return. Below the table is the Florida Department of Revenue address: 5050 W TENNESSEE ST, TALLAHASSEE FL 32399-0120. At the bottom left, there is a "Due: Late After:" checkbox with the text "Check here if payment was made electronically."

Your amended return may result in an overpayment or an additional amount due. If you overpaid the amount due with your original return or you owe an additional amount, the amount reported on Line 10 of the amended return will not match any overpayment or any additional amount due. You must pay any additional amount due with the amended return. If you have overpaid, a credit for the amount overpaid will be issued.

**Checks or Money Orders (NO Cash):** Tax payments must be in U.S. funds only. Make checks or money orders payable to the Florida Department of Revenue. **Write your certificate number on your check or money order.** Mail your check or money order with your return.

**Mailing Your Returns and Payments:** If you received window-style envelopes from the Department, be sure to place your return in the envelope so the Department's mailing address can be seen in the window of the envelope. **If you use a return without your business information printed on it, write your business name, address, certificate number, and reporting period in the spaces provided.** If you do not have a window-style return envelope, mail your return and payment to:

Florida Department of Revenue  
5050 W Tennessee St  
Tallahassee FL 32399-0120

**If you need to replace lost or damaged returns or coupon books,** call Taxpayer Services at 850-488-6800, Monday through Friday, excluding holidays.

closing or selling the business. Your final return must cover the period from your most recent return filing to the closing date.

**Submit a new registration (online or paper) if you:**

- move your business location from one Florida county to another (does not apply to accounts for the dry-cleaning gross receipts tax);

## **Explanation of Taxes, Fees, and Surcharges Reported on the DR-15SW**

**Gross Receipts Tax on Dry-Cleaning/Laundrying:** A gross receipts tax is imposed on every dry-cleaning and dry drop-off facility engaged in the business of dry-cleaning or laundering clothing and other fabrics, and providing coin-operated dry-cleaning machines in Florida. This tax is not imposed on the receipts received from coin-operated laundry machines or on laundry done on a wash, dry, and fold basis.

**New Tire Fee:** The new tire fee is imposed on dealers making retail sales of new motor vehicle tires, including those sold to governmental entities or tax-exempt entities, when such sales are made within Florida. The fee is due whether the tire is sold separately or as a component part of the vehicle. The fee must be separately stated on the sales receipt or invoice and included in the total amount subject to sales tax.

**Lead-Acid Battery Fee:** The lead-acid battery fee is imposed on dealers making retail sales of new and remanufactured lead-acid batteries, including those sold to governmental entities, or tax-exempt entities, when such sales are made within Florida. The fee applies to new and remanufactured batteries for use in motor vehicles (on-road or off-road), vessels, or aircraft. The fee is due whether the battery is sold separately or as a component part of the vehicle, vessel, or aircraft. If the dealer passes this fee along to the purchaser as a cost item, the dealer must separately state the fee on the sales receipt or invoice and include it in the total amount subject to sales tax.

**Rental Car Surcharge:** The rental car surcharge is imposed on the lease or rental of, or use under a car-sharing service membership of, motor vehicles designed to accommodate less than nine passengers. The surcharge does not apply to the lease or rental of motorcycles, mopeds, trucks, trailers, recreational vehicles, or van conversions. The lease or rental is exempt from the surcharge when the purchaser issues a sales tax exemption certificate to lease or rent the motor vehicle exempt from sales tax.

A \$2 per day rental car surcharge applies to the first 30 days, or portion of a day, a motor vehicle is continuously leased or rented in Florida to one person, even when the vehicle is licensed outside Florida.

A \$1 per usage rental car surcharge applies to the use of a motor vehicle by a member of a car-sharing service for a period of less than 24 hours. If the member uses the motor vehicle for 24 hours or more in a single usage, the \$2 per day surcharge applies.

**Report the Surcharge by County (DR-15SWS Schedule):** Florida law requires dealers to report the rental car surcharge by the county where the lessee picks up the passenger motor vehicle. If you have multiple business locations at which you lease or rent motor vehicles designed to accommodate less than nine passengers, you must have a separate *Certificate of*

*Registration* for each business location and report the rental car surcharge due for that business location.

Complete Form DR-15SWS, *Schedule of Rental Car Surcharge by County*, when:

- You lease or rent a vehicle from your business location in one Florida county and your customer picks up the vehicle in another Florida county. Use Form DR-15SWS to report the surcharge in the county where the vehicle is picked up.
- You have no business locations in Florida and you lease a vehicle for 12 months or longer that is registered, licensed, or titled in Florida. Use Form DR-15SWS to report the surcharge in the county where the residence address of the lessee identified on the vehicle registration, license, or title is located.

On Form DR-15SWS, *Schedule of Rental Car Surcharge by County*, enter the rental car surcharge by the county where the surcharge is attributed. Total the surcharge due for all counties and enter the total amount on the Rental Car Surcharge Due line (Line 4) on the back of the DR-15SW, *Solid Waste and Surcharge Return*.

Dealers who electronically file their returns (DR-15SW) will complete the DR-15SWS schedule electronically.
