

STATE OF FLORIDA DEPARTMENT OF TRANSPORTATION  
**DEBRIS REMOVAL (EMERGENCY)**  
**CONTRACTOR ADDITIONAL EXPERIENCE**

To become qualified in the work class of Debris Removal (Emergency), the applicant shall provide the following:

1. Written documentation showing applicant has served as a prime for a governmental entity and a letter of recommendation from that entity.
2. Written description of your ability to track debris removal in accordance with FHWA Emergency Relief and FEMA debris removal laws, regulations and guidelines;
3. Written explanation of how quickly you can and will respond to emergency debris removal task orders;
4. Written explanation of your plan for sustaining the entire operation if no motels are available. For example, obtaining fuel, food, water and temporary housing for the crew;
5. A chart showing the debris removal contracts completed in the past three years. Include Contract amount, location, quantity of debris, type of debris, time period, contract owner (with contact information) and whether your company was the prime or subcontractor. If you were the prime, state if you used your local forces or subcontractors to accomplish the work;
6. Resumes of principal supervisory personnel in your organization performing the debris removal functions. (The resumes must be attached in the Construction Experience Tab.)

Applicant must combine all requested documentation, with exception of resumes, and create one PDF, TIF or JPG file for the required documentation that must be attached to the Work Classes Tab in the online application for qualification.
