• • • Supplementary Material: -----

.01 The terms used in this Rule 6191 shall have the same meaning as provided in the Plan, unless otherwise specified.

.02 No member shall break an order into smaller orders or otherwise effect or execute an order to evade the requirements of the Trade-at Prohibition of this Rule or any other provisions of the Plan.

.03 For purposes of the reporting requirement in Appendix B.II.(n), a Trading Center shall report "Y" when it is relying upon the Retail Investor Order exception to Test Groups Two and Three, and "N" in all other instances.

.04 For purposes of Appendix B.I, the field "Affected by Limit-Up Limit-Down bands" shall be included. A Trading Center shall report a value of "Y" when the ability of an order to execute has been affected by the Limit-Up Limit-Down (LULD) bands in effect at the time of order receipt. A Trading Center shall report a value of "N" when the ability of an order to execute has not been affected by the LULD bands in effect at the time of order receipt. For purposes of Appendix B.I, the Participants shall classify all orders in Pilot and Pre-Pilot Securities that may trade in a foreign market as fully executed domestically or fully or partially executed on a foreign market. For purposes of Appendix B.II, the Participants shall classify all orders in Pilot and Pre-Pilot Securities that may trade in a foreign market as: directed to a domestic venue for execution; may only be directed to a foreign venue for execution; or fully or partially directed to a foreign venue at the discretion of the member.

.05 (a) For purposes of Appendix B.I.a(14), B.I.a(15), B.I.a(21) and B.I.a(22), the time ranges shall be changed as follows:

(1) Appendix B.I.a(14A): The cumulative number of shares of orders executed from 100 microseconds to less than 1 millisecond after the time of order receipt;

(2) Appendix B.I.a(15): The cumulative number of shares of orders executed from 1 millisecond to less than 100 milliseconds after the time of order receipt;

(3) Appendix B.I.a(21A): The cumulative number of shares of orders canceled from 100 microseconds to less than 1 millisecond after the time of order receipt; and

(4) Appendix B.I.a(22): The cumulative number of shares of orders canceled from 1 millisecond to less than 100 milliseconds after the time of order receipt.

(b) For purposes of Appendix B.I.a(21) through B.I.a(27), unexecuted Immediate or Cancel orders shall be categorized separately irrespective of the duration of time after order receipt.

.06 The requirement in Appendix B.I.a(33) relating to the share-weighted average BBO Spread also shall apply to a Trading Center that displays on the ADF.

.07 For purposes of Appendix B.I.a(31)–(33), the relevant measurement is the time of order receipt.

.08 For purposes of Appendix B.I.a(33), only a Trading Center that is displaying in its own name as a Trading Center when executing an order shall enter a value in this field.

.09 For purposes of Appendix B, the following order types and numbers shall be included and assigned the following numbers: "not held" orders (18); clean cross orders (19); auction orders (20); orders that cannot otherwise be classified, including orders received when the NBBO is crossed (21); and limit orders priced more than \$0.10 away from the NBBO (22). For purposes of order types 12-14 in Appendix B, such order types shall include all orders and not solely "resting" orders.

.10 A Member shall not be deemed a Trading Center for purposes of Appendix B of the Plan where that Member only executes orders otherwise than on a national securities exchange for the purpose of: (1) correcting a bona fide error related to the execution of a customer order; (2) purchasing a security from a customer at a nominal price solely for purposes of liquidating the customer's position; or (3) completing the fractional share portion of an order.

.11 For purposes of Appendix B.IV, the count of the number of Market Makers used in the calculation of share (trade) participation shall be added to each category. For purposes of Appendix B.IV(b) and (c), share participation and trade participation shall be calculated by using a total count instead of a share-weighted average or a trade-weighted average. For purposes of Appendix B, B.IV(d) (cross-quote share (trade) participation), (e) (inside-the-quote share (trade) participation), (f) (at-the-quote share (trade) participation), and (g) (outside-the-quote share (trade) participation), shall be calculated by reference to the National Best Bid or National Best Offer in effect immediately prior to the trade.

