When to file — File this application on or before the original due date of the taxpayer's corporate income tax or partnership return. Do not file before the end of the tax year. To file online go to www.myflorida.com/dor

Penalties for failure to pay tax — If you are required to pay tax with this application, failure to pay will void any extension of time and subject the taxpayer to penalties and interest for failure to file a timely return(s) and pay all taxes due. There is also a penalty for a late-filed return when no tax is due.

Signature — A person authorized by the taxpayer must sign Florida Form F-7004. They must be (a) an officer or partner of the taxpayer, (b) a person currently enrolled to practice before the Internal Revenue Service (IRS), or (c) an attorney or Certified Public Accountant qualified to practice before the IRS under Public Law 89-332.

The Florida Form F-7004 must be filed – To receive an extension of time to file your Florida return, Florida Form F-7004 must be timely filed, even if you have already filed a federal extension request. A federal extension by itself does not extend the time to file a Florida return.

An extension for Florida tax purposes may be granted, even though no federal extension was granted. See Rule 12C-1.0222, F.A.C., for information on the requirements that must be met for your request for an extension of time to be valid.

A. If applicable, state the reason you need the extension:
