The Program has reviewed your request to terminate your administrative support order or support obligation. Because your request does not meet the criteria under Rule 12E-1.030(15)(a), F.A.C., the Program will not initiate action to terminate the order or support obligation at this time. You may submit a new or amended request at any time with supporting documentation for one or more of following reasons:

1. The parents reside together with the child(ren);
2. The child(ren) for whom support is ordered permanently resides with the parent who is ordered to pay support;
3. The parent who is ordered to pay support begins receiving Supplemental Security Income (SSI) after the support order is rendered;
4. The parent who is ordered to pay support has no income, is permanently disabled, and provides a doctor's statement that the parent is permanently disabled and unable to work; or
5. A court has terminated the parental rights of the parent who is ordered to pay support.