.12 A Trading Center shall begin the data collection required pursuant to Appendix B.I.a(1) through B.II.(y) to the Plan and Item I of Appendix C to the Plan on April 4, 2016. The requirement that FINRA provide information to the SEC within 30 days following month end pursuant to Appendix B and C to the Plan shall commence at the beginning of the Pilot Period. Notwithstanding the provisions of paragraphs (b)(2)(B) and (b)(3)(C) of this Rule, with respect to data for the Pre-Pilot Period and Pilot Period, the requirement that FINRA make Appendix B data publicly available on the FINRA website shall commence on August 31, 2017. Notwithstanding the provisions of paragraphs (b)(4)(B) of this Rule, FINRA shall make Appendix C data for the Pre-Pilot Period through January 2017 publicly available on the FINRA website by February 28, 2017.

.13 For purposes of Item I of Appendix C, the Participants shall calculate daily Market Maker realized profitability statistics for each trading day on a daily last in, first out (LIFO) basis using reported trade price and shall include only trades executed on the subject trading day. The daily LIFO calculation shall not include any positions carried over from previous trading days. For purposes of Item I.c of Appendix C, the Participants shall calculate daily Market Maker unrealized profitability statistics for each trading day on an average price basis. Specifically, the Participants must calculate the volume weighted average price of the excess (deficit) of buy volume over sell volume for the current trading day using reported trade price. The gain (loss) of the excess (deficit) of buy volume over sell volume shall be determined by using the volume weighted average price compared to the closing price of the security as reported by the primary listing exchange. In calculating unrealized trading profits, the Participant also shall report the number of excess (deficit) shares held by the Market Maker, the volume weighted average price of that excess (deficit), and the closing price of the security as reported by the primary listing exchange used in reporting unrealized profit.

.14 "Pre-Pilot Data Collection Securities" are the securities designated by the Participants for purposes of the data collection requirements described in Items I, II and IV of Appendix B and Item I of Appendix C to the Plan for the period beginning six months prior to the Pilot Period through thirty-one days prior to the Pilot Period. The Participants shall compile the list of Pre-Pilot Data Collection Securities by selecting all NMS stocks with a market capitalization of \$5 billion or less, a Consolidated Average Daily Volume (CADV) of 2 million shares or less and a closing price of \$1 per share or more. The market capitalization and the closing price thresholds shall be applied to the last day of the Pre-Pilot measurement period, and the CADV threshold shall be applied to the duration of the Pre-Pilot measurement period. The Pre-Pilot measurement period shall be the three calendar months ending on the day when the Pre-Pilot Data Collection Securities are selected. The Pre-Pilot Data Collection Securities shall be selected thirty days prior to the commencement of the six-month Pre-Pilot Period.

.15 Appendix B data to be made publicly available on the FINRA website pursuant to the Plan will combine over-the-counter data for firms for which Chicago Stock Exchange, Inc. is the designated examining authority, and such data will be aggregated within groupings of five to 25 Trading Centers each. The groupings methodology will distinguish between alternative trading systems (“ATs”) and non-ATs, but no other details of the methodology used to formulate the groupings will be disclosed to maintain confidentiality of the published data. Trading Center group assignments will not be published and will remain unchanged for the duration of the data publication period (subject to modifications, as appropriate, to account for industry entrants).

.16 This Rule shall be in effect during a pilot period to coincide with the pilot period for the Plan (including any extensions to the pilot period for the Plan).

(a) For each security in which an ADF Trading Center displays a bid and offer (for Registered Reporting ADF Market Makers), or a bid or offer (for Registered Reporting ADF ECNs), in the ADF, it must:

(1) Provide other ADF Trading Centers direct electronic access, as defined below;

(2) Provide registered broker-dealers that are not ADF Trading Centers direct electronic access and allow for indirect electronic access, as defined below. In any event, an ADF Trading Center is prohibited from: (A) in any way directly or indirectly influencing or prescribing the prices that its customer broker-dealer may choose to impose for providing indirect access; and (B) precluding or discouraging indirect electronic access, including through the imposition of discriminatory pricing or quality of service with regard to a broker-dealer that is providing indirect electronic access;

(3) Provide a level and cost of access to its quotations in an NMS stock displayed in the ADF that is substantially equivalent to the level and cost of access to quotations displayed by SRO trading facilities in that NMS stock;

(4) Demonstrate that it has sufficient technology to automatically update its quotations and immediately respond to orders for execution directly against the individual ADF Trading Center's best bid or offer;

(5) Ensure that it does not impose unfairly discriminatory terms that prevent or inhibit any person, through a registered broker-dealer, from obtaining efficient access to such quotations;

(6) Provide at least 14 calendar days advance written notice, via facsimile, personal delivery, courier or overnight mail, to FINRA Market Operations before denying any registered broker-dealer direct electronic access as defined below. The notice provided hereunder must be based on the good faith belief of an ADF Trading Center that such denial of access is appropriate and does not violate any of the ADF Trading Center's obligations under FINRA rules or the federal securities laws. Further, any notification or publication of an ADF Trading Center's intent to deny access will have no bearing on the merits of any claim between the ADF Trading Center and any affected registered broker-dealer, nor will it insulate the ADF Trading Center from liability for violations of FINRA rules or the federal securities laws, such as Rule 602 of SEC Regulation NMS. The 14-day period begins on the first business day that FINRA Market Operations has receipt of the notice; and

(7) Comply with the minimum performance standards set forth in paragraph (e) of this Rule and the terms agreed to in the Certification Record.

(b) Subject to the terms and conditions contained herein, all ADF Trading Centers that display quotations in the ADF must record each item of information described in paragraphs (b)(1) and (2) of this Rule for all orders they receive from another broker-dealer via direct or indirect electronic access only if such order results in an execution, a cancellation, a correction or a rejection by the ADF Trading Center. All ADF Trading Centers must report this information to FINRA as specified below.

(1) ADF Trading Centers must record the following information for every order they receive from another broker-dealer via direct or indirect electronic access:

(A) Unique Order Identifier

The information described in subparagraphs (A) through (L) must be reported to FINRA by no later than 6:30 p.m. Eastern Time on the day of receipt of the order; provided, however, that an ADF Trading Center must report any information described in subparagraphs (A) through (L) to FINRA immediately upon request.

(2) In addition to the information previously provided pursuant to paragraph (b)(1), ADF Trading Centers must record the following information, as applicable, for every order received via direct or indirect access from another broker-dealer that has been acted upon or responded to:

(A) Unique Order Identifier (as provided in paragraph (b)(1)(A))

(3) Maintaining and Preserving Records

(A) In addition to submitting the information described herein to FINRA, each member shall maintain and preserve records of the information required to be recorded under this Rule for the period of time and accessibility specified in SEA Rule 17a-4(b).

(B) The records required to be maintained and preserved under this Rule may be immediately produced or reproduced on "micrographic media" as defined in SEA Rule 17a-4(f)(1)(i) or by means of "electronic storage media" as defined in SEA Rule 17a-4(f)(1)(ii) that meet the conditions set forth in SEA Rule 17a-4(f) and may be maintained and preserved for the required time in that form.

(4) Orders Not Required To Be Recorded

Any order that results in being fully posted to the ADF Trading Center.

The recording and reporting requirements contained in paragraphs (a) and (b) of this Rule shall not apply to orders received via any system operated by a national securities exchange or national securities association such that the association or exchange operating the system has access to and regulates that order activity.

(5) Method of Transmitting Data

Members shall transmit this information in such form as prescribed by FINRA.

(6) Reporting Agent Agreements

(A) "Reporting Agent" shall mean a third party that enters into any agreement with a member pursuant to which such third party agrees to fulfill such member's obligations under this Rule.

(B) Any member may enter into an agreement with a Reporting Agent pursuant to which the Reporting Agent agrees to fulfill the obligations of such member under this Rule. Any such agreement shall be evidenced in writing, which shall specify the respective functions and responsibilities of each party to the agreement that are required to effect full compliance with the requirements of this Rule.

(C) All written documents evidencing an agreement described in subparagraph (6)(B) shall be maintained by each party to the agreement.

(D) Each member remains responsible for compliance with the requirements of this Rule, notwithstanding the existence of an agreement described in this paragraph.

