According to your request, your termination date as an elected official is _____. In order to receive your accumulated Deferred Retirement Option Program (DROP) benefits and your monthly retirement benefits, your employment termination must be certified. This form must be completed by both you and an authorized representative of your Florida Retirement System (FRS) employer to verify your employment termination. The completed form must be returned to the Division of Retirement. Your FRS pension and accumulated DROP benefits are subject to the following:

1. I understand that my DROP benefits are an accumulation of monthly pension benefits and interest through the month of my DROP participation end date. If my DROP participation began before July 1, 2010, at the conclusion of my participation, my DROP account did not accrue additional monthly benefits, but continued to earn interest. If my DROP participation began after July 1, 2010, my DROP account did not accrue additional monthly benefits and did not accrue interest as provided in s. 121.053(7)(a)1., Florida Statutes.
2. I understand that employment termination is required in order to receive my accumulated DROP and monthly benefits. My monthly FRS benefits are payable the calendar month following my employment termination and will be paid on a prospective basis only as provided in s. 121.053(7)(c), Florida Statutes. I am not eligible for retroactive pension benefits or renewed FRS membership coverage for my employment after my DROP participation ended through the calendar month I terminated my elected employment.
3. I understand that I must remain off all payrolls with FRS-covered employers for six calendar months following my employment termination. Prohibited employment includes but is not limited to full-time, part-time, temporary, other personal services (OPS), substitute teaching, adjunct professor or non-Division approved contractual services. If I fail to meet this requirement, I will void my retirement and forfeit my accumulated DROP benefit, including interest, retroactive to my enrollment date in the DROP.
4. I understand that if I void my DROP benefit, my FRS employer will be responsible for making retroactive retirement contributions and I will be awarded service credit for the time period I was in the DROP. I will be eligible for a service retirement benefit based on my new termination date and the Division's receipt of my Application for Service Retirement (Form FR-11). My service retirement benefit will be based on my creditable service and salary, including such service and salary earned while participating in the DROP. I may not be eligible to participate in DROP in the future.