(7) Withdrawal of Quotations

If an ADF Trading Center knows or has reason to believe that it or its Reporting Agent is not complying with the requirements of this Rule, the ADF Trading Center must withdraw its quotations from the ADF until such time that the member is satisfied that it is in compliance with the requirements of this Rule.

(c) For each bid or offer displayed by an ADF Trading Center on the ADF, the ADF Trading Center must record and report to FINRA the following information in such form as prescribed by FINRA.

(1) All ADF Trading Centers must record and report the following information for each order that is part of a displayed bid or offer, including:

- (A) Symbol;
- (B) Side;
- (C) Price;
- (D) Quantity (including displayed quantity);
- (E) Order date and time of receipt;
- (F) Order instructions (including order type);
- (G) Internal order identifiers;
- (H) Firm identifiers (including broker order identifier) and capacity information;
- (I) Quote identifier;
- (J) Quote price;
- (K) Quote time;
- (L) Short sale exemption reason, as applicable; and
- (M) Clearing member.

(2) All ADF Trading Centers must also record and report the execution details, if any, of each order that is part of a displayed bid or offer, including:

- (A) Date and time of receipt;

The information described in paragraphs (1) and (2) shall be reported to FINRA in "next day" file submission, with such information reported to FINRA no later than 8:00 a.m. Eastern Time on the day following receipt of the order; provided, however, that an ADF Trading

Center must report any information described in paragraphs (1) and (2) to FINRA immediately upon request. Any information related to time must be reported in the finest increment (e.g., milliseconds) that is captured in the ADF Trading Center's system.

(d) ADF Trading Centers are required to specify as part of their Certification Record the method and terms by which they will comply with the requirements of this Rule. FINRA will not allow an ADF Trading Center to display quotations in the ADF unless the method and terms provided by the ADF Trading Center are in compliance with this Rule and applicable provisions of SEC Regulation NMS. Acceptance by FINRA of an ADF Trading Center's Certification Record does not relieve an ADF Trading Center of any of its on-going obligations. Moreover, FINRA's acceptance of such Certification Record, shall not constitute an estoppel as to FINRA or bind FINRA in any subsequent administrative, civil or disciplinary proceeding.

(e) Definitions

(1) "Direct electronic access" means the ability to deliver an order for execution directly against an individual ADF Trading Center's best bid or offer subject to applicable FINRA rules and the federal securities laws, including SEC Regulation NMS. As described herein, ADF Trading Centers must provide direct electronic access, in conformity with this Rule, through the use of a communications service(s) that is deemed to be sufficient by FINRA.

(2) "Indirect electronic access" means the ability to route an order through a FINRA member, subscriber broker-dealer, or customer broker-dealer of an ADF Trading Center that are not an affiliate of the ADF Trading Center, for execution against the ADF Trading Center's best bid or offer subject to applicable FINRA rules and the federal securities laws, including SEC Regulation NMS. An ADF Trading Center shall not impose unfairly discriminatory terms that prevent or inhibit any person from obtaining efficient access to such quotation through a FINRA member, subscriber broker-dealer, or customer broker-dealer. A FINRA member that is providing indirect electronic access shall remain responsible for orders routed through it as though the orders were the firm's own orders.

(f) Minimum Performance Standards

(1) ADF Trading Centers must submit "Automated Quotations", as defined in Rule 600(b)(3) of SEC Regulation NMS to the ADF for posting. "Manual Quotations," as defined in Rule 600(b)(37) of SEC Regulation NMS, shall not be submitted to the ADF. As a precondition to becoming an ADF Trading Center, an ADF Trading Center must, among other things, certify to FINRA their compliance with this paragraph based on reasonable forecasts of peak volume activity and the establishment of policies and procedures to ensure only "Automated Quotations," as defined in Rule 600(b)(3) of SEC Regulation NMS, are submitted to the ADF.

(2) In the event that an ADF Trading Center experiences three (3) unexcused system outages during a period of five (5) business days, the ADF Trading Center may be suspended from quoting in the ADF in all or certain issues for a period of twenty (20) business days. With respect to an ADF Trading Center, a "system outage" shall mean an inability to post "Automated Quotations," as defined by Rule 600(b)(3) of SEC Regulation NMS, in the ADF or an inability to immediately and automatically respond to orders.

(3) Officers of FINRA or FINRA Regulation designated by the Chief Executive Officer of FINRA shall, pursuant to the procedures set forth in paragraph (g) below, have the authority to review any system outage to determine whether the system outage should be excused. An officer may deem a system outage excused upon proof by the ADF Trading Center that the system outage resulted from circumstances not within the control of the ADF Trading Center. The burden shall rest with the ADF Trading Center to demonstrate that a system outage should be excused.

(4) An ADF Trading Center may contact FINRA Product Management and request that a system outage be deemed excused, whether or not the system outage resulted from circumstances within the control of the ADF Trading Center; however, if FINRA Product Management becomes aware of the system outage prior to the ADF Trading Center's request for an excused system outage, FINRA Product Management may, at its own discretion, deem the system outage to be unexcused, based on the specific facts and circumstances surrounding the outage.

(g) Procedures for Reviewing System Outages

(1) Any ADF Trading Center that seeks to have a system outage reviewed pursuant to paragraph (f)(3) hereof, shall submit a written request, via facsimile, e-mail, personal delivery, courier or overnight mail to FINRA Product Management by close of the business day on which the system outage occurs, or the following business day if the system outage occurs outside of normal market hours.

(2) An ADF Trading Center that seeks review of a system outage shall supply any supporting information for a determination under paragraph (f)(3) to FINRA staff by the close of business on the day following the system outage.

(3) An ADF Trading Center that seeks review of a system outage shall supply FINRA staff with any information requested to make a determination pursuant to paragraph (f)(3).

(4) An officer shall, in accordance with paragraph (f)(3), make a determination whether a system outage is excused by the close of business on the day following the receipt of information supplied pursuant to paragraphs (g)(2) and (g)(3).

(5) An ADF Trading Center may appeal a determination made under paragraph (f)(3) to a three-member subcommittee comprised of current or former industry members of FINRA's Market Regulation Committee in writing, via facsimile or otherwise, by the close of business on

the day a determination is rendered pursuant to paragraph (f)(3). An appeal to the subcommittee shall operate as a stay of the determination made pursuant to paragraph (f)(3). Once a written appeal has been received, the ADF Trading Center may submit any additional supporting written documentation, via facsimile or otherwise, up until the time the appeal is considered by the subcommittee. The subcommittee shall render a determination by the close of business following the day a notice of appeal is received. The subcommittee's determination shall be final and binding.

(h) Inactive Quoting

In order to maintain ADF certification, Registered Reporting ADF ECNs must post at least one marketable quote/order through the ADF on each side of the market every 30 calendar days. A quote/order that is posted through the ADF will be presumptively a marketable quote/order if such quote/order is accessed (i.e., traded against) by another trading center or market participant (other than a subscriber of the Registered Reporting ADF ECN). A Registered Reporting ADF ECN that fails to post at least one marketable quote/order through the ADF on each side of the market every 30 calendar days, shall lose its ADF certification at the sole discretion of FINRA staff. Registered Reporting ADF ECNs seeking to regain ADF certification shall be required to recertify pursuant to this Rule 6250.

6260. Review of Direct or Indirect Access Complaints

(a) Authority to Receive Complaints

(1) For the purposes of this Rule, a "direct or indirect access complaint" is a complaint against an ADF Trading Center, as defined in Rule 6220, that alleges a denial or limitation of access in contravention of Rule 6250 or the federal securities laws.

(2) Any registered broker-dealer that wishes to file a direct or indirect access complaint shall submit a written complaint stating the pertinent facts that constitute the grounds for such complaint, via facsimile, e-mail, personal delivery, courier or overnight mail, to FINRA Market Operations and simultaneously serve by the same means the ADF Trading Center in accordance with Rule 9134(b). Officers of FINRA designated by the Chief Executive Officer of FINRA shall have the authority to review and make a determination regarding direct or indirect access complaints.

(3) Based upon a review of the complaint and such investigation that the officer, in his or her sole discretion, may decide to conduct, the officer shall promptly determine whether there has been a denial of access by the ADF Trading Center. If the officer determines that there has been a denial of access in contravention of Rule 6250 or the federal securities laws, the officer shall direct the ADF Trading Center to provide access to its ADF quotes and may limit participation in the ADF by such party if it does not comply promptly with the directive, including the withdrawal of the ADF Trading Center's quotations from the ADF until access is provided. FINRA shall provide to the parties written notification of the determination by the close of business following the day the determination is rendered. The determination shall be sent to the facsimile number listed in the parties' contact questionnaire submitted to FINRA pursuant to Article IV, Section 3 of the FINRA By-Laws or another contact specifically designated by a party. The determination, and any directive to provide access or action to limit participation in the ADF, shall be effective when issued or as specified, and shall remain in effect during any review or appeal. The determination shall not constitute an estoppel as to FINRA nor bind FINRA in any subsequent administrative, civil, or disciplinary proceeding.

(b) Procedures for Review of Determinations

(1) Any registered broker-dealer, including an ADF Trading Center, that seeks review of a determination issued pursuant to paragraph (a) hereof, shall submit a written appeal setting forth the grounds for such review. The written appeal shall be submitted via facsimile, e-mail, personal delivery, courier or overnight mail, to FINRA and served by the same means on the opposite party, in accordance with Rule 9134(b), by close of the next business day after receipt of the written determination. Written appeals that are not served upon FINRA and the opposite party by the close of the next business day after receipt of the written determination will not qualify for further administrative consideration, without prejudice as to the rights of a party to submit the dispute to arbitration or another adjudicatory forum.

(2) Once a written appeal has been received in accordance with paragraph (b)(1) above:

(A) the party seeking review shall have up to twenty-four (24) hours, or such longer period as specified by FINRA staff, to submit to FINRA and the opposite party via facsimile, personal delivery, courier or overnight mail, any supporting written information concerning the appeal;

(B) after receipt of the foregoing supporting written information, the party served with the appeal shall have up to twenty-four (24) hours, or such longer period as specified by FINRA staff, to submit any relevant written information to FINRA and the party seeking review via facsimile, personal delivery, courier or overnight mail;

(C) if the party seeking review fails to serve the opposite party any written information required pursuant to this subparagraph, that party's written complaint will not qualify for further administrative consideration, without prejudice as to the rights of a party to submit the dispute to arbitration or another adjudicatory forum.

(3) Each registered broker-dealer and/or person associated with a registered broker-dealer involved in the review shall provide FINRA with any information that it requests to resolve the matter on a timely basis notwithstanding the time parameters set forth in paragraph (b)(2) above. If a registered broker-dealer does not provide such requested information in a timely manner, FINRA may, in its discretion, consider the matter based upon the information provided. Moreover, if the registered broker-dealer and/or person associated with a registered broker-dealer is a member or person associated with a member, failure to provide requested information can constitute a violation of FINRA rules.

(4) All requests for information pursuant to this Rule shall be sent by the specified means to a receiving location that, from time to time, may be designated by FINRA.

(c) Review by a Subcommittee of the Market Regulation Committee

(1) If a party has applied for review of a determination, and the procedural requirements of paragraph (b) above have been satisfied, the determination shall be reviewed and a decision rendered by a three-member subcommittee comprised of current or former industry members of FINRA's Market Regulation Committee. Upon consideration of the record, and after such hearings as it may in its discretion order, the subcommittee, in accordance with the requirements set forth in Rule 6250, shall affirm or reverse the determination of the FINRA officer pursuant to paragraph (a)(3) above.

(2) The subcommittee shall provide written notification of its determination to the parties by the close of business following the day the determination is rendered. The subcommittee's determination shall not prejudice the rights of a party to submit the dispute to arbitration or another adjudicatory forum. The subcommittee's determination, including affirmation of any directive or action rendered in accordance with paragraph (a)(3), shall be effective when issued or as specified, constitute final FINRA action, and remain in effect during any review or appeal. The subcommittee's determination shall not constitute an estoppel as to FINRA nor bind FINRA in any subsequent administrative, civil, or disciplinary proceeding.

(B) certifies the member's good standing with FINRA;

(C) demonstrates compliance with the net capital and other financial responsibility provisions of the Exchange Act;

(D) agrees that failing to submit quotes and report trades in NMS stocks to the ADF during the two-year term will result in the forfeiture of some or all of the ADF Deposit Amount pursuant to the ADF Deposit Terms;

(E) agrees that failing to submit 75% of the ADF Market Participant's quoting and trading volume to the ADF will result in the forfeiture of some or all of the ADF Deposit Amount pursuant to the ADF Deposit Terms;

(F) provides FINRA with reasonable monthly projections of the volume of data that the member anticipates submitting to the ADF;

(G) agrees to submit the ADF Deposit Amount in five equal installments into an escrow account at a bank mutually acceptable to the member and FINRA on a timetable as agreed to by the member and FINRA; and

(H) agrees to the ADF Deposit Terms; and

(2) execute the Certification Record, as defined in Rule 6220; and

(3) execute a Participant Agreement with FINRA at least six months (or such other shorter time period as may be designated by FINRA) prior to quoting or reporting trades on the ADF.

(b) A member's registration as an ADF Market Participant shall not become effective until:

(1) the member has received a notice of approval from FINRA in the designated security types specified in the member's application pursuant to paragraph (a)(1)(A);

(2) the member has executed the Certification Record pursuant to paragraph (a)(2); and

(3) FINRA and the member have executed:

(A) the application pursuant to paragraph (a)(1); and

(B) the Participant Agreement pursuant to paragraph (a)(3).

(c) ADF Deposit Amount and ADF Deposit Terms

For purposes of this Rule:

(1) the "ADF Deposit Amount" shall be \$250,000; provided, however, that the ADF Deposit Amount shall be \$500,000 if the member:

(A) requests that FINRA accelerate the ADF migration onto FINRA's Multi Product Platform; or

(B) begins quoting on or reporting trades to the ADF within 90 calendar days after an ADF Market Participant that requested acceleration of the ADF migration begins quoting on or reporting trades to the ADF.

(2) the "ADF Deposit Terms" shall include the following, subject to any de minimis additions or qualifications in such terms to which FINRA and the member agree:

(A) One-fifth of the ADF Deposit Amount shall be released to FINRA if, in any calendar month beginning with the fourth calendar month following certification of the ADF Market Participant to quote on or report trades to the ADF, the ADF Market Participant fails to submit 75% of the member's quoting and trading activity to the ADF as agreed to by the member and FINRA pursuant to paragraph (a)(1)(E) above.

(B) For every \$1.00 received by FINRA from the National Market System Securities Information Processor data plans associated with ADF trade report activity that is attributable, in FINRA's sole discretion, to the member's trading activity on the ADF, the member shall receive \$0.50 out of the escrow account established pursuant to paragraph (a)(1)(G) above. Any such amount due to the member shall be paid to the member on a quarterly basis after FINRA has received its quarterly disbursement from the data plans; provided that the member shall only be entitled to receive up to four-fifths of the ADF Deposit Amount pursuant to this provision until the end of the two-year term agreed to pursuant to paragraph (a)(1)(D) above. At the end of the two-year term agreed to pursuant to paragraph (a)(1)(D) above, the member will be entitled to that portion of the remaining one-fifth of the ADF Deposit Amount on the same basis as the original four-fifths.

(C) If a member is sold, goes out of business, otherwise does not meet its obligations, or fails to complete the process for becoming an ADF Market Participant, the member will forfeit the ADF Deposit Amount, or any lesser amount remaining in the escrow account established pursuant to paragraph (a)(1)(G) above, and all funds will be released from such escrow account to FINRA; provided, that the member will not forfeit the ADF Deposit Amount if the member is sold to an entity that would meet the qualifications as an ADF Market Participant and agrees to be bound by the ADF Deposit Terms. If an amount less than the ADF Deposit Amount has been placed into the escrow account established pursuant to paragraph (a)(1)(G) above, the member shall pay FINRA any difference between that amount and the ADF Deposit Amount, if necessary.

(D) If FINRA fails to make the ADF available for a member within nine months of the date of the member's first deposit into the escrow account established pursuant to paragraph (a)(1)(G) above, one-fifth of the ADF Deposit Amount will be released from such escrow account to the member.
